

Pelican Cagers Earn All-Star Berths

The Klamath Union Pelicans and the Medford Black Tornado each placed two men on the 1960 Southern Oregon Conference All-Star basketball team released today by the Medford Mail Tribune. The remaining berth on the first five was claimed by Grants Pass. KU senior guard Paul Bishop and junior forward Bruce Brickner were named by Medford's Jerry Anderson and guard Dick Ragsdale and Rex Benner of Grants Pass on the All-Star first team. Pelican sophomore Gary Patzke was selected to the second team which, because of a tie in the voting, contained six players. Chuck Turner and Dave Sharp of Crater, Bob Quinney and Ken Durkee of Medford, and Larry Janssen of Grants Pass comprised the remainder of the second unit.

The All-Star selections were made by the coaches and players of the five SOC participant schools. Balloting was conducted on an all-opponent basis with no votes allowed for members of their own teams. Two points were awarded for a first team vote and one for a second team selection. Players receiving 16 points were unanimous. Three players, Bishop, Anderson

and Benner, received 16 points each. Brickner collected 14 points and Ragsdale 13. Medford's Lowell Dean with five points, led players awarded honorable mention. Dan McIntire, Grants Pass, and Jerry Shull, Medford, each received four points. Dean Dunson, Pelican guard, and Dennis Edwards, Crater, each collected three points. Ashland's Phil Tucker and Crater's Loyal Higanbotham rounded out the voting with two points each. Bishop, Dunson, Brickner and Patzke, in that order, topped the KU scoring for the conference season. Bishop averaged 16.4 per game, Dunson 9.7, Brickner 9.4 while Patzke hit at an 8.0 clip. Figures were not available on the scoring of the other all-star selections.

NY, Mantle Rift Widens, Barbs Tossed

You'd think between them the wealthy New York Yankees and howling impresario Mickey Mantle could spare \$1.71 for a phone call that might lead them to strike a compromise over the slugging outfielder's salary demands. The breach between the two parties, however, seems to be getting progressively wider with no immediate hope of either putting through the call between Mantle's Joplin, Mo., home and the Yankees' St. Petersburg, Fla., spring training camp.

Mantle, continuing firm in his holdout siege, threw the most recent barb in the dispute Monday. "I honestly don't believe I'll be getting to St. Petersburg this year," he said.

Mantle's meaning was clear. He said he wasn't "fooling" or trying to "bulldoze" the Yankees but "when I said I wouldn't call them or go down there to talk, I meant it."

George Weiss, general manager of the New York club, said with finality last week the club was through trying to negotiate with Mantle, who slumped to a .285 batting average last year and drove in only 75 runs as the Yankees fell to third place.

The difference between the Yanks and Mantle amounts to quite a bit. Mantle said he is willing to take a cut, but nothing near the reported \$15,000 since the Yanks want to take out of his estimated 1959 salary of \$75,000.

A trade rumor also began at the Yankee camp when Detroit General Manager Rick Ferrell came in.

Owl Hoots Elect Leaders

At the regular weekly meeting of the Owl Hoots held Monday night, Elmer Belcastro was elected president of the club to serve through the coming year.

Belcastro replaces Estin Kiger at the club helm. Kiger steps into a seat on the board of directors.

Charley Schuss was selected to serve as vice president. The office of secretary-treasurer, currently filled by Bill Hall, was left empty when Hall, who was renominated, asked to be excused. The vacant post will be filled at the club's next meeting on Monday, March 13.

Voted places on the board of directors, in addition to Kiger, were Sherm Ackerman, Keith Henry, Loren Binney and Wayne Scott.

Hoods Hit Cage Coach For Winning

SPRINGFIELD, Ill. (AP)—The Springfield Board of Education says it may bar the public from future basketball games featuring Springfield High School, Illinois state champions last year.

The board's action Monday night stemmed from the harassment of the school's basketball coach, Ray Page, and his family. The trouble, it appears, is the result of the team's continued good showing this year.

Recently vandals broke windows in Page's home. Earlier, tires on his car had been slashed and the convertible top damaged. The family has been bothered by mysterious threatening telephone calls.

Page, 38, expressed bewilderment about the vandalism and harassment. However, he said his team's record of 25 wins and 4 losses may be the cause. There are three other high schools in Springfield.

"There's always a certain amount of resentment over the team's success," Page said. He said an anonymous caller recently told him if the team won any games at the sectional tournament this week "you have only a sample of what's going to happen to you."

ATHENS, Ga. (AP)—J. B. Whitworth, 51, an assistant football coach at the University of Georgia is dead of a coronary occlusion. His body was discovered in his home Monday. The coroner said he had been dead at least two days. Whitworth, last seen Wednesday, was not missed because he was scheduled to make a recruiting trip last Thursday. University offices were closed Thursday, Friday and Saturday because of severe weather. A native of Blytheville, Ark., Whitworth served as assistant coach at Alabama, Louisiana State University and Georgia before head coaching stints at Oklahoma A&M and Alabama. He returned to Georgia a year ago as line coach.

Cal Meets ISC; Utah Whips USC

By THE ASSOCIATED PRESS California and its redoubtable Bear-Hug defense opens a bid for another national basketball championship tonight as the NCAA tournament picks up with a six-game program.

The Bears of Pete Newell, back with a brilliant 24-1 record and a No. 2 national ranking, play Idaho State's Rocky Mountain Conference champs (21-4) in a first-round game in the NCAA's West regional at San Francisco. Ohio U. faces Notre Dame and Western Kentucky clashes with Miami of Florida at Lexington, Ky., and New York U. faces Connecticut. West Virginia plays Navy, and Duke clashes with Princeton in a tripleheader in New York. Each of the six winners goes on to regional semifinals next Friday.

The first-round firing in the NCAA tournament began Monday night with Utah's Skyline Conference titlists whipping Southern California 80-73 in a West regional opener at Provo, Utah, and DePaul whipping Air Force 69-63 in a Midwest regional preliminary at Chicago.

DePaul, getting 24 points from 5-9 Howie Carl, takes a 16-6 record against Cincinnati's Missouri Valley Conference champs at Manhattan, Kan., next Friday. Utah, now 25-2, advances to the West semifinals at Seattle against the winner of Wednesday night's first-round game between New Mexico State and Oregon. A playoff game at Manhattan, Kan., Wednesday night between Big Eight co-champs Kansas and Kansas State—plus tonight's six first-round games, and the New Mexico State-Oregon game on Wednesday—completes the field of 16 for the four regional semifinals Friday and Saturday.

Those four survivors advance to the San Francisco Cow Palace for the national NCAA semifinals and finals March 18-19. Here's the way the regionals will match up March 11: Eastern at Charlotte, N.C.—Duke-Princeton winner vs. St. Joseph's (Pa.); West Virginia, Navy winner vs. NYU-Connecticut winner. Santa Clara (21-8) won the West Coast Athletic Conference's NCAA berth last night, beating Los Angeles Loyola 59-53 after both teams tied for the conference.

Only two important non-tournament games were on the Monday schedule. Cincinnati, with Oscar Robertson scoring 25 points and Ralph Davis 27, wound up a 25-1 regular season by routing Xavier of Ohio 86-68. Heading for his third straight national scoring title, Robertson enters tournament play with 899 points in 26 games for a 34.6 average. St. Louis, third-seeded for the National Invitation Tournament opening Thursday in New York, pushed its record to 19-7 by downing Louisville 86-60 as George Bur-

ke had 19 points and Pete McCaffrey 13. Kansas tied idle K-State for the Big Eight conference title with a 79-74 decision over Nebraska. After the game, a draw from a hat set the playoff for K-State's home floor at Manhattan, Kan., on Wednesday. Billy (The Hill) McGill, a 6-9 sophomore, led Utah to its victory over Southern Cal, hitting 27 points.

Malin Aims For Tourney

The Malin Mustangs, champions of District 3B, will stake a 21 game winning streak against Halfway Thursday evening in their initial clash in the State B Tournament held on the Baker High School gymnasium.

The Mustangs boast a 23-5 record for the year with impressive victories in the county tourney played on the Oregon Tech maplewood several weeks ago and recent triumphs over St. Mary's in the district tourney last weekend. Malin overcame jittery starts in both encounters with the Crusaders to win 44-40 and 37-36.

Coach Bob Graham of the Malinites will start his regular starters against Halfway. At the for-

wards are Rick Illian and Jim Long at the guard positions. Randy Miller and Larry Rick, and playing the pivot will be Dave DeMerritt.

Sophomore Larry Rick found the range for the first time this season in the two clashes with St. Mary's. The six-foot guard sparked his teammates in the first game with 17 points and came back the next evening with 11. Rick's previous highs were 12 points which he hit twice during the season.

Champions in their own district are the Halfway Tigers which play basically the same type of basketball both offensively and defensively as the Mustangs. Halfway holds a 25-3 season's record and

went through the conference undefeated.

In their district playoffs last weekend the Tigers managed to win two out of three against Josephs. Halfway copped the first game 53-47, but apparently fell to pieces the following evening by dropping a 72-49 decision. However they came back strong in the championship encounter to win 53-44.

The Tigers boast an awesome starting five. At the center position is 6-foot, 5-inch Jan Downey. Downey is a junior who averages about 12 points per game and is the clubs leading rebounder. Dave Moore, captain, plays forward, averages more than 16 points per game and stands an even six feet. At the other forward slot is six-foot, two-inch Glenn James. James tallies about 16 points per game. Filling in at the guard positions are Ed Ford and Don Reed. Ford is a five-foot, seven-inch senior who is the team's playmaker. Reed is a five-foot, nine-inch junior and tallies about 13 points every game. Reed was compared by Tiger coach Dave Zachry as a terror with a jump shot from the outside.

Rounding out the rest of the team are guards Dave Huff and Paul Lytle, forwards Bob Masterson and Jerry Rickman and center Wayne Tyler.

The state tourney begins play at 2:30 on Thursday afternoon with Pilot Rock pitted with Powers. In the other afternoon session ball game is Santiam against Knappa beginning at 3:45. Thursday's evening session will find Malin vs. Halfway at 7:30 followed by the 8:45 encounter between Alsea and Sherman.

The remainder of the scheduling finds: Friday 2:30 — losers of Thursday's afternoon session. Friday 3:45 — losers of Thursday's evening session. Friday 7:30 — winners of Thursday's afternoon session. Friday 8:45 — winners of Thursday's evening session. Saturday 2:00 — winners of Friday's afternoon session. Saturday 3:30 — losers of Friday's evening session. Saturday 8:45 — winners of Friday's evening session (championship).

Rozelle Plans For Dallas II

LOS ANGELES (AP)—Pete Rozelle, National Football League commissioner, has evolved a plan for stocking the league's new team at Dallas with 36 experienced players.

Here's how the Rozelle proposal, which may be submitted for ratification this weekend at the NFL meeting in Los Angeles, would involve the clubs:

Each team would submit to the commissioner a list of 24 players which could not be drafted from its roster. The roster could include any players on the injured list at the end of the 1959 season.

Each club then would submit a secret list of players eligible for draft by Dallas. From this Dallas could select not more than three players from each, and not more than one player from each position.

Little Leaguers Meet

The South Suburban Little League will hold an organizational meeting Wednesday night at 7:30 in the Peterson School, said league president Gary Dawes.

All coaches, managers and sponsors are urged to attend. Plans for the coming season will be discussed in addition to problems concerning available playing sites.

Student Newspapers Decry Big Ten Plan

Student newspapers at Big Ten schools attacked a proposed ban on post-season sports on general grounds "it would turn their conference into a 'little ten,' or a replica of the Ivy League.

Newspapers "at three of the schools commented on varying days and in varying ways in editorials decrying a conference decision to end the Rose Bowl pact and a proposal to eliminate all post-season contests.

Conference athletic directors and faculty representatives will vote on the final ban at a May 18 meeting at East Lansing, Mich. It was at East Lansing, home of Michigan State University, that the student daily newspaper, "The State News," suggested naming the conference the "Little Ten" to avoid desecrating the name of the Big Ten of yore.

Lose Student Pride "The State News commends the Big Ten, in its traditional form but until conference academic representatives kill the strategy proposal of the athletic directors that all post season sports competition by member schools be barred, our conference will no longer have its aura of bigness," the editorial said in a paper published Monday.

At Illinois, Urbana, Ill., the student newspaper, "Daily Illini,"

said in an editorial Tuesday that athletics "creates solidarity and university pride" on the national scale as well as at conference level. "To withdraw from the rest of the country athletically," the editorial said, "we believe would ultimately lead to loss of student pride and the destruction of the conference itself."

"End of Era" "Should the Big Ten continue to be one of the finest names in collegiate sports, or should the conference be relegated to the position of a 'once athletically powerful but now Ivy League type of confederation of Midwestern universities?" the Illini said.

The Ohio State "Lantern" ran an editorial Monday regretting the death of the Rose Bowl pact and entitled it "the end of an era."

The "Minnesota Daily" termed the post-season ban as "ridiculous" and said "it may hurt recruiting and make the Big Ten just a step behind the Ivy League."

The Iowa student daily was officially mum on the matter but carried comments from athletes who were "disappointed" and who predicted that top-notch high school athletes would not go to Big Ten schools.

If you're going to buy a low price car...be sure you get the better one!

Many people figure that since the car they are considering has historically had a "low-price" name it must be, in fact, a low-price car.

This, at one time, was true. But today the names of cars, as you may know, have very little to do with their prices. Many cars with traditional low-price names cost more than Mercury—a name you have always associated with higher price cars. Our point is this:

Some new-car buyers are skeptical when we tell them this price story. Here are some of the questions they ask—and our answers:

Q. "Do you mean Mercury is now a low-price car? Did you reduce prices?"

A. "Yes, Monterey prices are now \$174 lower, and include many extras that are now standard equipment."

Q. "But in your price comparison, aren't you talking about a 'stripped' Mercury—with rubber mats, plain interiors, no equipment, no glamour?"
