Department Support Praised

By THE ASSOCIATED PRESS

The Department of Interior's support of the proposed Oregon Dunes National Park drew praise Tuesday from Mrs. Maurine Neuberger, whose late husband was a prime mover of the project.

"A positive step which improves hope for early action," said Mrs. Neuberger of the department's backing of the dunes park.

Last week, Secretary of Interior Seaton told Congress his department supports creation of new parks at the Oregon Dunes, Padre Island in Texas and Cape Cod in Massachusetts.

Mrs. Neuberger is the widow of Sen. Richard Neuberger (D-Ore). Prior to his death last March, Neuberger wrote a bill for creation of the dunes park.

Mrs. Neuberger, who has entered the race to succeed her husband, said in Washington, D. C., Tuesday:

"The new Interior Department proposal spells out the special provisions needed for each of these new park developments.

"It contains salient features suggested by Gov. Mark Hatfield and the Oregon Natural Resources Committee, including specific boundaries which leave out Tahkenitch Lake and Sea Lion Caves.

"I hope this new version will gain the state administration's enthusiastic support, just as the Point Reyes seashore proposal received from California Gov. Pat Brown at hearings last week.

"Secretary Seaton has made constructive changes and with united effort Oregon can obtain its first national park since 1906."

The heifer, raised by Scott and Zepha Warren of Algoma, was part of a substantial offering to outstanding 4-H Club members at last week's Oregon Angus Association sale held at the Klamath County Fairgrounds. — Photo by Parks

Daughter Of Russ Writer Lauds Cultural Exchange

WASHINGTON (UPI)—A royal refugee from Communist Russia told the Daughters of the American Revolution today that one of their favorite resolutions was misguided.

Alexandra Tolstoy, daughter of Czarist count and author Leo Tolstoy, said in the major morning address at the 69th DAR Continental Congress that cultural exchange programs between Russia and the United States were "desirable."

The wider the door was opened to the countries behind the Iron Curtain the better, she said in her prepared speech.

Miss Tolstoy spoke as the Daughters prepared to vote on a proposed resolution condemning the exchange programs as a weapon of Soviet psychological warfare. The resolution demands a congressional investigation into the origins and operation of the program.

The DAR last year passed a resolution opposing the exchange programs. But this year's resolution went further by demanding a Congressional investigation.

Other resolutions expected to be voted on today oppose reciprocal trade programs, any liberalization of U.S. immigration laws, teen-age voting, and the flying of the Panamanian flag in the Panama Canal Zone.

Miss Tolstoy also told the DAR that Soviet Premier Nikita S. Khrushchev was "bluffing" the West by talking peace and disarmament.

She said if Khrushchev felt he could win a war he would start it tomorrow.

Miss Tolstoy, who renounced her title when she became an American citizen in 1941, said one of the things restraining Khrushchev was what she called his fear of his own people, "who might refuse to fight and will turn against the Kremlin."

Another item on today's agenda was the proposed $1 hike in the national DAR dues—bringing the total annual assessment to $3.

Some delegates have been grumbling privately in the hallways about the proposed boost. But no formal protests were expected.

Sugar provides the purest and most economical energy food yet discovered.

Jobs Open In Panama

An examination is now open for professional nursing positions in the Panama Canal Zone, according to an announcement from Central Employment office, Balboa Heights, Canal Zone. Positions are under the Canal Zone Merit System and employment is in federal hospitals and dispensaries on both the Atlantic and Pacific sides of the zone.

Positions are for staff nurse, head nurse, public health nurse, and nurse anesthetist. Entrance salaries range from $5,050 to $7,481.25 a year. In addition, those selected, if they are U.S. citizens recruited from the continental United States, will be transported at government expense to the place of their employment.

No written test is required, but applicants must have successfully completed a course, in residence, in an accredited school of nursing. Applicants must be currently registered as graduate professional nurses in a State Territory of the United States or in the District of Columbia.

Full details concerning requirements may be obtained from Window One, U.S. Post Office Building, Klamath Falls; from Civil Service regional offices; or applicants may write to the Central Employment Office, Drawer 2009, Balboa Heights, Canal Zone.

APPROVE WAR MEDAL

WASHINGTON (UPI) — The House passed and returned to the Senate Tuesday a bill authorizing the Civil War Centennial Commission to strike a medal marking the 100th anniversary of the War Between the States.

Thank You... Klamath Falls

for the wonderful response to the grand opening of your new DODGE-CHRYSLER DEALER

JOE FISHER

We appreciate the interest of the many thousands who came in, and hope that you will continue to make our dealership your headquarters. Thanks also for the beautiful flowers, and the good wishes and assistance given us by the local firms and individuals.

AGAIN . . . THANKS!

Joe Fisher
