

AGAIN THIS YEAR the Klamath Lutheran Church on Crescent Avenue will stage a bazaar starting at 10 a.m. on December 2. The planning committee, left to right, Mrs. E. H. Evenson, Mrs. J. O. Svegaard and Mrs. Bennett Loftsgaard, met recently to discuss arrangements. In addition to the snack bar and bazaar exhibiting lovely Christmas gifts, a turkey luncheon will be served at noon. Scandinavian food will again be featured in the food sale. Proceeds will go toward the educational unit indebtedness. — Photo by Kettler

Merrill Lodges Hold Meetings

MERRILL—Merrill Theta Rho girls met Thursday, October 20, in the Odd Fellows Hall for their regular session. Patti Burleigh, president, conducted the meeting. Final plans for the festival parade float were made. Nominations for officers were opened. The girls practiced for initiation October 23 and November 1 immediately after school. Initiation will be held at the next meeting Thursday, November 3, for two new members. Fifteen members and three Rebekahs were present for this meeting.

The regular meeting of the Rebekah Lodge was held October 17 in the Odd Fellows Hall. Don-

na Faye Haskins, president, conducted the meeting. Nomination of officers was opened and will be closed during the next meeting, followed by election. Refreshments were served to the 19 members present by Carrie and Bea Mattson.

MEAT AND NUTRITION

Meat combines taste appeal and a wide variety of nutrients. Its aroma and flavor encourage eating and promote good digestion. The usual servings of 6 to 8 ounces per day provide a high proportion of protein, B vitamins and minerals which the diet must contain to be right for good nutrition.

YOU NAME IT

Fascinating names — pepperoni, braunschweiger, cervelat — you could serve a different sausage every day for nearly a year and not repeat one. Such is the variety available in one of the most economical meat items. The sausage family comes in beef, pork, veal or mixed varieties; fresh, cooked and smoked; in casings or skinless. Many are table-ready and all are convenient to use.

BE SURE OF SIZES

Avoid turning a surprise clothing gift for your husband into a disappointment because of wrong sizes. Take an accurate tape measurement and file the figures in your billfold. Remember that pants length is measured from the crotch seam to cuff (not from the waist), and sleeve length is measured from the nape of the neck to the wrist, rather than from the shoulder seam or underarm.

"The Midas Touch"

"The Midas Touch"—if you re-dust sprinkled (but lightly!) on member the legendary king whose bare shoulders or in the hair, touch turned everything to gold. With it, for the ultimate in glitter, also consider gold frosted nail enamel. . . . But all is not gold that glitters for a gala evening this winter. Star twinkles cast a silver shimmer in a cuff, for instance, with minted moonlight eye shadow, and luminous pearl-glow make-up.
