

HUNTERS MAPS have been printed and are being sold by the Dorris Lions Club for commission projects. Here, Jack Lambert, chairman of the project, points out some details of the map. They were made from aerial photography, all secondary roads are shown and most ranches also named. Members of the map committee, in addition to Lambert, include Game Warden Bob Lucas, Martel Sundkvist and Harold Porterfield, all of Dorris. It took five months to put the map together. Copies can be purchased at Bray, Macdoel and Dorris for \$1.25.

Committeemen Election Set

The annual election of community committeemen for the Klamath County agricultural stabilization and conservation program will be held the latter part of November. The election will be by mail.

The community election boards have selected the following candidates for each community:

Merrill-Malin—Alfred C. Carleton, Walter Fotheringham, Glenn Haskins, Henry O'Keefe, Harry Orem, James Ottman, Frank Payge Jr., Wayne Rick, Richard Takacs and Ralph Stearns Jr.
Henley-Keno-Midland—George M. Ager, Will Blackman, I. E. Campbell, Jaye Flagg, Loren

Amendment To Be Asked

PORTLAND—Secretary of State Howell Appling Jr. said today he will ask the 1961 legislature to amend state law to avoid costly duplication in printing and mailing of voters' pamphlets to the registered voters of Oregon.

Appling said these unnecessary duplications cost taxpayers about \$80,000 each election year.

He pointed out that under existing law his office is required to mail the pamphlets to every registered voter.

"The result is that every voter in every household gets a copy," Appling said. "A voters' pamphlet is mailed to both the husband and wife and to each of their voting-age children who are living at home."

"The taxpayers have to pay the cost of printing and mailing these pamphlets and it seems to me that the duplications under the present law are unnecessary and a needless waste of tax money."

The voters' pamphlet lists candidates and ballot measures and contains information about each. About 867,000 were printed for the primary election this year and more than 900,000 for the general election.

Appling said the total cost this year will exceed \$215,000 and about 30 per cent is spent on duplicate copies.

Appling, a candidate to succeed himself as secretary of state, told a group of East Multnomah County supporters that this recommendation will be among several he will make to the 1961 legislature, including a reduction of a quarter of a million dollars in the budget for the secretary of state's office.

The secretary of state said his proposal for reducing the cost of printing and mailing voters' pamphlets is part of a continuing effort by the present state administration to save taxpayers' money without impairing government services.

"The 'constructive economy' practiced by this administration," Appling said, "will save several millions of dollars of tax money and has contributed substantially to the accumulation of the \$3 million dollar surplus in the state treasury."

Hemorrhoids Cured Painlessly By Non-Surgical Method

The non-surgical, electronic method for the treatment of Hemorrhoids (Piles) developed by doctors at the Dean Clinic has been so successful and permanent in nature that the following policy is offered their patients: "After all symptoms of Hemorrhoids... have subsided and the patient has been discharged, if he should ever have a recurrence, all further treatments will be given absolutely free."

The Dean Clinic has been serving the Northwest for fifty years. Their treatment requires no hospitalization and does not employ drugs or injections.

Write today for a descriptive booklet, yours without obligation: The Dean Clinic, Chiropractic Physicians, 2026 N. E. Sandy Blvd., Portland 12, Oregon.
