

MARKETS and FINANCE

Stocks

WALL STREET NEW YORK (AP) — The stock market declined sharply today and closed at around the worst level of the session. Trading was quiet.

Volume for the day was estimated at 2,500,000 shares compared with 2,600,000 Thursday.

Pivotal issues dropped from fractions to 2 or 3 points.

U.S. Steel fell to a new low for 1959-60, losing more than 3. News that the company had reduced warehouse prices for steel preceded the sharp drop.

Lukens steel fell more than 3. Jones & Laughlin and Youngstown Sheet well over 2 and Republic more than a point. Bethlehem was about unchanged.

Down more than 2 were General Electric, International Paper and Liggett & Myers.

The market was mixed at the start, showed a slight loss at mid session then slid following the steel news.

Angus Judging Still On At Sale

RED BLUFF, Calif. (AP) — The Double M Herdior Ranch at Adams, Ore., showed the top Hereford of the 19th annual Red Judging Sale Thursday.

Stage Is Set For Trade Talks

HAVANA (AP) — A shiny Soviet exposition set the stage today for talks between Fidel Castro's trade-hungry government and the top Soviet salesman, Deputy Premier Anastas I. Mikoyan.

Price On Red Car

NEW YORK (AP) — The Soviet Union's Moskvich automobiles will sell in the United States for about \$1,300, says a Syracuse, N.Y., car dealer.

Aid Measure Facing Veto

WASHINGTON (AP) — The Senate has passed a \$1,834,000,000 school aid bill to provide federal grants both for classroom construction and for teachers' salaries.

But there were indications today that the House would not approve the salary provisions, and that President Eisenhower would veto the measure if Congress passes it in its present form.

The 51-34 vote by which the Senate passed the measure Thursday night is far short of the two-thirds that would be needed to override a veto.

House Democratic leaders say that they expect to pass school legislation before the 86th Congress quits. But they assert their branch is likely to limit the funds to school construction, omitting teacher salaries which were included in the Senate bill.

The Senate vote was the latest move in a long fight running back to 1971 to win congressional passage of general federal aid for public elementary and high schools.

Ex-Fighter Aids Police

CAMDEN, N.J. (UPI) — Former heavyweight champion Jersey Joe Walcott briefly stepped back into "action" today when he helped capture a man accused of molesting a "lady."

The young "lady" turned out to be Vincent Wall, one of two patrolmen masquerading as women in a police trap to catch moshers, handbag thieves and molesters of women.

The suspect was the ninth man to be arrested since Wall and Patrolman Don McGlensy donned women's clothing and makeup to prowler the city's "trouble streets" a week ago.

Walcott went into action after he heard a shout while he was driving to his home. Walcott sped in the direction of the blast and saw a "young blonde" with a pistol, and a car fleeing the scene. After Wall explained the situation, he and the former champion gave chase in Walcott's auto. They nabbed the suspect at a traffic light nearby.

The motorist, identified as Hal Speigel, Camden, N.J., was arrested on charges of indecent proposition.

Meanwhile, McGlensy, doing his "flirtation walk" tour in another section of the city, made two arrests. The suspects were identified by police as Clement Martin, 27, and Charles Parrish, 25. Both were charged with disorderly conduct.

Railroaders Await Results

CHICAGO (UPI) — The firemen's and switchmen's unions today awaited National (Railway) Mediation Board action on their requests that it relinquish jurisdiction and offer government arbitration in their wage disputes with the railroads.

The 12,000-member Switchmen's Union of North America started mailing out strike ballots Thursday as the powerful Brotherhood of Locomotive Engineers agreed to let arbitrators settle its wage controversy with the carriers.

The Brotherhood of Locomotive Firemen and Engineers, which has never accepted arbitration in a national wage dispute since the Railway Labor Act was passed in 1926, withheld any strike vote action pending a mediation board withdrawal from their case.

The switchmen continued to negotiate under mediators here but W. R. Meyers, vice president and chief negotiator for the union, said the engineers' unexpected decision to arbitrate "blew our case sky high."

"I can't see where we'll do much in continued negotiations," Meyers said. "The carriers will be reluctant to offer us a good agreement pending the engineers' arbitration award and we'll be reluctant to do anything that would compromise the engineers' case before the arbitrators."

Train Halted; Collie Saved PITTSBURGH (AP) — The daughter of Mrs. D. G. Donovan told her mother Thursday that a dog hit by a train was lying between two tracks.

Mrs. Donovan tried to lift the dog—a Collie—but was unsuccessful. She then heard a train coming.

She ran up the tracks and flagged down the Baltimore & Ohio freight train. It stopped just in time. The crew helped put the dog in her car.

Said Mrs. Donovan with a sigh of relief: "I honestly didn't think they'd stop."

Civil Service Exams Open

The U.S. Civil Service Commission has announced examinations are open for various civil service positions.

Medical positions are open in Veterans Administration hospitals and clinics throughout the county and employ development officer positions are open in various federal agencies located in Washington, D.C., and vicinity.

Medical officers are needed at St. Elizabeths Hospital in Washington, D.C. and statistical draftsman for various federal agencies in the Washington area.

Announcement and application forms may be obtained from Window I in the U.S. Post Office building, here.

Ed Leader Tells Needs

Mrs. Vera Courtier of Oregon City, president of the state Association for Childhood Education, outlined a plan of action during a quarterly meeting of the Klamath County chapter recently at the city library.

She said work needs to be done to alleviate pressures on schools and communities, including Klamath County, where many families are transient. She also advocated setting up a kindergarten system in the county. Kindergartens are of educational and social value she said.

And, she cited the need for a balanced educational program. Everyone, not only teachers, has the duty to help children acquire learning fundamental to acceptable living standards.

Mrs. Barbara McVey of Bonanza was in charge of the program. Mrs. Ann Rite and other teachers from Shasta School served coffee and doughnuts. Mrs. Dorothea Kuist of Chiloquin is president of the county chapter.

The organization is for primary grade teachers. About 40 from the county attended.

Conversation With Con Told

LOS ANGELES (UPI) — Dr. R. Bernard Finch described today how he and convict John Patrick Cody spent an afternoon of drinking and discussing whether Cody could get a date with the doctor's wife for divorce evidence.

The setting was the cocktail lounge, restaurant and swimming pool of the Sands Hotel in Las Vegas, the surgeon told the jury hearing his trial with Carole Trefoil for the murder of the doctor's wife.

Cody testified earlier — for the prosecution — that Finch and Carole hired him to kill Mrs. Barbara Jean Finch. But the doctor said all they talked about was getting "something on her" to counterbalance her divorce evidence about his affair with Carole.

"Jack said he would bet me \$100 he could pick up any girl in Las Vegas in 24 hours," Finch testified. "He said I could just point out any girl and he would do the rest."

"I told him I wasn't going to make any such bet but I was glad he had that kind of confidence. Because you're going to have plenty of trouble if you try to pick Barbara up."

Cody told Finch, the doctor said, that he had trailed Mrs. Finch in Los Angeles the two previous days and that she had gone one time to dinner with a "tall, dark man."

The ex-convict told the jury when he testified that he didn't go to Los Angeles at all but instead gambled in Las Vegas and lost all the money Carole had given him as his down payment for murder.

Later today, Finch faced his biggest test when he tries to convince the jury that his wife was shot in the back accidentally when he "threw" the death weapon away.

Scout Ceremonies

PORTLAND (AP) — Alaska will be represented at the Boy Scouts of America's 50th anniversary ceremonies next week by Joseph F. Leas of Anchorage, a student at Concordia High School here.

The ceremonies will be held in Washington, D. C., and New York City.

Jury Finds Man Guilty

Philip Duane Jackson, 23, Bonanza, was found guilty of assault and battery at the close of a district court trial Thursday. A two-woman, four-man jury deliberated 30 minutes before returning its verdict.

Jackson was convicted of striking Mrs. Birdie Joe at the home of Mrs. Anna May Copperfield, near Bonanza, on December 21. He was accused of striking Mrs. Joe on the head and face with his fists.

Judge D. E. Van Vactor scheduled sentencing for 10 a.m. February 10.

Jackson also faced two other charges filed at the same time. A charge of lewd cohabitation was dismissed Tuesday in the course of his trial. He was to enter plea today on a charge of assaulting Mrs. Copperfield, his grandmother, with a .22 caliber revolver. (Earlier Story on Page Three)

Driver Injured In Accident

A driver blinded by oncoming lights swerved to avoid a vehicle early Friday morning and sheared off a telephone pole, wrecked his car and was treated in Klamath Valley Hospital for injuries.

He is Edward A. Havermann of 1940 Lexington Avenue. He received a gash on the brow, but was released after treatment.

Havermann told city police he was rounding the corner of East Main Street where it intersects Stukel Street, when the accident occurred.

His car was demolished. Police issued no citation.

Fires Extinguished

City and Suburban fire departments each received an alarm Thursday night and Friday morning.

City firemen extinguished a blaze in a wall behind a fireplace in a home occupied by John Lake, 2350 California Avenue, at 2:50 a.m. Friday. The fire damaged the wall upstairs and down and caused a little smoke damage elsewhere in the home.

Suburban firemen were called to the home of John Warnke, 3995 Wiard Street, at 9:16 p.m. Thursday. A chimney caught fire, but no damage resulted.

BB Vandals Rip Windows

Vandals armed with BB guns cut a wide swath of destruction through the business district Wednesday and Thursday.

City police learned Wednesday morning of two more destructive attacks against showroom windows. The vandals' score to date: 15 windows in four buildings and one car. Damage is estimated at about \$1,400.

The latest attacks were against two downtown department stores. Three tall, wide windows were pitted with the telltale mark of BBs or pellets in the J. C. Penney Company store.

One show window at the F. W. Woolworth store next door was damaged.

Previously Wednesday night or Thursday morning vandals shot holes in nine windows at the Balsiger Motor Company showroom at the corner of Main Street and Esplanade Avenue.

They tossed a gasoline-filled jar through a window of the Moose Lodge on Pine Street, and they broke out a window in a car owned by Jim McFarland of Klamath Falls as it was parked near the Medical Dental Building on Main Street.

None of the display windows was shattered. But the inch-wide pits so weaken big glass panes that they must be replaced.

Damage at the Balsiger showroom was estimated at \$900.

New Judge Requested

William Olen Gairson, Bonanza ranchhand who faces trial for first degree murder, has asked for a new judge.

Gairson sought disqualification of Circuit Judge David R. Vandenberg on the ground Gairson believed he could not receive a fair and impartial trial.

The motion and an accompanying affidavit listed no particulars. Both were filed by Gairson's attorney, Warren Lesseg of Medford.

Gairson pleaded not guilty Tuesday to the charge of murdering 11-month-old Gary Lee Bursk last December 17. He also has been sentenced on lewd cohabitation and child cruelty charges.

Gairson is to appear in circuit court next Tuesday when a motion for a change of venue is expected.
