

Klamath Union Baseballers, Cinderermen Lose

Double Defeat Dealt To Pel Horsehidiers

WEED (Special) — It was not enough at the crucial moments Saturday as the Weed Cougars added insult to injury against the Klamath Union Pelican baseball team by nabbing both ends of a doubleheader played on the Weed diamond.

The Cougars won the first affair 4-3 and came from behind in the nightcap to finish with a 9-7 win. It was a long and cold afternoon for the Pelican diamond club with horseshoe mentor Bill Mansfield playing all of his 21 men who made the trip.

In the first game the Cougars charged off with a three run rally in the first inning. KU tied it up in the seventh and Weed broke the deadlock in their last inning stand.

After Lemus was thrown out short to first, Barberi walked, Zalunardo, Smith and DeBartoli followed with singles. Owens lifted a sacrifice fly to center scoring Smith and Mazzoni grounded out to end the inning.

Pels Come Back

The Pels made a valiant bid for a win in the sixth and seventh frames scoring all of their three runs.

In the sixth John Bianchi opened with a double to center and Dean Dunson popped to short. Catcher Dave Saks reached first on a field-

er's choice as Bianchi was trapped off second base. Dennis then picked up a single driving in Saks. Riney walked and Don Gresdale drove Dennis in with another single. Kent Hunsaker ended the two run inning by striking out.

In the seventh the Pels deadlocked the game on Larry Burnard's single and Dunson's follow-up two out run producing single.

Cougars Score 3

The Cougars opened the second game in similar fashion by notching three quick runs in their half of the first.

However, in this game, the Pels started their run production earlier, gaining one in the second inning. Sherm Allen started with a bingle and later scored on a wild pitch.

Klamath nearly ran away with the five-inning contest in their half of the fourth when they rallied six runs across the plate. Dunson opened with a triple to right center and scored on an error by the second baseman. Don Gresdale proceeded to strike out, leaving Sherm Allen on first with only one away.

Willey Homers

Don Willey then came up with two men on and cleared the bases with an inside the park homer to very deep left center field. He scored the go-ahead run when he crossed the plate, and John Herrera, the ninth batter of the frame, ended the festivities by lining out to second.

The lead was short-lived, however, as the Cougars blasted ahead 9-7 in their half of the fourth by pushing three big runs across. The game was thwarted in the top of the fifth because of darkness.

The Pels hope to gain some revenge this Tuesday when they meet the Cougars at Gem Stadium in a game starting at 3 o'clock.

On the pitching end, Pelican Kent Hunsaker was delivered the opening game's setback. However, Hunsaker pitched brilliant ball giving up only an unearned tally in the seventh. He came on in the third with the Pels down 3-0. Marvin Edwards was the losing pitcher for the Pels in the second game.

Toronto Wins Over Detroit

TORONTO (AP) — Bob Pulford scored into an open net at 19:13 of the final period Saturday night to salt away a 4-2 Toronto victory over the Detroit Red Wings and square their Stanley Cup semifinal series at one game each.

Detroit won the first game 2-1. The Leafs had scored once in each period to lead 3-2 in the dying minutes of the game as Detroit players buzzed all around the Toronto net. Then Pulford sent a long sliding puck into the vacant wing net.

Captain George Armstrong, defenseman Larry Regan and left-winger Frank Mahovlich were leaf scorers in the hard-fought, hard-checking tussle that saw Toronto finally blunt the scoring threat of Gordie Howe.

The Detroit rightwinger was held to a single assist as Pulford was called to shadow him. Wing scorers were Pat Goegan and Alex Delvecchio.

Stanley Cups

Montreal Last Second Goal Triumph Over Black Hawks

MONTREAL (AP)—Doug Harvey turned from goat to hero with a dramatic overtime goal and gave Montreal a 4-3 sudden-death victory over the Chicago Black Hawks in the second game of their Stanley Cup semifinal series. The Canadiens lead the series 2-0.

Harvey won the game at 8:43 of overtime, slapping a screened shot from about 40 feet in front of the net.

The veteran defenseman had appeared ready to don the goat's horns, when, with 82 seconds before the end of regulation time, Bill Hay stole the puck from him in the Canadiens' zone and scored to tie the game 3-3 and sent it into overtime.

Dickie Moore, who scored two goals for the Canadiens, set up Harvey for his goal with a pass from the boards. The other Montreal goal was by Marcel Bonin.

Ken Wharram and Bobby Hull, who returned after missing the first game of the best-of-7 series here Thursday, were the other Chicago goal-getters.

The series now shifts to Chicago for the third and fourth games next Tuesday and Thursday. Montreal won the first game 4-3.

For Chicago, it was a valiant effort as the Hawks came back three times to tie the score in each of the three regular periods.

Sebring Won By Germans

SEBRING, Fla. (AP) — The crack Belgian-German team of Oliver Gendebien and Hans Herman drove a little silver-gray Porsche to a surprise victory Saturday night in Sebring's 12-hour sports car endurance race. The event was marred by two deaths.

Gendebien was at the wheel when the German-made car snarled in under the checkered victory flag at 10 p.m. EST. It was the second straight Sebring triumph for the Belgian ace. He won last year with Phil Hill of Santa Monica, Calif., in a Ferrari.

Tragedy struck in this 10th running of the exacting race just 23 minutes after the start when a green Lotus racer plunged off a hairpin turn, killing its driver and a newspaper photographer.

Jimmy Hughes of Napa, Calif., apparently suffered brake failure as he rocketed toward the turn. He veered into the escape route and crashed into George Thompson, Tampa Tribune photographer, who was shooting picture of the hurtling car. The racer flipped end over end, throwing Hughes to his death.

Two other drivers, Fred Spross of Poughkeepsie, N.Y., and John Fitch of Lime Rock, Conn., escaped unhurt after spectacular flips. Spross' car rolled three times and stopped upside down with its driver in the cockpit.

Gendebien and Hermann hung grimly around 5th place for six hours while bigger cars broke down in front of them. Then, at 6 p.m., their tough little machine moved in front of the pack to stay.

Stirling Moss of England Dan Gurney of Riverside, Calif., took lap and hurtled at record-breaking speed to a margin of more than 30 miles, only 1.6 being sidelined by a rear end breakdown four hours from the end. It was then the winning Porsche whipped to the front.

Ironically, the Porsche, independently owned by Joakim Bonnier of Sweden, earned eight points for the Porsche factory toward the world manufacturing championship after the factory team had boycotted the Sebring race because of a rihubarb over gasoline brands.

The Italian Ferrari factory team with its world famous drivers also stayed away from the race. Ferrari and Porsche have contacted to use one brand of gas and Sebring requires the drivers to use another brand.

It was a 1-2 victory for the rugged Porsche. Bob Holbert of Warrington, Pa., and Roy Schechter of Miami, Fla., came in for second and third place about 20 miles behind the winning car.

Chuck Daigh of Long Beach, Calif., and Ritchie Ginther of Santa Monica, Calif., drove a Ferrari in second place for seven hours, then dropped out with mechanical troubles.

John Nethercutt and Pete Lovely of Los Angeles, Calif., took third place in a Ferrari.

Rep Offers Tag Remedy

WASHINGTON (AP) — One fishing license that would be good in every state is the goal of legislation Rep. George P. Miller (D-Calif.) said he'll offer next week.

Miller, who is certain to have the support of most of the nation's 20 million licensed fishermen for his proposal, has divided his plan into two parts.

First, the individual would buy his state fishing license. Within 10 days he would take it to his local post office and get — for a \$2 or \$3 fee — a federal stamp which would be good for fishing in all national parks.

Second, the federal government would enter agreements with the states under which the home state license plus the stamp would be recognized as a non-resident fishing license any where in the United States.

The states would share in the proceeds from the federal stamps.

Miller, a former executive officer of the California Fish and Game Commission, said Saturday he is awaiting word from the Department of Interior on its opinion of the proposal. He hopes to get favorable action on it in this session of Congress.

By WAYNE SCOTT

Baseball, track, tennis, boating, fishing, etc. will get the top billing in the local sportslight for the next few months but prep football, 1960 style, is not too far away.

This point was brought home by Bob Williams, Klamath Union grid boss, last week when he issued a 16-page 1960 football syllabus to each player, and potential player, he expects to see on Wright Field next August 24 when training for the coming season begins.

The booklet begins with a poem, tailor-made for football players, entitled "The Time To Fight." From here on the brochure is broken down into eight categories. They are: (1) Recent Football History; (2) The Long Road Ahead; (3) Beginning Practice Information; (4) Training Rules; (5) Summer Self-Conditioning Program; (6) 1960 Season Outlook; (7) Some National Records To Shoot At; and (8) The Final Score.

Bob points up some hard, fast facts in his booklet. Players intending to try for a berth on the Pelican squads next fall cannot say they haven't gotten a preview of what is expected of them. Williams makes no bones about his plans . . . and just where each boy will fit.

Perhaps, in past years, there has been a similar document issued . . . but if there has, I have never seen it. While it's true the brochure will not necessarily make football players out of every husky boy at Klamath Union, it is also true that the work will help to bring out the best in the boys who are willing to try.

If the booklet is any criterion, the Whitebird football future looks rosy.

The final basketball practice of the 1959-60 season left a mark on the KU baseball program . . . and the boy involved feels worse about it than anyone. Rich Depew, who played an awful lot of center field and wielded one of the top bats in the Pelicans' 1959 campaign, is watching his teammates from the sidelines . . . and will be, until late May, at least.

Rich, in one of those freakish accidents, sliced a couple of tendons in his left hand right at the close of the basketball season. The result . . . no baseball for him until possibly mid-summer. And even then he will have some problems in regaining full use of the injured limb.

Depew lives, eats and sleeps baseball so this inactivity is mighty hard for him to take.

Received a letter from Bob Bonney, former KF Park and Recreation Dept. head now holding the same slot in El Cerrito, California. Bob was bemoaning the fact that he had to miss the Oregon A-I Prep basketball tourney this year. He missed very few in the long years he was in Oregon. He's a Californian by employment but an Oregonian (Klamath Falls style) at heart.

Bob enclosed some clippings from the Oakland Tribune that detailed California's misfortune at the hands of the Ohio State Buckeyes in the recent NCAA championships and also stuck one in that quoted Darral Imhoff, who said: "I'd have to say that Glenn Moore of Oregon was the best (post man) I have met. Moore has better moves but Lucas (Jerry) is going to be a great one. They're both sophomores and will probably meet some day. That will be a great ball game." Amen to that.

Imhoff's comment can't help but bring Glenn to the fore, nationally, right where most of us who know him and his ability have long felt he should be. Give Moore a good season as a junior and I wouldn't bet a nickel that he wouldn't get some All-America raves at the end of the season. Just watch.

Klamath Falls basketball fans will get a chance to see an "old" favorite performing on the Oregon Tech maplewood next winter.

Bob Peterson, twice a prep All-Star while at KU, and one of the best rebounders on the Pacific Coast today, has enrolled at OTI for the spring term and that means that he will be able to play ball for Wally Palmberg next season.

Pete attended Oregon State during the past two college terms but he decided he would like it better at OTI . . . I'm glad and I can imagine that coach Palmberg

TIME OUT

Yreka Bags Opener, 5-1

CENTRAL POINT (Special) — The Yreka Miners stormed out of their 1960 season opener here today against the Crater Comets to defeat them 5-1 behind the three hit pitching of Jim Brooks.

Brooks apparently hit mid-season form in the game played under murky skies and wet grounds. The flinger was exceptionally stingy in giving up hits and allowed only four walks. He ran into trouble only once, in the sixth inning, when he gave up the only Crater tally. However the run was unearned and came on a couple of walks and errors.

The Miners opened the scoring drive in the first inning with the big blow coming from the bat of first baseman Dan Belinke. With one out and two men on, Belinke stroked a two double to right-center field to clear the bases and provide Yreka with what turned out to be the winning runs.

Miner Daryl Severns had a good day at the bat with two hits for five trips to the plate.

Yreka 200 030 0-5
Crater 000 001 0-1

Triple-O League Is Really Old

RICHLAND, Wash. (AP)—You think baseball is for kids? Take a glance at Richland's Triple-O League, where the age limit is 28.

Nobody younger can play. And the limit for pitchers is 35. These creaky oldsters indulge in the form of baseball called softball, where the pitching and base-running distances are shorter.

They play only once a week, which gives them 6 days to repair aches and contusions. Umpires are selected from the crowd, with no age limit either way.

Players are frank about it all. Team names include "Half-Lives," "Clumsy Cubs" and "Worn Out Wolves."

And the 0-0-0 in the league's name stands for "old, obsolete and outdated."

A brochure recently received from Shasta College brings us up to date on the Knights' activities through the coming seasons in fine fashion. In addition, it lists some All-Time All-Star teams compiled over the 10-year existence of the school.

A Klamath Falls lad, one who starred in just about every sport at Klamath Union, is mentioned frequently on these all-star lists.

Don Taucher, in 1957, was All-Star quarterback on the offensive team, All-Star safety-man on the defensive team, and All-Star center fielder on the baseball team.

NEW YORK (AP)—The National Football League meets in Chicago Tuesday to decide, among other things, whether to follow the television lead of the upstart American Football League.

For years the NFL's individual teams, rather than the league, have dealt independently with the Columbia Broadcasting System, the television network.

New CBG wants to buy all regular season games in one big package from the league.

Under the AFL constitution (and, incidentally, under that of baseball's Continental League) television rights are controlled by the league and all proceeds are shared equally by member teams.

Tracksters Finish Last In 3 Way Meet

SPRINGFIELD (Special) — The Klamath Union Pelican cindermen were taught something yesterday most of them already realized. That they are far, far behind in conditioning, timing and experience than many of the other track teams in southern Oregon.

The Pels found themselves on the tail end of a three-way meet with Springfield and Eugene, 8:50-24. The Millers, who led the meet most of the way, needed to win the 400-yard relay in order to come out of the match with a victory. Their sprinters responded with a first place in the event over Eugene.

The times for all of the running events were substantially sub-par even for this early part of the track season. The track was slow and soggy with rain hampering many of the races.

However, even though the Pels showed badly, several bright spots illuminated the otherwise murky afternoon — weatherwise and team-wise. Whitebird Allen Phillips set a meet record of 179-feet one-inch in the javelin event. The KU youngster not only broke the meet record, which has been going since 1932, but also a school record as well. Phillips broke his own school record that he set last year.

Phillips picked up another first place in the broad jump with a 19-foot five-inch distance. He finished up the afternoon with 10 of the Pelicans' 24 points.

Klamath garnered only one second place finish for three points when Bill Santo putted the shot 42-feet seven-inches. Santo is under last year's performance, but as coach Jim Ingelsby said, "The team has only worked out a week."

Ingelsby commented that he thought the meet did a lot of good for his cindermen in that it showed them how much they will have to work in the next few weeks to catch up with the rest of the schools.

"We'll have a long way to go before we hit our peaks this season," Ingelsby concluded. The Whitebirds meet Ashland this Saturday in a dual meet.

Providing the remainder of the points for the Pels with third and fourth place finishes were Bill Sprunt in the mile and Rod Sparlin in the broad jump. Dale Stiles in the 440 and Les Husted in the shot put grabbed off one pointer for their fourth places.

Springfield's Mike Delinger, brother of the University of Oregon's great miler, Bill Delinger, set a meet record with a fast 4:27 time in the mile.

The results:
100—Taucher (S), Micks (E), Hadley (C), Claver (S), 16.8 secs.
200—Brown (S), Egan (E), Posner (C), Stiles (K), 36.0 secs.
400—Delinger (S), Hale (C), Sprout (E), Broedel (S), 1:21.4 mins.
800—Harris (S), Biles (S), Bonehans (S), Albert (K), 3:10 secs.
1600—Delinger (S), Sailer (S), Jacobson (E), Nagom (E), 7:04 mins.
3200—Brooks (E), Ferguson (E), Harris (S), Pate (K), 24.3 secs.
5000—Just (E), Corp (S), Randall (S), and Lewis (K), 1st for 2nd 32.7.
10000—Phillips (K), Tucker (S), Sparlin (K), Randall (S), 1:15.
20000—Hodges (E), Santis (K), Bush (E), Husted (S), 47:30.2.
50000—V. Mill (S), Egan (K), Hadley (E), Anderson (E), 10: 8.
100000—Phillips (K), Daggert (E), Maxwell (S), Von Appen (E), 129: 11.
Javelin—Phillips (K), Tucker (S), McBurney (E), Hodges (E), 135: 2.
Shot—Springfield (E), 155: 2.
Final Score: Springfield (65), South Eugene (61), Klamath Falls (24).

Wrestling Title Nabbed By Okla.

COLLEGE PARK, Md. (AP)—Oklahoma carted off the team championship and three individual titles Saturday in the 30th annual National Collegiate Athletic Assn. wrestling tournament.

The Sooners wound up with 59 points, 19 more than runner-up Iowa State. Wyoming compiled 36, Iowa University 32 and defending champion Oklahoma State 29.

Oklahoma State tied for 21st with 8 points, and Portland State tied for 26th with 6. Oregon wrestlers had 5 points.

Mits Tamura of Oregon State was designated 3-0 by Dennis Fredericks of Iowa State, who captured third place in the 115-pound class.

Earlier in the day Tamura decided Dale Confer, Penn State, 2-0 in the consolation semifinals.

Larry Stensland, Oregon, lost a decision 3-0 to Roy Weber, Northwestern, in the consolation semifinals heavyweight division.

Little League To Meet

The Klamath Falls Little League has scheduled an important Monday night meeting at 7:30 in the Municipal Courtroom in the city hall.

All coaches, managers and other interested parties are urged to be present.

Among important business matters to be discussed at the meeting are the arrangements for Minor League tryout dates.

The KF Little Leaguers are preparing for their third season of ball under the banner of the national association.
