QUIPS AND QUOTES

All Praise to Dessert!

Dessert is something that, day after day,
We parents all owe a debt to,
It being what children will eat their way
Through meat and potatoes to get to.

Out Where a Ranch Is a Ranch

Our house is all one level
(No attic steps to trip on,
No basement, thus no basement steps
That one could break a hip on).
A house we planned for safety
(Point 1, the way we score things),
But what a problem when it comes
To finding room to store things!

Glad you're not wearing those open-toed kind of shoes."

The wife of a big-league baseball manager was packing his luggage for hubby's annual trip north for the season. "Now this year don't worry yourself into an ulcer," she advised. "The trouble with you, dear, is that you second-guess all night. When a game is over, forget it. Put it out of your mind. So

let's have no more of this brooding over the past. Right, dear?"

She gave him a kiss to send him off. As he walked toward a cab, she shouted: "But for heaven's sake, don't send in left-handed hitters against left-handed batters like you did last season!"
