

GRANGE NEWS

POMONA
NEW PINE CREEK—About 64 grange members representing five different granges in the county, assembled in the grange hall here recently for a Pomona Grange meeting. Don Simms, Valley Falls grange master, presided.
There was discussion on the heavy lamb and beef importation from New Zealand and its effect on the home market. Members voted to have a resolution drawn up to mitigate the effects of such importation. The resolution will be presented at the next meeting.
A resolution was also approved regarding paying at the outside entrance to the Oregon State Fair to relieve awkwardness caused to persons coming from long distances.
Dinner was served at noon and a joint program was put on by various representatives of the different granges. A pianologue was given by Mrs. Blanch Young, accompanied by Mrs. Laura Newton, both of Valley Falls. Donna Riggs played a flute solo, accompanied by Rosetta Hyatt. Both were from Eastside Grange. Mrs. Marylin Beebe of Thomas Creek gave a reading and Mr. and Mrs. Bill Kinsey of Summer Lake presented a skit.

2 Escapees Captured

VANCOUVER, Wash. (AP)—Two young escapees from the Deschutes County Jail at Bend, Ore., were caught here Monday.
Police said they captured Thomas Ray Corbel, Harvey, Ill., and Louis Floyd Myers, Brightwood, Ore., speeding through a 35-mile-an-hour zone and driving a stolen car.
Officers said the two youths, both 18, admitted under questioning they broke out of the Bend jail Sunday night, took a car and drove to North Bonneville, Wash. The youths were quoted as saying they took a second car, the one in which they were captured, at North Bonneville.
Jailer Joe Maley at Bend said the two overpowered him and took his keys Sunday night as he was picking up their dinner dishes. Maley said the two then locked him and his wife in an empty women's cell and fled.
Police said Corbel was AWOL from the Marine Corps and was jailed March 8 for federal authorities. Myers was arrested Jan. 27, pleaded guilty to auto theft and was awaiting sentence.

Legal Chief Starts Probe Of Finch Jury

LOS ANGELES (AP)—The Finch case jury room may have been as full of sound and fury as the courtroom, according to reports reaching Dist. Atty. William B. McKesson.
McKesson, prompted by tales told by two jurors, wants to find out just what happened behind the locked door as the jury argued itself into a bitter deadlock.
His office Monday launched an investigation of reports of near-violent feuding and intimidation during the panel's eight days of fruitless deliberations.
McKesson said he was specifically interested in the report that one male juror threatened to throw a woman juror out of a second-story window.
Regardless of what the probe reveals, one thing is certain. It won't affect the outcome of Finch-Tregoff trial No. 1.
The state is now pressing for an immediate second trial for Dr. R. Bernard Finch and his mistress, Carole Tregoff, who are accused of slaying Finch's wife last July 18. A new date will be set Thursday.
McKesson said he will fight any moves to free the defendants on bail pending the second trial, which he said he would ask to be conducted just like the first—except for different prosecutors.
He said Clifford Crail was stepping aside because of his health and that Fred N. Whicheel wouldn't be able to handle the case again because of a crowded calendar at his regular assignment in a suburban court.
McKesson said his investigators have been ordered to check two women jurors' reports that a male juror sent them notes protesting after-hours trysts in their hotel rooms. The jury was locked up for 22 days in a downtown hotel.

British Firm Gets Red Order

LONDON (AP)—A British dress firm announced today it has received an order from the Soviet Union for \$200,000 worth of summer frocks.
Wallace Austin, head of the firm, said it is the first Soviet order for women's clothing received by Britain since the Bolshevik Revolution in 1917.
"They were particularly interested in youthful, casual wear. The material they preferred was jersey. The favorite color was light gray," he said.

EASTSIDE

NEW PINE CREEK—Fifty five Eastside Grange members and their families attended a recent hot supper night after which four new members, Cleon and Barbara Baker and Mr. and Mrs. Evert Lawson were given the obligation.
Home Ec Chairman Clem Mulkey reported fair attendance at the Home Ec Club meeting when Mrs. Dorothy Leehmann served as hostess. At the meeting, the ladies decided to hold a public card party March 19, following the next regular grange meeting. The party will begin as near as possible to 9 p.m.
Mrs. Mulkey also announced a county extension class was available if enough persons are interested.
Amy Cloud, county grange deputy, drew attention to the talent contest the state grange is conducting. For more particulars, any youngster interested in participating may contact her.
Secretary Alice Allen said she had several members on her attendance list eligible for 20-meeting pins. Some members have earned the five new membership awards. A ceremonial presentation of awards is in order, she said, for a meeting in the near future.
For the dance supper, ladies were asked to bring two or three items—cakes, sandwiches or salads.

Felon Safe - Temporarily

REDWOOD CITY, Calif. (AP)—Dist. Atty. Keith Sorenson says an Oregon state prison inmate is safe from California murder charges — for the time being.
Sorenson said Monday, however, that California will be patient and wait until David Turner, 19, gets out of jail. Then, Sorenson said, the murder charge will be pressed.
Turner, serving a three-year term for burglary, is accused of killing Victor Teall, 27, a San Francisco radio operator who vanished last Dec. 6.
After being arrested in Roseburg, Ore., Dec. 17, police quoted Turner as saying he pulled the trigger at Teall's request and dumped the body into the sea "because he wanted to commit suicide and didn't have the nerve to shoot himself."
Sorenson said California authorities had been forced to play a waiting game because Oregon law does not permit removal of a convict for trial in another state.

Official Aids Pig Roundup

PRINCETON, Mo. (AP)—"Who-o-o-o, pig, sootie!"
This mournful wail is not unfamiliar to northeast Missouri but it would have startled any native who ventured forth on U.S. Highway 138 east of here Tuesday night.
Crawling along the snow-packed road came a patrol car, red light flashing. At frequent intervals, the hog call sounded from inside.
Calling the hogs was Sheriff Clay Delameter. Answering the call were 102 hogs. They trailed Delameter's car a mile and a half from the scene of a truck wreck to a livestock barn here. Behind the hogs came seven autos, whose drivers volunteered for the roundup.
The truck was carrying 118 hogs from Unionville, Mo., to Kansas City when it overturned during a snow storm.

Congressman Blasts Reds

WASHINGTON (UPI)—Sen. Thomas J. Dodd (D-Conn.) today accused the Soviet Union of touching off the recent worldwide wave of anti-Semitic incidents.
Dodd, who was a prosecutor at the Nuremberg war crimes trials in 1945-46, also defended the record of West German Chancellor Konrad Adenauer's program of "denazification."
The Connecticut senator said Jews in the Soviet Union were "victims of a policy that can only be described as physical and cultural genocide."
Citing what he called examples of anti-Jewish policy, Dodd said the Soviet Union was conducting an anti-Semitic propaganda campaign "strongly reminiscent of Nazi Germany before World War II."
He put the blame on Russia in a 10,000 word analysis of recent anti-Semitic incidents. The speech, which Dodd was unable to deliver because of illness, was inserted in the Congressional Record by Sen. George Smathers (D-Fla.).
Dodd is recuperating in Florida from a collapse Feb. 27 from fatigue brought on by overwork. His doctors have ordered him to cancel all speaking engagements this month.

Big Prize Given To Housewife

LAND'S END, England (AP)—A plucky, 31-year-old housewife limped into Land's End today more than eight hours behind champion walker Wendy Lewis, but she got just as much prize money for the 891-mile race.
Instead of 500 pounds—\$1,400—offered for second place in the mass trek for women down the length of Britain, sponsor Ribley Butlin handed Mrs. Beryl Bandy of Walsall a check for twice that sum.

Headwaiter Indicted

NEW YORK (AP)—A former headwaiter at the Copacabana restaurant and night club has been indicted on charges of evading \$14,294 in income taxes.
