

Attempt To Wreck Pact Made By Red Nations

TOKYO (AP)—The Soviet Union is trying harder than ever to smash Japan's new security treaty with the United States, Red China, East Germany, North Viet Nam and North Korea joined the campaign today.

Only 24 hours after a hot exchange between Moscow and Tokyo over the pact, a 17-member Japanese delegation left for Moscow today to negotiate a new salmon fishing agreement with the Soviets. The negotiations present a new opportunity for Soviet pressure on the Japanese.

A Soviet note published Thursday charged that ratification of the treaty would mean that Japan loses its independence and would "perpetuate actual occupation." The Soviet Union said she would not return the Habonias and Shikotan islands unless American military bases in Japan are dismantled.

The Japanese Foreign Office issued a statement calling the Soviet threat "unjustified intervention" in Japan's internal affairs. It accused the Soviet Union of reducing to a "scrap of paper" the 1956 agreement to return the islands upon conclusion of a peace treaty.

No observer here seriously thinks the Soviet threat will prevent ratification of the U.S.-Japan treaty. Prime Minister Nobusuke Kishi's party has a sufficient parliamentary majority to vote the treaty through.

Japan wants an 80,000-ton quota for her fishermen in Soviet-controlled North Pacific waters for the season of 1960. The Soviets probably will knock that figure down. In five years they have reduced the quota from 163,273 tons to 85,000 tons in 1959.

Red China's Foreign Minister Chen Yi, in an article written for the Feb. 1 issue of Peiping's magazine "Red Flag," said the new U.S.-Japan treaty "marks the revival of Japanese militarism."

East German Deputy Premier Heinrich Rau now visiting North Viet Nam, in a joint communique with his hosts denounced "American imperialistic attempts to turn Japan into a military base for aggression."

North Korea's Pyongyang radio repeated "mass meetings condemning the recently concluded Japan - U.S. military alliance treaty" are being held in factories and other establishments.

The U.S. - Japanese treaty signed Jan. 19 provides for mutual assistance in an attack on Japan.

It still to be ratified by the Japanese Parliament and is a fierce political issue here. But the Soviet campaign to stir up anti-American sentiment may backfire.

America's Space Efforts May Feel Cutback Pinch

WASHINGTON (AP) — American space efforts after a year or two may feel the pinch of an administration cutback of 132 million dollars in the new budget, space officials say.

Dryden said a study to see where the program can be speeded up is now nearing completion and NASA expects to ask for about 100 million dollars more within a week.

However, approximately 80 percent of the extra money will be earmarked for the big rocket booster project, Saturn, Dryden said. NASA inherited the Saturn program from the Department of Defense.

The President's budgets seldom, if ever, provide the full amounts asked by agencies and departments in their original money requests.

Wife's Death Related

KANSAS CITY, Mo. (AP) — "I just walked in and started shooting," Carey Lee Ruder told police as he calmly related how his young wife was slain Thursday.

Nearby, on the floor of their apartment, lay the body of Judith Diane Ruder, 20. She had been shot five times with a .22 caliber pistol.

"She was ruining me, making me lose my job, taking all the stuff I have, walking out on two kids—two of the nicest kids you ever saw," Ruder, a 21-year-old draftsman, said.

Ruder said his wife left home three weeks ago and he had been caring for their daughters, one 3 years old and the other 10 months.

He said his wife took away some furniture Wednesday. When he returned home Thursday, after taking the children to a baby sitter, Ruder said she was preparing to sell some furniture to three men. That's when he shot her.

"We didn't have any arguments," Ruder said. "She just didn't like married life."

They were married when she was 16 and he 17.

Ruder was held for investigation of murder. The children remained with the baby sitter Thursday night.

More than 500,000 school-age children suffer from rheumatic fever and rheumatic heart disease and from inborn heart defects.

In early testimony Thursday, Dryden and Horner both said NASA had received "substantially all" it had asked for in funds for fiscal 1961.

Chairman Overton Brooks (D-La.) asked for a specific breakdown what was requested and what was received. Dryden returned in the afternoon with the information.

He reported NASA requested 957 million dollars. When the budget was drawn it was given 302 million dollars. In addition, however, it is receiving 23 million dollars in a carryover payment from the current fiscal year, making 825 million dollars actually available to it.

"I must comply with much chagrin to the order of the court and I am sure she will comply with the law. But I don't think her inner feelings for me have changed, and my feelings for her will never change. I love her very much."

Gamble and Andre did not speak in court, but they both had smiles for each other.

Justice Gold said Gamble also told him she would comply with an order issued Wednesday in Brooklyn Magistrate's Court ordering her "not to contact Andre Porumbeau in any form or manner." Her family had brought her to that court on a wayward girl charge. A hearing on the charge was set for Feb. 28.

Gold recessed Thursday's hearing until Feb. 25.

The Romanian-born Andre has said his wife, mother of his 10-year-old daughter, is willing to give him a divorce so that he can marry Gamble. Mrs. Porumbeau disappeared after the romance became publicized. Listed as a missing person, she is believed to be somewhere in Germany.

Dad, Son Suffer Same Ailment

GLENDALE, Calif. (AP) — James Watts, 18, was scheduled to undergo surgery for a ruptured spinal disc.

A few days before the operation, his father, Lory Watts, 41, felt acute pain in his back. A doctor told him he had the same affliction as his son.

As they wheeled the younger Watts out of the operating room Thursday his father waved at him — on the way in.

Both are recovering.
