Solon Moves To Curb Wide Probes

WASHINGTON (AP) — Sen. Everett M. Dirksen (R-Ill.) moved today to curb wide-ranging investigations by the Senate Antimonopoly subcommittee headed by Sen. Estes Kefauver (D-Tenn.).

Dirksen, the Senate Republican leader, said he will ask the Senate to require approval by a majority of the parent Judiciary Committee before the subcommittee can start any new investigations. He proposed the limitation as an amendment to a measure to give the subcommittee another \$425,000 for its work.

"The practice of having a subcommittee chairman decide by himself what investigations are to be undertaken and then having him order the staff to go ahead ought to be stopped," Dirksen said.

In the case of the Antimonopoly group, Dirksen said he thinks there has been "considerable waste" of taxpayers funds by inquiries he said have produced little benefit for the country.

Kefauver disputed Dirksen's contention, saying Dirksen's move "is obviously aimed at hamstringing the subcommittee."

"I think our investigations have been of tremendous value," Kefauver said. "They have showed the concentration of monopolistic power which doesn't give the little people a chance to compete."

Scout Training Is Life Saver

TULSA, Okla. (AP)—Two Tulsa youngsters are pretty happy that Howard White, 12, knew his Boy Scout lessons.

Douglas Poplin, 7, and David Staley, 9, slipped through ice on a city park pond Sunday and were struggling in the water.

White saw their plight, found a long pole and slid onto the ice on his stomach. The youngsters held the pole until passers-by rescued them with a rope.

White's father, Robert Lloyd White, is a scoutmaster.
