

Cancer Pleas Go In Mail Next Week

More than 1200 pieces of educational material and invitations to contribute to the 1960 Klamath County participation in the national Cancer Crusade will go into the mail next week.

In announcing plans for the mail campaign for funds, Mrs. Harold Cloake, county unit chairman and Dave Totton, educational and crusade chairman, said no personal contacts will be made in the effort to raise funds locally.

Other plans include the presentation of a film on cancer for women only on April 30 at the Esquire Theater. Time of the film showing will be announced. There will be no charge. The film is furnished by the American Cancer Society.

"There are more than one million living Americans to prove that cancer can be cured. These include men, women and children," said Dr. George Nicholson, Klamath Falls, medical director of the American Cancer Society. "It's a vital part of our educational program and can't be repeated too often, if we are to continue helping to save lives."

Based on national averages, it can be expected for 1960 that there will be 112 new cases of cancer in Klamath County. Of the 112, if present rates continue, 19 will die needlessly because they did not get adequate medical treatment in time and 40 people will be saved from cancer.

THE ANNUAL April Crusade in the fight against cancer is being spearheaded in Klamath County by Mrs. Harold Cloake, left, as Klamath County unit chairman and Dave Totton, educational and crusade chairman. This year as in 1959, the campaign for funds will be by mail. There will be no door-to-door canvass.

Award Given To Airman

Gerald C. Trial, airman second class, has done an outstanding job at Keno radar station.

For that reason he was selected April 7 from other candidates of the 827 Air Control and Warning Squadron.

He was picked by a board composed of the squadron commander and a group of non-commissioned officers. His reward was \$25 and a three-day pass.

Trial was born and reared in Texas, but calls Paconia, California, his home now. He is the son of Peter J. Trial.

While a student at Central Catholic High School and Little Flower High School in San Antonio, he

Ruling Upheld By Top Court

The State Supreme Court affirmed Wednesday a decision by the circuit court in a civil suit over payment of concrete used in a Navy construction job at Kingsley Field.

Drake countersued for \$35,000 damages. The suit claimed the concrete was substandard and affirmed by the Supreme Court.

which girl has glasses?

BOTH — one wears CONTACTS!

Actually, both pictures are of Dr. Noles' 13-year old daughter who has worn contact lenses 16 hours a day for the past two years. And... she wears dark green tinted contact lenses for swimming and skiing.

A dramatic illustration of the cosmetic and psychological benefits to be derived from wearing contact lenses.
