Grey Wolf Found, Slain By Area Man

By IRVIN FARIS NEW PINE CREEK - Maurice Morton of Willow Ranch, California, killed a shaggy coated grey wolf recently around noon, down on the Lawrence Smith ranch about six miles south of here. He judged the animal to weigh around 55 pounds, and thrown in back of his pickup. It created considerable excitement as crowds gathered around for a look. The queer looking, frosty-grey dog was first sighted in the yard of Leland Harris, and later in the Rudy Ekstrom front yard near domestic dogs, where it took an old partly eaten rabbit away from one of the dogs. Lee Doss, mail carrier, had swerved his car to keep from hitting it as he came up Saturday morning near the Harris place, but he assumed it to be an odd looking old dog, he said. Postmaster Buna Faris was sure she saw it crossing unconcernedly in front of her car Friday evening. She thought of the wolf athletes had seen but concluded it was just another funny looking old dog because it was so tame. Game Warden Baxter of Alturas upon hearing of the unusual kill, came up Sunday and definitely identified it as a wolf. He took the head with him for verification purposes—mainly to determine if it were pure wolf or crossed with a dog or coyote—and to make certain it was not rabid. The tame nature of the beast aroused some suspicion as rabid animals are known to be unafraid, traveling a lonely, aimless, preoccupied course while going through a certain stage of the disease. The warden also said the skull might be wanted for an exhibit in the state museum as only two other wolves have been recorded killed in California. One of those was over in the Garden west of here back in 1924. The animal was not poor with some fat showing on the pelt after it was skinned out. It, too, was not a young animal as some of its teeth were missing and worn down as well as its claws.

Gambling, Vandal Charges Dot City Police Blotter

City police detectives arrested Harry Clik who operates the Army Tavern on Main Street, Sunday, and charged him with violating the gambling ordinance. He forfeited \$100 bail to municipal court Monday. Officer said they found a punch-board with some numbers punched out of it in the rear of the tavern while they were on routine duty. Police also received numerous complaints of thefts and vandalism and other misdemeanors over the weekend. George Hrzizisce, 2518 Patterson Street, complained that thieves broke a window in his car as it was parked Saturday evening or early Sunday morning at Eighth Street and Klamath Avenue, and made off with an overcoat, a suit, a pair of shoes and a briefcase. He found the shoes and case nearby on the street later, he said. Don Backus, 2444 Pershing Way, told police Sunday that his 1955 Ford station wagon was badly damaged by someone who stole it from its parking place on Oak Avenue between Sixth and Seventh streets Saturday night. Backus said he looked for the car all night and found it Sunday morning wrecked and abandoned on Lake of the Woods Road near a bridge crossing Geary Canal. The left window, door and rear fender were broken and mangled. Carl Carr, 2607 Tarnage Avenue, reported his son's 20-inch bicycle was stolen from his home's front porch Friday evening or Saturday. He said the bike has fenders but no chain guard, is red, with a black and white-striped seat. It has no light nor license, he said, and the bike is rusty in spots. He valued it at \$40. Melvin Smith, Route 1, complained he saw two boys throw rocks at his car as he motored on Lakeshore Drive Saturday afternoon near Moore Park. The rocks hit his car, he said, but caused no damage. The boys were last seen running up a nearby hill. E. M. Causey, Klamath Falls, said vandals removed the valve cores from two tires on his car flattening them as he attended services in the First Baptist Church at Eighth and Washington streets Saturday night. The vandals also broke or stole a church night light, he said. R. H. Minchinton, 419 North Tenth Street, told officers someone threw a beer bottle through a window of his car as it was parked Saturday and Sunday at that address. The window was shattered. And Fred All, 1631 Nimitz Street, reported to officers a youth threw a beer bottle out of a moving car in the ramp of the Jay Hawk filling station on South Sixth Street Sunday evening. The bottle scattered glass over the ramp, he said. In other action, officers arrested three Oregon Technical Institute students at Klamath Auditorium for possession of liquor. The three were Patrick Kermit McDaniel, 20, Ernst Harry Schoenborn, 18, and John Wayne Erbe, 20. Erbe and Schoenborn were sentenced to pay \$25 or spend five days in jail in municipal court Monday. McDaniel forfeited \$25 bail.

He was transferred about 1930 to the White River, Arizona, Indian Service and was retired six years ago. Survivors include the widow, Maude, Santa Cruz; his mother, in Seattle; two stepdaughters, Mrs. Jessie (Billie) Weaver and Mrs. Letha Davis, Portland; two brothers and a sister, addresses unknown, and a brother-in-law, Harry Engle, Fort Klamath. Funeral services and interment will be in Santa Cruz.

Car Accidents Occupy Police

Jay Lewis Sessler, a 22-year-old Oregon Technical Institute student, missed a slight curve while driving on Klamath Avenue early Sunday morning. His car smacked into a sidewalk, city police said, then bounced off and careened 180 feet through a stop sign and street sign, two lightpoles on the Juckeland Motors used car lot and into four Juckeland vehicles. Officers said Sessler apparently was speeding. He was charged with reckless driving. He was not injured. The four parked vehicles were damaged considerably as was Sessler's car, officers said. The signs and light posts were ruined. Police also investigated an injury accident on South Sixth Street near the intersection of Broad Street Sunday afternoon. They said David Joel Bernard, 10, 2161 Vine Avenue, the driver of one car, and Alma Tecumseh, a passenger in a car driven by Stanley L. Tecumseh, 22, 301 West Main Street, were treated for minor injuries. Bernard received a small facial laceration, and the woman a sprained ankle. Officers said Bernard told them he didn't see Tecumseh in the parallel lane when he attempted to change lanes. Both cars were damaged considerably. No citations were issued. City police also investigated a number of other auto accidents over the weekend. Vaughn P. Whitmore, a city police patrolman, said his patrol car was damaged on the left side by a car driven by Gloria B. Moore, 1609 Elma Street, as he motored her past the patrol car early Saturday morning. Whitmore said he opened his car door too soon as the Moore car was nearly past. The door hooked in the other car's rear bumper. Whitmore said he was double-parked with his red light blinking. He issued no citation. Fred Fernlund, Bonanza, complained to officers someone turned right from the inside lane of South Sixth Street onto Spring Street while he was starting out from the inside lane Saturday evening. He said he was unable to avoid striking the other car. The other driver stopped, but immediately drove away, he said. Damage was minor. No injuries resulted. Norman M. Hale, 1309 Nimitz Street, was cited for failure to yield right of way to a vehicle driven by Hattie Juanita Eastman, 1519 Lookout Avenue, at South Sixth Street and Shasta Way Saturday evening. The two cars collided head-on, officers said. Neither driver was injured. Both cars were damaged considerably. Refugio Esqueda, Chiloquin, also was charged with failure to yield right of way to a vehicle Saturday evening. Esqueda was making a left turn into the Fortune filling station on South Sixth Street and struck an oncoming car driven by Willard Norman Jessup, 5056 Harlan Drive, officers said. Both cars were damaged moderately. Neither driver was injured.

Three Suffer Injuries In Weekend Car Wreck

Two of three youths who had been pinned under their car on Lakeshore Drive Sunday were reported in good condition in Klamath Valley Hospital today. The youths were injured in one of four weekend accidents reported by state police. Officers said the car driven by Terry Lloyd Gathwright, 18, 2523 Patterson Street, was headed toward the city when it failed to make a curve, skidded, and landed in a ditch on the left side of the highway. All three occupants were thrown from the car and were pinned under it. They could not be removed until a wrecker raised the car. They were taken to Klamath Valley Hospital by Peace Ambulance. Gathwright and a passenger, Betty Yancey, 18, 4009 Homedale, were reported to have sustained a fractured pelvis. Each was in good condition. A third occupant, Russell Wayne Long, Route 2, was admitted Sunday but released later that day. The accident occurred about 1 p.m. Sunday in front of 2515 Lakeshore Drive. Police reported these other accidents: About 4 p.m. Sunday a car driven by Alma Hall was turning into her driveway at 3423 Altamont Drive when it was struck in the rear by a car driven by Delbert Ralph Foltz, 3313 Boardman Avenue. Police reported slight damages, no injuries. About 4:30 p.m. Sunday a car driven by Don William Caldwell, Route 2, pulled out of the Midway Tavern parking lot, ran across State Route 39, and struck a car driven by Della Mae Corpening, 5608 Shasta Way. The Corpening car skidded out of control across the highway and landed on its top. Neither the driver nor a passenger, Myrtle Harris, 935 Front Street, were injured, but their car was badly damaged. Cars driven by George Roy Schreiber, 3325 Altamont Drive, and Leo Eugene Fies, 23, OTI, collided on the OTI Road about 5 p.m. Saturday. Police said Schreiber was attempting to pass another car when he saw Fies approaching. Both pulled onto the same side of the road. No injuries were reported.

Court Begins Murder Trials

The first of two consecutive murder trials for Michael Joseph, a 32-year-old ranchhand, opened with selection of a jury in circuit court today. Joseph faces two charges of first degree murder. In the trial opening today, he is charged with killing Harry Denman, 56, with a 30-30 rifle shot. His first degree murder trial in the death of Okay Richards, 34, is scheduled to follow. Both shootings occurred September 29 on the Delbert Lang Ranch 15 miles northeast of Chiloquin. Freeman C. Murray, one of two defense attorneys appointed by Circuit Judge David R. Vandenberg, told a prospective jury today that Joseph "does not deny these shootings. The only controversy is his claim of self defense." Appointed to serve with Murray was Attorney David Card. Both attorneys were named after Joseph demanded dismissal of his two previously-appointed attorneys, Richard C. Beesley and P. K. Puckett. This demand Joseph made in a stormy session in court last January 29, three days before his trial was to have begun. Murray and District Attorney Arthur Beddoe, representing the state, began the involved process of questioning prospective jurors as the trial opened. The first prospective juror, I. B. Morris of Bonanza, was excused after he said he had formed an opinion in the case. Indications were that selection of a jury would take considerable time. Joseph was accused of the shootings that resulted from an involved argument at the ranch last fall. At the time of his arrest, Joseph said the victims had threatened to cut him with a knife. He was lodged at the city jail.

Escapace Caught

A Southern Pacific railway agent arrested Charles Brann, about 40, an escapee from the Fairview Home in Salem, Sunday afternoon. Brann was found wandering in the SP yards. He admitted having escaped from the institution a few days ago. A teletype confirmed his admission. Fairview personnel said they would pick up Brann immediately. He was lodged at the city jail.

Police Seek Tubing Owner

City police are asking the person who is missing a roll of copper tubing to pick it up at headquarters, Fifth Street and Oak Avenue. They believe the tubing probably was stolen from someone's car. Officers also would like to hear from the person who found a rose-colored billfold lost by Grace Hugelmann, 2221 Applegate Avenue, Friday evening either at the Klamath Auditorium or in the downtown area. The wallet contained cards and photos but no money. They also are asking the return of a wallet lost by Warren Sorahan of Chiloquin Saturday in the downtown area. The wallet contained \$63 and various licenses and cards, he said. It is of brown leather and is badly worn. Officers thanked Ralph Freed, 615 North Eighth Street, for turning in a billfold he found in the city over the weekend. The billfold was claimed by the loser. It contained \$17 and cards and pictures.
