## Conger PTA Plans Carnival

"Fun for everyone at the Conger PTA carnival Friday, October 21, 7 o'clock in the school gym," stated Mrs. Elsie Harless, ways and means chairman for the Conger PTA.

The Country Store will feature fancy work, plants, pumpkins, and squash, in addition to homemade pies, loaf cakes, cookies, nut and fruit breads, fresh and home canned fruits and vegetables and homemade candies.

Try your skill at the ring toss and archery booths. Toss darts at the balloons, try putting the candle out with a water pistol, or take a chance at the fish pond. Then there is the white elephant booth and tossing the pingpong balls into the clown's mouth or wig for treasure in the tub of dread. Or perhaps those delicious cakes will draw you to the cake walk.

A soft drink and hot dog booth will be found in the gym and

the pie and coffee booth will be in the school cafeteria.

The Conger PTA carnival is an annual fund raising project and everyone is invited to turn out, have fun and make this carnival a big success.

Memberships in the PTA will also be sold and all parents who have not joined are asked to do so at the carnival. Remember November 1 is the deadline.

Potato peeling is fast becoming a chore of the past. Among the many types of processed potato products available today are frozen potatoes, whose production has nearly quadrupled since 1953.
