By Ann Davidow

Can be begun with letter U.

He grows a beard beneath his nose.

He sups, as do all billy goats,
On red tin cans and yellow oats.

What Color?

By Quentin R. Howard

You can amaze your friends with this game. Have someone choose a crayon from a pack and hand it to you behind your back. Return it without looking at it. Then put your hand to your forehead as in deep thought. Now announce the color of the crayon.

The trick: as you hold the crayon behind your back, rub your fingernail over it to catch a tiny particle of color. A quick glance at your finger will give you the answer.
