

Crowd Ired By Youths

HOLLYWOOD (UPI)—A crowd of theatergoers turned into an angry mob Tuesday night when four youths wearing swastika arm bands tried to picket the opening of Negro entertainer Sammy Davis Jr.'s new show.

Police had to rescue the placard-carrying youths from about 100 persons milling outside the Huntington Hartford Theater and take them from the scene "because we couldn't guarantee their safety."

All four youths were roughed up by the crowd during the heated five-minute skirmish. It was touched off by the sight of the Nazi swastikas and placards bearing "pride in race and nation." The youths wore khaki shirts with black ties.

Aged between 19 and 20, the pickets said they had wanted to parade in front of the theater in protest against Davis' forthcoming marriage to blonde actress May Britt. They said they were believers in "racial purity" and objected to intermarriage, but denied they belonged to any organization.

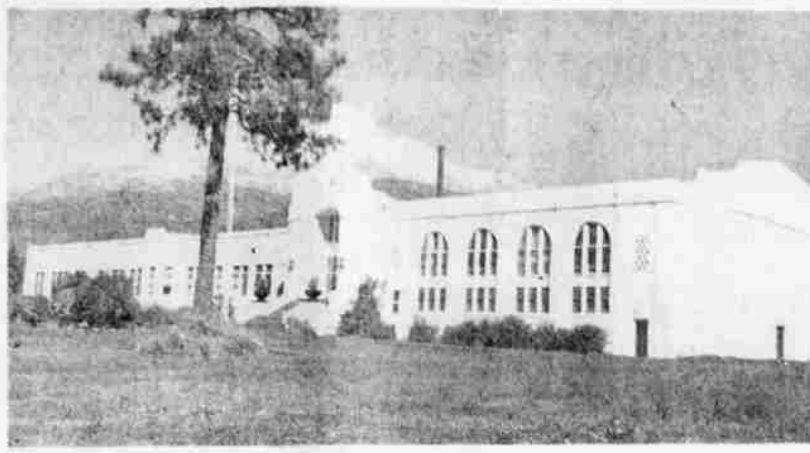

Davis said "I had not the faintest idea about it (the demonstration). It's a shame."

Police Sgt. Richard Dumbald said he believed the crowd's actions destroyed any plans the youths had of any more picketing. It was the first time they had ever done any picketing, they said.

The disturbance broke out as soon as the four youths showed up at the theater, shortly before the start of the show. One youth was knocked to the ground almost immediately and others were struck before the three policemen on the scene could intervene.

Three of the youths, identified as Roger Stanton, 19, Fred Joseph, 20, and Leonard Holstein, 20, machinists and laborers, were taken to the Hollywood police station. The fourth youth apparently was so frightened by the crowd's reaction that he fled before police could get to him.

No arrests were made. None of the youths was seriously injured.

THE OLD Mount Shasta High School is the subject of a problem on its future use. The building was constructed in 1927.

Swim Pool Bids Slated To Be Let

YREKA — During last week's meeting of the city council, it was disclosed that bids for construction of Ringe Memorial Swimming Pool Center will be let out by the first of the year.

According to Oscar Piemme, city engineer, the pool should be finished by July 1, though he stated that some of the contractors claim they could have it completed by June 1.

In the absence of Mayor Matt McNeil, the meeting was conducted by Councilman J. E. (Jim) Cummings.

Councilmen criticized a letter written and addressed to the League of Siskiyou County Cities by Supervisor W. A. (Art) Barr.

The letter listed reasons why the county asked a larger share of county sales tax revenue from Yreka than from other cities in the county. The letter stated in part that Yreka is enriched by county payrolls and has access to county facilities.

Cummings pointed out that Yreka residents pay county taxes too and are entitled to county facilities. Councilmen Ed Doyle and Charles Cooley agreed. Councilman Harry Friedman was absent.

The council also authorized City Administrator-Clerk Alton Taylor to write letters of inquiry for additional information relative to a dump site.

And councilmen authorized Chief of Police H. T. Watson to deputize the city pound master, Warner Stewart. Watson said if residents wish to register dog nuisance complaints they may do so by calling the police department at the city hall.

Public Opinion Divided School Problem Hits Shasta

MOUNT SHASTA—A new type of school problem has hit Mount Shasta. This has to do with tearing down an existing building, the old high school. Public opinion, as usual, is divided on the wisdom of such a move. The building was erected in 1927.

A clause in the deed on which the old building stands makes it mandatory that the land be used solely for educational purposes. This prevents the city of Mount Shasta from taking over the premises, as the land was donated to the high school district by the town, and paid for by a special 50-cent levy.

In order to stay within the limits of the prohibiting clause, the elementary school district will probably secure the site. The Siskiyou Union High School District office is now housed in the old building, but plans are being made to move this to another location.

I. W. Kelsie, elementary school superintendent, stated that the old building was not suitable for elementary school purposes. One objection is the size of the rooms. Another is that the heating plant is obsolete.

One resident believes this could be corrected by knocking out some partitions, and modernizing the heating unit, and still save the old building. Cost of repair, this man stated, would be less than architects plans for building a grammar school within a few years.

A misconception exists on how the late H. D. Brown was connected in the land deal when the district acquired the school property. Many believe that he donated the seven and one-half acres on which the building stands. He advanced the money to buy the acreage, but the town repaid him.

But for a clause that was inserted by an attorney without being advised to do so, according to those who recall the act, the town could repossess the tract, and the school district could acquire more suitable acreage.

Fire Destroys Huge Stand

HAPPY CAMP—A fire recently on Pyramid Peak near here in Klamath National Forest destroyed about 50,000 board feet of timber, the forest service said.

Eight smoke jumpers from Cave Junction, Oregon, 14 fire-fighters taken into the remote area by helicopter and several passes by borate solution bombing planes were required to quell the blaze.

The state, as it did in the first trial, claimed Finch, 43, and Miss Tregoff, 23, hired convict John Patrick Cody to kill Mrs. Barbara Jean Finch. The prosecution held that Cody failed to get the job done and the couple drove to the socialite's hilltop home in nearby West Covina with a murder plot and weapons with which to carry it out.

Mrs. Finch was shot to death July 18, 1959. The defense claims that Finch triggered the bullet accidentally as he attempted to toss the gun away following a violent struggle for possession of the weapon.

5-Day Forecast
SAN FRANCISCO (UPI)—Five-day weather forecast for Northern California: Rain likely extreme north and possibly elsewhere around weekend; temperature near normal; normal minimum maximum Sacramento 48 to 71; Red Bluff 48 to 72; Blue Canyon 41 to 57; Santa Rosa 40 to 72.

Finch Jury Still Out

LOS ANGELES (UPI)—Eleven women and one man resumed deliberations today on the guilt or innocence of Dr. R. Bernard Finch and Carole Tregoff, accused of murder in the first degree.

By day's end Tuesday, the panel had deliberated 28 hours and 5 minutes. The jurors who heard the couple's first trial deliberated 37 1/2 hours before they were excused March 12 after finding themselves hopelessly deadlocked.

The retrial, which started June 27, now is in the middle of its 18th week. A prosecution spokesman said he believed it is the longest criminal trial in California history with the previous longest trial lasting 16 weeks. The couple's first trial lasted nearly 15 weeks.

Superior Judge LeRoy Dawson said he would not poll the jury to see how members stood on a verdict. The jurist said he felt the panel appeared "amiable and well-oriented."

In explaining his decision, Dawson said the members heard 12 weeks of testimony from 99 witnesses and had some 130 exhibits to consider before making a decision on the outcome of the retrial.

The jury—since getting the case Wednesday—has been locked up each night on the 10th floor of a downtown hotel, traveling to and from the Hall of Justice deliberation room by bus.

Deputies said Finch spends each day in his cell reading magazines, listening to the radio and smoking his pipe. Carole, however, while away the hours washing dishes in the jail kitchen.

The auburn-haired former model asked to be kept busy during the deliberations. During the trial she was made a trustee and had worked in the dispensary.

The state, as it did in the first trial, claimed Finch, 43, and Miss Tregoff, 23, hired convict John Patrick Cody to kill Mrs. Barbara Jean Finch. The prosecution held that Cody failed to get the job done and the couple drove to the socialite's hilltop home in nearby West Covina with a murder plot and weapons with which to carry it out.

Mrs. Finch was shot to death July 18, 1959. The defense claims that Finch triggered the bullet accidentally as he attempted to toss the gun away following a violent struggle for possession of the weapon.

LUCKY SEVEN should be the name of this cow photographed on the Graves ranch near Mount Shasta. The all-black cow has a perfect number 7 outlined on her forehead. Rustlers wouldn't dare take this animal.

Lions Board Of Directors Meets

HAPPY CAMP—The Lions Club Board of Directors met this month at the home of Ray Wasson, president, to discuss plans for the proposed Boy Scout headquarters building.

The building proposed would measure 30 feet by 40 feet. It would be of frame construction. Lumber donations have been made.

Siskiyou County has indicated it will lease 14 acres of land in back of Hall's Mercantile Store for the purpose of \$1 per year.

The Rev. and Mrs. Earl Smith

The Rev. and Mrs. Earl Smith, Montevideo, Uruguay, were overnight guests of Mr. and Mrs. Robert Tuttle here Friday.

Mr. and Mrs. Henry Akers

Mr. and Mrs. Henry Akers flew to San Francisco Thursday. Akers is receiving medical attention there.

MR. BILL MOORE

Member of Executive Board, COUNCIL ON HIGHWAY REGULATION, and outstanding business and civic leader.

"The proposed billboard measure is a bad and unfair bill—Vote NO on No. 15"

"I agree that billboard control is necessary but I DON'T AGREE that the answer is abolishment on the 2 interstate highways and unfair, unrealistic restrictions on the 16 throughways. Oregon people do not want to destroy jobs and cripple payrolls... they do not want to put the State in the billboard business. Vote NO on No. 15—the UNFAIR billboard measure—it is a bad bill!"

Mother, Five Hurt In Crash

HAPPY CAMP—Mrs. Bud Clyburn and her five children were shaken and bruised in an auto accident on Klamath River Road recently.

Mrs. Clyburn said her car went off the road and down an embankment when the car's steering wheel apparently locked. The accident occurred about a mile from Beaver Creek east of Hamburg.

The Clyburns were taken to Siskiyou County General Hospital in Yreka for treatment. She said a large tree was all that prevented her car from plunging into the river.

40 Complaints Probed By PD

YREKA—During September the Yreka Police Department investigated 40 criminal complaints, according to Chief of Police Henry T. Watson.

Also during the month, 152 traffic citations were issued and nine persons were arrested by the department and booked at the county jail.

Other cases investigated included five accidents, five thefts, including a car theft and one pedestrian accident.

Watson reported that during the month of September police cars covered 6,478 miles in patrolling.

To Get Out The Vote

YREKA—Boy Scouts here and across Siskiyou County will distribute colorful posters Saturday urging people to vote.

Cubs and scouts will distribute 6,000 of them. They ask residents to place the posters in windows at home.

4-H NEWS

BIG SPRINGS MONTAGUE — The October meeting of Big Springs 4-H Club was conducted by Duane Miller, president. Sandra Jones and Jim Zediker led the pledge of allegiance and the 4-H pledge.

Mr. Zediker told us about the forthcoming Achievement Day. Pat Machado told us about the invitation to a Halloween costume party to be given by Grenada 4-H Club.

A skating party was discussed. We decided to have it the evening of November 12 at the Montague skating rink.

Attending the meeting were 21 members, seven new members, three leaders and one visitor.
