

Suburban BR Tryouts

Tryouts for the South Suburban Babe Ruth League players are being conducted tomorrow and Sunday at the Little League baseball park on Washburn way beginning both days at 1 o'clock.

All prospective players, ages 13, 14, and 15 years old, who live in the South Suburban area are welcome to attend the tryouts, said Martha Cassidy, league secretary.

If a player has not signed up, he may do so at the ball park.

If WhiSox Aid San Diego, They Could Win PCL Flag

SAN DIEGO, Calif. (AP)—The San Diego Padres could be a Pacific Coast League pennant contender this year with the help of the Chicago White Sox.

Most of the players will be Florida-trained, although the Padres' spring training camp at Indio is just over in the next county from here.

The situation arises from the fact that San Diego shifted its major league team for the 1960 season from the Cleveland Indians to the White Sox. And Chicago is late in making delivery of farm hands.

"It's the latest I've ever had to wait to get a team together," said Padre Manager George Metkovich. But he seemed confident he would have a strong outfit for the season opener April 15.

Metkovich is working with a turnout of young hopefuls and veterans. He doesn't expect many of the rookies to be around when the season starts.

Jim Baxes and Stan Johnson are two big reasons the Padres figure as a pennant contender.

Baxes was purchased from Cleveland, where he hit 15 home runs last year. The season before he got 29 homers for Spokane.

Johnson hit 281 for Indianapolis in the American Association last year.

Floyd Robinson is out of the Marines and is making a strong bid for the centerfield job off his hot spring hitting.

Shortstop Dick Smith, who came through with fine playing and hitting late in 1959 to help the Padres salvage third place, is another player expected to stay with the club this year.

General Manager Ralph Kiner is attempting to bolster the outfield with right-handed batting.

Jim McDaniel, who hit 24 homers for Denver and nine for Columbus last year, is one of the players Kiner is after. McDaniel has refused to play for Denver this year.

Camilo Carreon, a 311 batter at Indianapolis last year, is slated to be the Padres' No. 1 catcher, but he's not due out of the Army until May 6. The veteran Les Moss probably will handle the catching chores until Carreon reports.

Chicago is expected to bolster Padre manager, believes the 1960 team will be one of the clubs to beat for the PCL pennant.

"They've got about 50 good guys down there at the White Sox camp in Florida," he said. "They can only keep 25. We'll get a good share, and they're overloaded with pitchers."

White Sox include Ed Hobaugh, Gary Peters, Rudy Arjas and Ken McBride, among others.

Hobaugh and Peters each won 13 games for Indianapolis last year. With Peters, a southpaw, hurling a no-hitter.

Metkovich, in his fourth year as Padre manager, believes the 1960 team will be one of the clubs to beat for the PCL pennant.

"They've got about 50 good guys down there at the White Sox camp in Florida," he said. "They can only keep 25. We'll get a good share, and they're overloaded with pitchers."

Gene Conley Basin Prospects To Return To Phillies

ST. LOUIS, Mo. (AP)—Big Gene Conley plans to put aside basketball Saturday and head for Leesburg, Fla., to get reacquainted with baseball.

The 6-foot-8, 225-pound pitcher-rebounder discussed his summertime work "Thursday night" after the Hawks beat the Celtics 105-102 and forced the National Basketball Assn. title playoffs to a seventh game at Boston Saturday afternoon.

Conley, like the rest of the Celtics, is confident of beating the Hawks. In fact, he's anxious to get the job over with so he can shift his thoughts and talents to the Philadelphia Phillies, his employer from April to October.

"I want to get down there and start throwing," he said. "The Phillis have a minor league camp at Leesburg and the fellows are in good shape when I get there."

"It's ideal for me, because I can throw harder faster. Since they're all ready, I can't afford to baby myself."

"I'll take me a while to get the feel of a baseball again, but I should be ready in two weeks. At least, I hope to be ready in two weeks. That's all it took last year after I left the Celtics."

Nieder Pessimistic

SAN FRANCISCO (AP) — Bill Nieder, who has thrown the 16-pound shot farther than any other human, doesn't expect his record to stand up long.

"Earlier I predicted the eventual shot put limitation would be 67 or 68 feet," said the 242-pound ex-Kansas who last week threw 65 feet 7 inches.

"Now I don't know. I realize there will be boys bigger and stronger than myself. They'll be just as well coordinated, if not better. If I can throw 65 feet now, the barrier won't be the 67 or 68."

Basin Prospects

KU Frosh Cinders Preparing For GP

Editor's Note: This is the ninth in a series of articles covering the prospects of spring sports in the Basin area.

By JERRY REMMERS Herald and News Sports Writer

Klamath Union freshmen track mentor Al Keck is blessed with a strong aggregate of depth this year. He has more than 40 youngsters out for the sport, and although the strength of the team is speculative at this point, all signs point to future strong Pel varsity track teams.

The KU frosh team travels to Grants Pass this weekend to meet the two Grants Pass junior high schools in a three-way meet. Last week the Pel cinders finished last in a six-way meet at Grants Pass.

Keck has already decided on many of the starters for the meet and for the remainder of the season. There are many youngsters, though, who are improving rapidly and may turn out as excellent trackers.

In the sprints the team is well stocked with depth and some real speedburners. In the 75 and 150-yard dashes are Charles Ochs, Bill Bianchi and Dan Herrera. In the 330 is Don Piper, Grover Dahn, John Church and Bob Kittrell. Walt Ambrogetti, Steve Lawrence, Len Logsdon and Paul Sandoval are entered in the longest frosh race, the three-quarters mile.

The team has several comers in the 70-yard high hurdles and the 120-yard lows. John Foster, Fred Kelly and Church are entered in the 70's and Tom Miles, Dale Mueller, Ron Hitchcock and Church see action in the lows.

In the field events are Bob Johnson and Tim Steppe in the shot put, Dennis Southard, Hitchcock, Dahn and Thompson in the discus; Hitchcock and Church in the javelin; Bianchi, Dahn, Herrera, Hitchcock and Ochs in the broad jump; Dennis Thompson, Kelly and Church in the high jump; Herrera, Dahn, Ochs and Bianchi in the 400-yard relay, and Ray Thorne, Hitchcock, and Miles in the pole vault.

Some of the more formidable records that the Pel frosh team is shooting at this year are the 75-yard dash which was set last year at 8 seconds by Ron Simpson; Allen Phillips' 1958 record in the javelin of 140 feet, 4 inches, and Don Story's 1956 broad jump mark of 18 feet, three quarters inches.

Snead was called on the carpet by the PGA Executive Committee and asked to explain the circumstances surrounding his now celebrated loss to Mason Hudolph of Clarksville, Tenn., in television's "World Championship Golf" series (NBC).

The match was played and filmed at Bermuda's Mid-Ocean Club in December and shown on home screens last Sunday.

Sam Chided For Farce

AUGUSTA, Ga. (AP) — Sam Snead was chided and then forgiven today for one of the season's poorest acting performances on television — the golf match he had to lose twice.

"We must make one thing clear," said Harold Sargent of Atlanta, president of the Professional Golfers Assn., who announced a mild rebuke for Snead. "Sam didn't throw the match. He had already lost it. He was just trying to carry on the show."

Morally, he was trying to do something fair and sportsmanlike. Technically, he made a big mistake in judgment."

ABC Brass Studies Plan

TOLEDO, Ohio. (AP) — Delegates to the American Bowling Congress convention were to vote today on a controversial proposal for a classic division in the annual ABC tournament.

It appeared support for the radical alteration in the ABC format was lagging, and observers expected the amendment to be tabled.

The measure would set up a separate division for highly subsidized bowlers who earn their basic livelihood from bowling as compared with those who bowl for a hobby.

Buffalo was awarded the 1963 ABC tourney Thursday.

Scoring in the tournament remained at a low level, although two teams managed to crack the top standings. The Slovak Club, New Castle, Pa., claimed third place in the Booster class with 2,787, while Dubiel Delicatessen of Detroit snared third in the Open division with 2,906.

INGO POSTPONES TRIP STOCKHOLM, Sweden (UPI) — Heavyweight champion Ingemar Johansson has postponed his trip to New York until after the Easter holiday.

Johansson, scheduled to leave for the United States April 13 to sign a title contract for a rematch with Floyd Patterson, said the delay was caused by his desire to spend the holiday in Geneva with his fiancée, Birgit Lundgren.
