After Unexpected Delays Circuit Court Trial Begins

The trial of Leon Pearson on charge of robbery by force and violence opened in circuit court Thursday after several unexpected delays.

First, Pearson did not appear in court at the scheduled 9:30 a.m. starting time. The defendant, free on \$2,500 bail, did arrive at 9:50. He indicated he thought trial time was 10 a.m., the customary starting time for circuit court trials.

The trial was delayed a bit when defense attorneys David R. Vandenberg Jr. and William Bradshaw asked for a continuance until two witnesses could be located.

The witnesses who could not be found for her trial were Jack DeLorme and Annette Kirk of Chiloquin. The defense maintained that DeLorme, last known to have been in Redding, was needed to prove Carl W. Tomlinson was present and unharmed when Pearson and Mrs. Williams left the Alice Hood residence last July 29, and that DeLorme and Pearson had a scuffle between themselves at the time Pearson and Mrs. Williams allegedly attacked Tomlinson on a Chiloquin street, robbed him of \$180 and a watch, and left him lying in high grass.

A state witness to the beating was 8-year-old Roberta Kirk. The defense maintained Annette Kirk was holding the child's hand at the time Roberta said she saw the alleged attack.

Safety Rules Given Okay

The county court approved and sent to the State Marine Board Wednesday recommended safety regulations for Lake of the Woods boaters, skiers and swimmers.

The regulations, proposed by the Lake of the Woods Recreational Association and reviewed at a public hearing, would provide: 1. A 10 m.p.h. speed limit for boats within 200 feet of shore.

2. That boats could not approach within 200 feet of any other boat "in a reckless or negligent manner." 3. A 20 m.p.h. speed limit at night.

4. No water skiing within 200 feet of shore except for landing and launching. 5. No swimming beyond 200 feet of shore.

6. That observers ride in water ski tow boats on Sundays and holidays. The State Marine Board, created by the 1959 Legislature, could enter the regulations into law, but not before it also calls a public hearing on the proposals.
