

EVERYONE'S HAPPY — Things seem to be on a contented medium at the YMCA Sportsmen Awards banquet held last night. The awards were presented to the athletes competing in the YMCA Church League in both the high school and unlimited basketball divisions. Standing from left to right is Ken Cooper who holds the Sportsmanship trophy donated to the high school division, Cooper played for the Salvation Army quint. Jim McGowan holds the First Place trophy for the unlimited division, which was won by the First Baptist five. In the center is YMCA director Paul Campbell. The happy lad on the right of Campbell is Estin Kiger who helped his Klamath Lutheran team to first place in the high school division. At the far right is Church Of Nazarene's Jack Powell who won the Sportsmanship trophy.

Baseball Holdouts Numerous

By THE ASSOCIATED PRESS
The holdout season got under way officially today and not a single American League club could boast all its players were in the fold.
On the other hand, four National League teams—Los Angeles, Pittsburgh, Chicago and St. Louis—were 100 per cent signed.
Several full squads don't report until later in the week, but if a player isn't signed by 12:01 on March 1, he is considered a member of the holdout corps.
On that basis, here is a rundown of the discontented:
American League — Pitchers Dick Donovan and Turk Lown, outfielders Minnie Minoso and Jim Landis and infielder Billy Goodman.
New York — Outfielders Mickey Mantle and Roger Maris, pitcher Ryne Duren and infielder Hector Lopez.
Cleveland — Outfielders Rocky Colavito.
Detroit — Outfielders Harvey Kuenn and Charlie Maxwell, pitcher Frank Lary and catcher Red Wilson.
Kansas City — Pitcher Red Garver.
Baltimore — Outfielders Gene Woodling, Willie Tasby and Albie Pearson, infielder Billy Klaus.
Boston — Catcher Sammy White, outfielder Gary Geiger (due out of service in April).
Washington — Outfielders Jim Lemon and Bob Allison, pitchers Pedro Ramos and Hal Griggs.
National League — Milwaukee — Pitcher Lew Burdette, infielders Johnny Logan and Joe Adcock and outfielder Wes Covington.
San Francisco — Infielder-outfielder Orlando Cepeda.
Cincinnati — Pitcher Raul Sanchez and infielder Elio Chacon.
Philadelphia — Outfielder Dave Philley and infielders Ted Lepcio and Pancho Herrera.
Of the five still unsigned on the American League champion White Sox, Donovan could turn out to be the toughest. He had a disappointing season last year and is being asked to take a cut.
Landis and Minoso are not regarded as problems. Landis agreed to terms by phone, then changed his mind. Minoso is believed up to his old trick of holding out so he can report late.
Mantle is being a rugged individualist with the Yanks. Twice he has rejected pleas by general manager George Weiss to go to New York's St. Petersburg, Fla., base to talk things over. His average dipped to .285 last year and he is being asked to take close to the maximum 25 per cent cut.
Colavito, the Indians' big warhead, reportedly wants \$40,000 and has been offered \$35,000.
General manager Bill Dewitt of the Tigers still has a big job ahead even though he signed outfielder Al Kaline for about \$40,000 and infielder Milt Bolling a couple of hours before the deadline. He still has four unhappy players to deal with, including American League batting champion Kuenn.
Burdette, Logan and Adcock have been offered raises by the Braves but they don't think the hikes are enough. Covington is balking at a cut.
Cepeda remained at home in Puerto Rico when the Giants opened camp in Phoenix, Ariz. The big slugger wants \$30,000, an increase of \$10,000.

KU Rises, Tornadoes Hold First

By THE ASSOCIATED PRESS
Below the two leaders there is considerable shuffling in the final Associated Press high school basketball poll of the season in Oregon.
Medford, now with a record of 18 victories and 3 losses, retained top ranking. It got first-place votes from 14 of the 17 sports writers and broadcasters who took part in the poll. Medford beat Central Point and Ashland in weekend games.
Marshfield held the No. 2 position, despite a 66-63 loss to Springfield. Marshfield, which led the poll during the early part of the season, received the other three first-place votes.
Hermiston advanced one notch to No. 3 after whipping Pendleton. Klamath Falls, with last week's advance to No. 4, aided by a 77-52 victory over unranked Central Point.
South Salem, No. 9 last week, vaulted into No. 5 spot. South Salem beat Albany over the weekend, 66-51.
South Eugene, tied for seventh in the previous poll, advanced to No. 6 after beating North Eugene and Roseburg. The defeat helped drop Roseburg out of sixth-ranking last week into the also-ran division in the present poll.
Spangfield, No. 10 last week, moved up to seventh on the strength of its victory over Marshfield and its 73-41 triumph over Willamette of Eugene.
La Grande beat Baker twice but dropped from No. 7 to eighth spot. Cleveland, upset 52-47 by Jefferson in a Portland League game Friday, dropped from third to a ninth-place tie with David Douglas this week.
Seven of the top 10 teams already have won berths in the state tournament, to be played at Eugene March 15-19. They are: Marshfield, Hermiston, Klamath Falls, South Salem, La Grande and David Douglas. Beaverton and Sandy also have qualified.

Cincy, California Remain Nation's Best Cage Teams

The top ten college basketball teams in the country, with Oscar Robertson's Cincinnati Bearcats leading, automatically qualify for the NCAA tournament if they return to the top ten in the tough league.
Overwhelmingly chosen as the nation's top-ranked club in the Associated Press poll, the Bearcats went out Monday night and clinched at least a tie for the Missouri Valley Conference championship with the record-breaking Big O scoring 74 points in a 110-64 thumping of Tulsa.

The Bearcats, who drew 70 first-place votes and 206 points in the weekly balloting of sports writers and casters, automatically qualify for the NCAA tournament if they return to the top ten in the tough league.
Ohio State, No. 2, nailed an NCAA berth by copping the Big Ten championship while defending title in California, third-ranked in the latest accounting. Monday was selected for an at-large berth.
The Buckeyes collected 26 first-place votes and 1,356 points to edge the Bearcats, who polled 20

first-placers, by 94 points for the runner-up spot.
Bradley's Braves, running behind Cincinnati in the Missouri Valley race and fourth-ranked nationally, likely will go to the NIT in New York's Madison Square Garden if they fail to make the Bearcats.
Fifth-ranked West Virginia and All-American Jerry West captured a place in the NCAA classic with a weekend triumph in the Southern Conference's championship playoffs.
Utah's Skyline Conference leaders, who dropped to sixth this week, got into the NCAA if they maintain their lead over runner-up Utah State, 10th ranked. The Aggies likely will head for the NIT.
Georgia Tech, seventh-ranked and No. 2 in the Southeastern Conference, is in the NCAA by virtue of Auburn's ineligibility.
The Plainsmen, who hopped up to the 11th spot in the poll, took the SEC crown but still are on probation for recruiting irregularities.
Miami of Florida and St. Bonaventure, ranked eighth and ninth, also are tournament-bound. The Hurricanes were selected for an NCAA at-large berth. The NIT invited the Bonnie's.

Hornets' Jackson Top Pointmaker

Ray Jackson signed scoring honors for the Henley Hornets this season with a 11.9 average for 20 basketball games. Grabbing off a number two position was teammate Floyd Kendall who hit an 8.0 median.
Jackson's biggest point producing evening came against the Sared event against the Trojans February 9 when he dropped in 22 tallies to pace his club to a 62-51 victory. The senior guard threw hit 18

points for his next best efforts.
The Hornets concluded their season with a 524 seasonal mark by winning 11 and dropping 10. Their last defeat came at the hands of the Phoenix Pirates last Friday evening when they were bounced from a District 6 A-2 berth 34-22. The Pirates will meet Glide of the Umpqua League in the Roseburg tournament March 4.
Cage mentor Fred Hess will be looking for even a more successful season next year since he will lose only three seniors. Jackson will be a tough man to lose through graduation, but the other two seniors, Don Mills and Dick Reiling, were on this year's second unit. What Hess liked best was his junior varsity quint's excellent record of 18-1.
Next year Hess will be in a better position when he meets the second place club in the Rogue Valley league in the district playoff. His 6-foot, 6-inch center Kent Gooding will have a year's experience tucked under his belt and Larry Lugo, Bert Albritton, Floyd Kendall and Ray Chapman will return as starters. Coming up from the JV's will be Steve Reiling and Dick Thompson.

Dodgers' Drysdale Eyes Video

VERO BEACH, Fla. (UPI) — The world champion Los Angeles Dodgers feel it's just a lot of horse opera, but big Don Drysdale insists there is "a possibility" he might give up pitching in favor of catching some of those western outlaws on television.
Drysdale has had a taste of TV acting, liked it fine and drew surprisingly warm notice from the critics.
"I'm definitely interested in a television career," said the tall, good-looking Dodger right-hander, buttoning his blue windbreaker after making a couple of laps around the outfield.
"Look at what it did for Chuck Connors. He's making more money now as 'The Rifleman' than he ever could have possibly hoped to as a ballplayer. Frankly, I think I like TV acting more than pitching. It's a lot easier. And if the money is right, you always have to go where the hand is feeding you."

So before coming to spring training last year I worked out four days a week. That may have been the reason I began tiring last August. Now I'm looking for the happy medium."
The 23-year-old fast-baller from Van Nuys, Calif., walked into the clubhouse, helped himself to a sandwich and an apple and sat down in front of his locker.
He talked about pitching, about acting and about how much there is to learn in both fields.
"I found it wasn't hard memorizing lines," he said, dwelling some more on TV. "It's much harder expressing yourself. The toughest job of all was learning to draw a gun quick from my holster in 'The Lawman.' You have to hold your hands a certain way and you have to get that gun out all in one motion. It takes hours and hours of practice."
Big Don demonstrated the draw against the belt of his baseball uniform.
For an instant there, a stranger might have thought they went thataway.

Willamette and Portland State, which shared the OCC title, play in the second game at 9 p.m.
The winners will meet for the championship and the losers for consolation honors Wednesday night.
The district champion will go to Kansas City for the national playoffs later this month.

Willamette Set For Viks

SALEM (AP)—Defending champion Linfield and Willamette, the 1960 Northwest Conference titlist, are co-favorites in the district 2 NAIA small college basketball tournament, opening here tonight.
Southern Oregon, Oregon Collegiate Conference co-champion, and Linfield, Northwest Conference runner-up, meet in the opener at 7 p.m.
Willamette and Portland State, which shared the OCC title, play in the second game at 9 p.m.
The winners will meet for the championship and the losers for consolation honors Wednesday night.
The district champion will go to Kansas City for the national playoffs later this month.

USF Mentor Through

SAN FRANCISCO (AP) — Phil Woolpert, whose University of San Francisco Dons won 60 straight basketball games and NCAA championships in 1955-56, will coach no more. Woolpert, 43, has been on a year's leave of absence for health reasons. Now, he says, he is resigning for good. Ross Giudice, Woolpert assistant, took over the head coaching job when Woolpert's leave of absence began.
WILT TOP ROOKIE
NEW YORK (UPI)—Wilt Chamberlain of the Philadelphia Warriors has been unanimously voted the National Basketball Association's top rookie and most valuable player for 1959-60 by the New York Metropolitan Basketball Writers Association.

Television reviewers said he appeared "natural, thoroughly at ease and not forced."
"That's more or less his pitching style, too, something the Dodgers are far more concerned with than any possible future he may have in front of the TV cameras.
Drysdale had a 17-3 record last season and thinks it could have been better had he not run out of gas near the end of the campaign.
"Two years ago," he said, stuffing his glove in his back pocket. "I took it real easy in spring training and got off to a rotten start. I wound up 12-13 that year."

Umpire Confab Set

An umpires' meeting has been called by Hi Hatfield for Thursday evening in the City Park and Recreation Department at 7 p.m. in the city hall. Hatfield said that all umpires for the Klamath School District, Little League, Babe Ruth League and for other summer baseball leagues should attend the meeting.

Pelican Matmen Undergoing Drills For SOC Tournament

The Klamath Union wrestling team is undergoing strenuous workouts this week under the watchful eye of Coach Clarence Duncan, as the Pelicans prepare for the all-important District 6 A-1 wrestling tournament to be held on the Hedrick Junior High School mat March 4 and 5.
Weigh-ins for the tourney will begin at 9 o'clock with the matches beginning at one. The winners and runners-up will be able to compete in the state tournament March 11 and 12 at Oregon State's Coliseum.
The breakdown of scheduled events will be the quarterfinals starting at 1 o'clock. At 12:15 on Saturday the semifinals begin with the consolation following at 4 o'clock. The championship clashes are slated for 7 o'clock.
The distribution of points are 10 for a first, seven for a second place, four points for a third and two tallies for a fourth place. If an entry advances from one division to another and is successful, Duncan said he "figures to place between eight and 11 men in the district tourney that should go to Corvallis." As far as team scores should run in this week's climax, Duncan thinks that Grants Pass and his club should fare the best. Crater, which is very strong in wrestling this year, had no match with the Whitebirds who finished the season at 8-3.
In league action the Pelicans massacred a weak Ashland crew 51-3. In dual matches with both Grants Pass and Medford, the KU varsity picked up splits. Klamath defeated the Cavemen 22-19, and in a later match the GP squad turned around and handed the Pels

a 22-20 loss. The Whitebirds downed the Black Tornadoes 35-13 with the Medford team avenging the loss and picking up their first win over KU in history 24-22.
In the 96-pound division Milo Crumrine and Gary Head will represent the Pels. Crumrine, a junior, has won 10 with one draw. His record indicates a first place in the districts.
The Cavemen's Lee Rolley looks like a strong contender to nab the 106 weights. Pelican freshman Dave Velkos has a 1-1 seasonal record on the varsity mat.
Gary Leavitt will drop down from the 123 weights into the 115-pound division for the tournament. Grant Pass' Bob LaCombe will be a strong contender for first place. Larry Gibbs will also make the traveling squad for the Pels.
Filling in at the 123 weights for the KU matmen will be junior Sherd Duncan who holds a 6-1 seasonal mark. Duncan's roughest competitor will perhaps be Curt MacIntyre of Grants Pass.
In the 130's Coach Duncan believes that the Klamath Union entry Trenton Douglas "should win if he wrestles heads up." Douglas is a senior with a 7-2 win and loss record.
Dan Ross and either sophomores Eric Petersen or Dale Crumrine will represent the Pels in the 136-pound department. Ross suffered a 10-3 decision from the hands of Tornado Gary Fields earlier in the year and will attempt to avenge the setback this weekend.
Dave Gonzales holds one of KU's better marks with 8-1-2. Gonzales' goal will be to topple Les Holbrook of Grants Pass who grappled the 141-pounder to a draw this

Altenhofen Sparks Ports

SPokane, Wash. (AP)—Portland University evened its two-game series with Gonzaga Monday night with a 78-73 basketball victory.
Jim Altenhofen and Bill Garner spearheaded the Pilot attack, picking up 30 points between them. The outstanding scorer in the game, however, again was Frank Burgess, who tallied 39 points, 26 of them in the second half.
The contest was close throughout with the Portlanders holding a slim 31-30 halftime edge.

Jump Champ Set For Mt. Hood

PORTLAND (AP)—Jim Brennan Jr., Edmonds, Wash., the U.S. ski jump champion, is entering in the Mt. Hood Olympian jumping meet Sunday at Government Camp, Ore.
Brennan, who won his U.S. title a month ago at Iron Mountain, Mich., earlier had been edged out by a single point in competition for a place on the U.S. Olympic team.
Sadao Kikuchi and Koichi Sato, two Japanese skiers who competed in the Olympics, also are entered in the Mt. Hood jump.

Squaw Valley Rapidly Decamping

SQUAW VALLEY, Calif. (AP)—The Winter Olympics site, jammed with 250,000 visitors during 11 days of spectacle and exciting competition, was quiet and nearly empty today.
The decamping by athletes, officials and spectators was amazingly swift and complete. By Monday noon the last national team, the Japanese, had departed from the Olympic Village.
The busiest action remaining in the Winter Games layout on which 20 million dollars of state and federal money was spent was in the dismantling and packing of timing and computing equipment.
Crews of workers went about the tedious task of cleaning up the mess left behind after the brilliant show was over.
But Squaw Valley won't stay quiet and empty long.
State of California authorities completed agreements with the Winter Olympics Organizing Committee to continue operations of the ice rink areas and the ski lifts without interruption.
The 4 1/2-million-dollar ice arena will be open free to the public until a scale of prices can be established.
Alex Cushing, who operates the ski lifts under a lease arrangement, said lift and rope tow prices would be the same as before the Olympic committee took over control for the games.
The scale is \$5 for an all-day ticket on six lifts and \$2.50 a day for the rope tows.

Jordan Title Sanctioned

PROVIDENCE, R.I. (AP)—The National Boxing Assn. today sanctioned Dog Jordan's welterweight title defense against Benny (Kid) Paret of Cuba.
NBA President Anthony Macaroni announced the group's approval upon receipt of a wire from the California commission stating Jordan had passed his medical test.
The NBA had refused sanction until Jordan passed the physical following a court fine for drunken driving.
Jordan is expected to meet Paret in Las Vegas May 20 or 27.

Giant Hurlers Have Edge

PHOENIX, Ariz. (AP)—The throwers were ahead of the batters.
That's how Manager Bill Rigney summed up Monday's opening session of spring practice by the San Francisco Giants.
There was, however, a notable exception.
Willie Mays, the \$85,000 center, slammed four home runs over the left field fence of Phoenix Municipal Stadium off as many pitchers.

Hull, Horvath Hockey Leaders

MONTREAL (AP)—Bobby Hull, with nine points in two weeks, headed Boston's Bronco Horvath for the scoring lead in the National Hockey League — each with 73 points — according to statistics released today.
Hull, the mainstay of the Chicago Black Hawks, has been able to take advantage of a scoring famine by Horvath, who has scored only one point in two weeks and got none last week.
Horvath has 27 goals, tops in the NHL, and 36 assists while Hull has 35 and 38. The season ends March 20.

No Wives' Says Buc's Murtaugh

FORT MYERS, Fla. (AP)—"No wives allowed on road trips this year," says Manager Danny Murtaugh of the Pittsburgh Pirates.
Murtaugh made the new rule Monday as the Pirates officially opened spring training.
"We generally play mostly night games, and during the day a player might want to take his wife sightseeing or something like that, and it tends to tire a fellow out," said Murtaugh.
