

**PARTY FARE** for the youngsters' entertainment can be fun for everybody. Here, fruit-filled cones are topped with a rosette of peanut butter and the cone set in a cube of cheese to make it stand upright. Lots of fresh milk and cookies complete the party refreshments. Fruit-Freeze is a convenient product to have on hand to use to keep the cubed apple (used with pineapple in the cones) from discoloring.

## LET'S HAVE A PARTY

A party needs no date or occasion. It is an occasion in the crowd likes to do.

Refreshments for this one are easy to plan. Entertainment for the after-school crowd can include a few rounds of donkey-tail pin.

### OLIVE SPREAD

"De Luxe Olive Spread" is at home in the lunch box or on the party table. It's a simple combination of ripe olives, hard-boiled eggs and chopped pecans with just enough mayonnaise to hold the mixture together. Ripe olives add interest to lunches or party snacks with their rich color and flavor. Add a few wedges of deviled egg or ham fillings, cheese or ground luncheon meat spreads. Pack whole ripe olives in the lunch box or set a bowl on the buffet table.

**NEW PACK** and new size for California & Hawaiian pure cane sugar shown here will provide many advantages for the homemaker. C and H Sugar has introduced its "Velvet Smooth" powdered sugar in new two and one-half pound, heat-sealed plastic bags.

### AQUAMARINE

It's an actual fact that most women like to change fragrances on a seasonal or special-occasion basis. And it's also a fact that spring flowers and showers are practically synonymous. So now that Easter is just a flower-filled breath away (despite certain pessimistic weather reports), the time seems right for your re-introduction to Aquamarine, Revlon's famous floral bouquet of fragrances.

For Aquamarine Eau de Toilette is ideally formulated for lavishing use all over the body, lending a sparkling aura that lingers for hours. And here is where your personal spring shower could enter the picture: after bathing.

#### TRY IT!

Good flavor: sprinkle plain muffin batter with cinnamon and sugar before baking.

### C & H Sugar

Twelve cups of C and H powdered sugar are packaged in the new two and one-half pound package just introduced by C and H Sugar.

The package is heat-sealed plastic and each one comes with a patented fastener. Just twist the end, attach the clip and the sugar stays smooth and easy to sift. The bag will not spill or leak on the cupboard shelf.

No longer do you need to open another full pound box of sugar for decoration when your recipe calls for a pound of powdered sugar. The new package contains plenty for the frosting and the decorating.

For best results, sift powdered sugar before using.

#### FOR DIETERS

Weight-watchers soup: add toothpick-size strips of carrot, celery and white turnip to bouillon in way to say "Happy Easter!" and beat.
