Dunsmuir Club Plans Activities

DUNSMUIR — Two Christmas boxes filled with mystery gifts will be given away by the Dunsmuir Women's Club as a money-raising project for the club's various philanthropies, the club membership decided at the October luncheon meeting.

Each member will donate two holiday-wrapped gifts to this project and the boxes will be displayed in Burnett's window in downtown Dunsmuir until 3 o'clock on December 9.

Members of the club voted to support the project of the California Federated Women's Club of supplying self-help to Latin America through CARE, the district scholarship fund, the Pennies for Pines and Penny Art. The club has traditionally supported the Dunsmuir American Field Service program which brings a student from abroad each fall and sends a Dunsmuir student to Europe in the summer. A local project such as assisting in construction of the community center or a beautification project will be decided upon at the November meeting.

Senior Citizens Invited To Meet

MOUNT SHASTA—George Thebolt, president of the recreational district, and Mrs. Ann Worthington, president of the Soroptimist Club, have issued a joint invitation for a senior citizens meeting Sunday, November 13, at 5 p.m. It will be held in the city hall.

A coordinated council will be set up to work out plans to carry on work outlined by Gov. Pat Brown at a statewide meeting in Sacramento October 3 and 4.

Thebolt stated that there were so many ways that older people could aid the community if given the opportunity and encouragement, it was a waste of talent not to plan to use these aids.

All are invited to attend and participate.

Suds Foil Art Of Spooks

With the spookiest night of the year coming up, here is some Halloween advice for the mothers and neighbors of young ghosts, witches and assorted hobgoblins.

If diversionary tactics fail, and the "spirit world" marks up your windows, don't be unduly alarmed. Chalk scribbles can be washed off by using a sponge saturated with soap or detergent suds. For wax or crayon markings use turpentine first, then follow with hot suds and rinses.

MOIST COOKIES

Do you want your cookies, cakes, and muffins to stay moist? Then use honey as an ingredient, for it helps baked goods to retain moisture.
