Radio & TV Tubes

Always Tested

FREE

by Competent Technicians
at **ACE TV!**

And, to keep you from making useless purchases, we operate tube TESTERS, not tube SELLERS!

Over 34 of the tubes that check WEAK when tested, will work perfectly in the set; most of them, in fact. BETTER than a cheap replacement.

As an example, most weak audio (sound) tubes will put out more than wanted by merely turning up the volume control.

So we simply say, don't be confused by a tube SELLER masquerading as a tube ANALYZER. Have your tubes properly tested by your favorite service shop. They WILL save you money!

And for the finest in Radio-TV service, it's . . .
