The United States Navy Band scored a smash hit with Klamath Union students and those of other schools present for the band's matinee performance Monday afternoon in Pelican Court.

The world-famous band was applauded by a packed house of students who demanded encores from each of the soloist performers in the band.

Students were delighted with little extras such as jazz and beat music.

Ten KU band members were honored when they were asked to play with the band in place of the Navy players. They were David Poole, bass; John Lawson, cornet; Nancy Young, flute; Cheryl Willey, piccolo; Sandra Chomstock, French horn; Anita Anderson, French horn; Dwight Schuh, baritone; Rich Flynn, trombone; Jerry Jensen, clarinet, and Doug Hickman, drums. This number was conducted by LaMat Jensen, director of the KU Music Department.

All of the proceeds will be used to help pay expenses of the band which will appear during the halftime pageantry at the East-West Shrine Game in San Francisco.

The band traveled to Medford last weekend to provide the halftime entertainment for the Medford homecoming football game against Klamath Union. This enabled the bands to get together and practice the same show which they will put on in San Francisco. This makes the ninth consecutive year the KU band has been invited to play at the East-West Shrine Game.

In other news this week, the Parents and Patrons have announced their rummage sale for Friday and Saturday, October 21 and 22 at Clyde's and Art's Towing Service. All students are urged to bring their rummage which will be picked up during first period by seniors. Proceeds from the sale will help finance the annual senior banquet.

Last weekend, the junior class conducted a successful rummage sale and made \$168.41 toward the cost of the annual Junior-Senior

From, which the juniors give for the seniors each year.

According to Sherm Allen, president of the junior class, another additional \$200 will be needed to cover cost of the prom. The class will sell mums for homecoming next Friday and will sponsor an after-game dance during basketball season to raise funds for the prom.

Of the many club meetings which took place following school on Monday, one of the most important was the meeting of the Spanish Club officers to plan for the school year.

Officers met to discuss what could be done about improving the inactive club. Carol Shannon, president, hopes to work out an active program for the members in the future.

Unidentified Boy Killed; No One Claims Body

KNOX, Ind. (UPI)—Hundreds of persons passed through a Knox funeral home in the past two weeks. Each looked at the body of a teen-age boy, about 14 to 17 years old, but no one could identify him. The youth carried no form of identification. But police were hopeful of identifying him because the car was stolen in this area and the boy's clothing bore two name tags that appeared to be either "Goden" or "Godin." The boy's red and yellow shirt and black leather jacket carried Canadian labels which were sent to police in Canada. But Canadian police could provide no clue to his identity. And the FBI was unable to trace his fingerprints. After waiting 166 days for someone to claim the boy's body, authorities decided to bury him. The Rev. James Burroughs, a Methodist minister, planned to conduct the funeral today, with burial in Oak Park Cemetery. "It's a shame something like this could happen to a young boy," Coroner Raymond A. Brennan said. "All those people and not a soul that had ever seen him before."

DID HE HEAR IT?

JACKSON, Miss. (UPI)—Rep. John Bell Williams, D-Miss., condemning both the Democratic and Republican platforms, told a television audience Tuesday night that at a recent rally Democratic vice presidential candidate Lyndon B. Johnson "sat and ate ice cream while the hand played 'Dixie'."
