KUHS Marching Band Invited To 'Big Game'

The KUHS Marching Band, will represent Klamath Falls for the eighth consecutive year at the Shrine East-West football game in San Francisco, December 31. The band has been invited along with the Medford High School Band to present a short pre-game show immediately before the kick off of the game. This comes as a signal honor since by popular demand the two bands have been requested to do the same show that they did three years previous at the East-West game.

The K.U. band is further honored this year in being appointed one of two feature bands for the East-West game. Feature bands provide music for time out periods and quarter periods of the ball game. The band will also participate in the very colorful halftime pageant in which some 30 bands and marching units participate.
