DISTRICT MEETING

MALIN—A very attentive group watched an outstanding program on arrangements done by Mrs. Merritt England at the October 22 meeting of Klamath District Garden Clubs.

The woodforms used for her arrangements had been found and prepared by Mrs. England. She carefully described these as she combined fruits, dried materials and flowers into numerous displays. In her work she stresses beauty through texture as being the difference between burlap and velvet. Her demonstration also included plaques and several previews of new ideas for the coming holidays. Mr. and Mrs. England drove from Merced for this meeting.

The morning session of the meeting held at the Midland Grange Hall was opened by Mrs. Verda Urbach, president of the hostess Evergreen Club. Following group singing of God Bless America, the flag salute was led by George Hyff, Explorer Post No. 8 of the Boy Scouts. The invocations were led by Pastor Lee Shafer of the Suburban Christian Church.

The district director, Mrs. Chester Maine, conducted the business session and introduced Mrs. Verne Brader, state president of Oregon garden clubs.

A delicious luncheon was served in the hall at noon. The theme "Golden Harvest" was carried out in the table arrangements done by the nine clubs in the district. An added attraction was the labeled display of chrysanthemums which grow in this area, displayed by Mrs. Ray Petersen.

Final plans were made for the club's assignment for the District Garden Club meeting.

Mrs. Ralph Nelson spoke to the group on the fall care of flax, which is the flower the club has been studying this year.

John Adams is the longevity champ among U.S. presidents. He lived to the ripe old age of 90.
