

Bridge Club Winners Told

For the third successive bridge tournament, 13 tables were in play on Thursday night at Lakeshore Garden Duplicate Club's weekly sessions, according to Mrs. David A. Richardson, director.

Mrs. Leona Robertson and Mrs. Lloyd Goble were first place winners in north-south position, followed by Mrs. Lois Serruys and Mrs. Harold Cloake, second, and Dr. and Mrs. S. M. Kerron, third. East-west position winners were Mr. and Mrs. Coleman Baker, first; Mrs. C. Buz Larkin and Mrs. W. R. Lamb, second, and Mrs. Ruth Quinn and Mrs. Otto Ellis, third.

The first Klamath Falls Unit tournament will be held at the Willard Hotel, starting at 1 p.m. on Sunday, February 28, Mrs. Richardson said.

Reservists Leave For Shoot Match

Two local Army Reserve men left Friday for Fort Lewis, Washington, for rifle match competition Saturday and Sunday.

They are Capt. Rex Davis of 1526 Crescent Avenue and M.Sgt. William R. Smith, regular Army adviser to the local reserve unit. Winners will represent the Army X Corps in Sixth Army shootoffs for 10 days next month at Fort Lewis.

New Federal Pension Law Discussion Set Wednesday

The public is invited to hear a discussion of the new federal pension law for veterans and their widows and children at a meeting to be held in the Fremont School Auditorium at 8 p.m. Wednesday, February 24, T. D. Case, Klamath County veterans service officer, announced.

Shirley T. Brannock, contact representative at the Veterans Administration Domiciliary, Camp White, will describe the new law in detail and answer questions submitted from the audience.

The new act, Public Law 86-211, will award pension to veterans, widows and children on the basis of need, Case said. Payments will be on a graduated scale, depending on individual outside incomes. A person already in receipt of pension on June 30, 1960, will be given his or her choice as to whether pension is to be based on the present law or the new one. Pension entitlement arising after June 30 can be based only on the new act.

"The new act will make many veterans, unmarried widows and children eligible for the first time

to pension based on nonservice-connected disability or death," Case said. For example, he said, it removes the requirement that a World War II or Korean Conflict veteran must have had a service-connected disability in order for his widow or children to be eligible for pension, thus placing them on an equal footing with dependents of World War I veterans. Some persons will be eligible to higher pension payments than heretofore. Others will qualify for pension for the first time by reason of higher income ceilings.

On March 1 all those presently on the pension rolls will have an important decision to make, Case explains. Each will receive a new income questionnaire which is to be signed and returned to the

Portland VA office if the recipient wishes to receive benefits under the new law after July 1, its effective date.

Brannock will clarify the distinction between these two laws.

to enable persons receiving pension to make the right choice. Once the new act has been selected, an individual can never return to the benefits of the old one, and a mistake in judgment could result

in substantially smaller pension payments for the future. The legislation does not affect compensation paid to veterans or dependents for service connected disability or death.

ALL WE HEAR IS "NYET!"

"Nyet" is the Russian word for "no." To 76 million oppressed people behind the Iron Curtain in captive nations, "nyet" is a hated word. "Nyet" to freedom of speech, "nyet" to freedom of the press, "nyet" to the right to know the truth, "nyet" to all the freedoms we Americans take for granted.

But freedom cannot be taken for granted. It has always been won by toil, money and blood and must be zealously guarded.

RADIO FREE EUROPE helps you protect your freedom by bringing the truth and a glimpse of freedom to people who live in the dark world of communist lies.

RADIO FREE EUROPE needs your dollars! Freedom-loving Americans are its only means of support. President Eisenhower himself has warned us not to take freedom for granted, not to take chances with our own future.
