was preceded by a hospitality hour.

Sunbonnet hats were given out for all to wear during the evening. The bonnets were in keeping with the theme of the conference, "Pioneer Land."

The theme was further carried out in the decor of the dining room, which featured tiny covered wagons centering the tables, with toy cowboys, Indians and horses placed intermittently around the wagons. As an added feature to heighten the theme, a table had been placed in a corner of the room which held besides pine greens, a miniature of a miner's cabin, a gold pan and pick, together with a demijohn.

The welcome address was delivered by Yreka City Councilman Harry Friedman, who appeared instead of Mayor Matt McNeil. Mrs. Eunice Rush gave the response to the councilman's welcome address.

Among the noteworthy guests present in addition to Mrs. Davis and Mrs. Arri was Mrs. LaDoeia Ellis of Chico, past state president of the California Federation of BPWC, past president of Northern District, and who currently holds the post of state chairman of political promotion.

Joyce Sanderson of Montague, a member of the Yreka club, was in charge of entertainment. Her program included Betty and Peggy See of Montague, performing the Highland Fling; Mrs. Alice Hegg of Montague, who as "Klondike Kate" sang two songs appropriate for the Pioneer Land theme. Charlene Cordes of Yreka played several selections on her violin, followed by Mrs. Geraldine Dittner, also of Yreka, who whistled two selections.

Mrs. Alice See concluded the program by singing "Down By the River" and "The Yellow Rose of Texas." All performers were a portion of the cast from the Montague PTA's spring production, "Vanities of 1960."

Past presidents of the district present and introduced included Mrs. Clara Eddie, Alturas; Mrs. Nelda Shanahan, Anderson; Mrs. Lucille Gansberg, Susanville; Mrs. Helena Schlueter, Yreka; Mrs. Lorena Gill, Anderson; Mrs. Helen Fleming, Susanville; Mrs.

You are looking at the trend-setting car of our times, the '61 Ford. Just one glance at the Big Circle taillights and sculptured rear deck, one look at the crisp front-end design and you'll know the '61 Ford is the classic style of the Nineteen Sixties.

Here is a Ford that is new in its entire concept—it lubricates its chassis... cleans its own oil... adjusts its own brakes... protects its own body—is actually built to take care of itself!

FORD DIVISION, Ford Motor Company.

HERE'S HOW THE '61 FORD TAKES CARE OF ITSELF...
THE FIRST 1961 CAR DEALER-WARRANTED FOR 12,000 MILES OR ONE FULL YEAR

Lubricates Itself. You'll normally go 30,000 miles without a chassis lubrication.

Cleans Its Own Oil. You'll go 4,000 miles between oil changes with Ford's Full-Flow oil filter.

Guards Its Own Muffler. Ford mufflers are double-wrapped and aluminum—normally will last three times as long as ordinary mufflers.

Adjusts Its Own Brakes. New Truck Sire brakes adjust themselves automatically.

Protects Its Own Body. All vital underbody parts are specially processed to resist rust and corrosion, even to galvanizing body panels beneath the doors.

Takes Care of Its Own Finish. New Diamond Lustre Finish never needs wax.

Warranty. The '61 Fords are built to meet three principal goals: finest quality, greatest durability, most reliable operation. Expressing their complete confidence that this has been accomplished, Ford Dealers led the industry in extending their warranty on '61 Fords to 12,000 miles or one full year, whichever comes first.
