During the business meeting matters to be presented at the state conference were discussed. Mrs. J. M. Ager and Mrs. A. O. Roenicke represented the chapter at this conference held at Eugene March 9, 10 and 11. Their reports will be made at the April 4 meeting at Fremont School.

Mascara, I think, is as important to your make-up as your lipstick. . . . Especially if you use it right. Lashes that have been darkened by mascara make eyes appear larger and brighter. A theatre trick that works as an evening trick is to tip mascara-darkened lashes with a mascara or eye shadow that's a shade lighter than the eyes. . . . Even small narrow eyes seem wider open when tipped with color. . . . If your own experiments with make-up fail to flatter, seek salon help. Never underestimate its value. Actresses and models don't. One session with an expert can give you a lifetime of help. . . .

YES a CHANGE of HAIR STYLE — a CHANGE of COLOR too — can literally have you "floating on air" . . . Let our Skilled Hairstylists PROVE this to YOU at HOUSTON BEAUTY SHOP . . . Open 9 A.M. to 5 P.M. Mon. thru Sat. . . . AMPLE PARKING . . . Phone TU 4-3316 . . . 500 MAIN STREET.
