PRICED THE LEAST...

HOLDS THE MOST...

IN A FULL-SIZE WAGON! You'd never know it by looking, but this is America's lowest-priced* full-size wagon! Its 97 cubic feet of loadspace is the biggest in its field. Extra-wide rear gates open easily, with one hand, to make loading a cinch. And this Ford Ranch Wagon is built for people. You get a foam-padded front seat, plus leg, hip and head room to spare. And it's built for savings, too. It thrives on low-cost regular gas. A Full-Flow oil filter lets you go 4,000 miles without an oil change. The aluminum muffler normally lasts twice as long as conventional types. And its Diamond Lustre Finish never needs waxing.
