matter of FACT

The flea is one of the great-
est jumpers in nature. The
largest are only about one-
fourth of an inch long and
many are smaller, but fleas
can make a horizontal leap of
about 13 inches, or from 50 to
100 times their length, the
equivalent of a 300 to 600-foot
jump for a six-foot man.

WHETHER SHE'S CARRYING BABY or an armload of pack-
ages, all mother needs to turn on this light switch is a free
elbow. The new Fashion Plate switch by the Bryant Electric
Company is button-free and works with only light pressure.
Offered in clear and ivory plates with black or white frames,
the Fashion Plate is interchangeable with present standard
wall switches. When the clear plate is used, it can easily
be backed with wallpaper or paint to match the walls. Most
recent commercial installation of the new switches is at the
new Pittsburgh Hilton which is fully equipped with Fashion
Plate.
