

MRS. DOROTHY LEIKER, on the job as receptionist at Klamath Valley Hospital, greets and bids goodby to dozens of patients daily. She takes a genuine interest in the welfare of each.

AF Wife Operates Switchboard

By NORM CARDOZA
Mrs. Dorothy Leiker, who lives with her husband and their daughter, Debra, 7, in one of the Rick-falls Apartments just off South Sixth Street, is a member of a unit fairly new to the Klamath Basin... an Air Force family.
As such, for the years she has been married to A.I.C. Alvin Leiker, she has had to adapt to a nomadic way of life.
Klamath Falls is almost certainly not her permanent home now, though someday it may be. The family, in fact, expected transfer either to Holland or Alaska some time this summer, but those plans were changed recently.
They came here from a base at Tacoma, Washington, last July, and before that were stationed at Lowry AFB, Denver—Mrs. Leiker's hometown.
That is where they met and married several years ago. She was a secretary then. Now she is a receptionist and switchboard operator at Klamath Valley Hospital during hours when her daughter is attending Sacred Heart Academy.
When single, she attended Denver University for two years, studying English and literature, art and interior decorating. She likes to write and sketch, ride her car, swim, ski and bowl.
Her mixed bowling team won second place in recent base league competition. She has entered forthcoming bowling competition at the civilian alley here.

Time Requested In Burglary Case

Two Malin youths accused of burglary of a warehouse asked for additional time in district court Friday.

Skiing Still Good At Shasta Bowl

Mount Shasta Ski Bowl's 100 inches of packed snow has contracted spring fever, but skiing is good.
Some corn snow has developed as a result of two brilliant, sunny, snowless weeks. A few snow flurries were considered possible over the weekend there.
Everitt Memorial Highway to the bowl is dry and in good shape.
All facilities will operate during the week.

Reception Follows Exhibit

An invitational reception will follow a showing of Artist Lois Takach's line drawing and oil and easel paintings Sunday in the new Klamath Art Gallery in Maple Park from 2 to 5 p.m.
Miss Takach is in her second year as art instructor at Klamath Union High School. She will display about 20 works. All not already sold are for sale.
Most depict local scenes. They will be on display again Sunday, April 3 and 10.

CHICAGO (UPI)—Americans own 12 million pianos. Black still remains the favorite color, although cherry recently has become popular, reports the American Music Conference.

SHORT-CUT

NEW YORK (UPI)—Baste strips of washable material along the dirt-susceptible edges of blankets and quilts. These bindings can be easily removed for frequent sud-sing.

The youths are to report to Judge D. E. Van Vactor at 9:30 a.m. Wednesday. Each was returned to jail in lieu of \$2,000 bail.
