**Schools In Other Lands Topic Of Student Panel**

"In Every Land We Study, We Learn, We Understand," November's program topic for Alpha Chapter, Delta Kappa Gamma International Society, was developed in a most outstanding manner by two seniors and a sophomore of Henley High School when they participated in a panel, "Schools in Other Lands," for the Nov. 5 luncheon meeting of the chapter held in the Pelican party room.

Mrs. John Adams, program chairman presented Louise Mitchell, Henley teacher and Alpha chapter member as moderator of the panel. She in turn introduced chairman, Jim Muri, and members Becky Aubel and Lydia Umberger.

Mrs. R. S. Loosley, Indian chairman, requested members to bring gifts to the December meeting suitable for the Indian children at Chemaewa.

It was announced that the candy sale is progressing nicely and that members may pick up additional supplies by contacting Mrs. W. J. Owsley or Mrs. Lydia Ager.

After the business meeting which included a defense report by Mrs. Dick Henzel, the program was turned over to Mrs. Paul Deller who introduced Mr. and Mrs. Ralph Richardson and Mrs. Frances Curry, all of the Methodist Church. Mrs. Richardson sang two delightful numbers, "Sweet Phyllis" and "Just Been Wondering." She was accompanied by Mrs. Curry. Ralph Richardson's thoughtful talk on "The Heritage for Which Our Children Will Give Thanks" was very much enjoyed by the group.

Refreshments were served by the hostess, Mrs. W. J. Owsley, and her committee consisting of Mrs. Wade Crawford, Mrs. C. J. Martin and Mrs. Loyd Ryser.

The next meeting will be at the home of Mrs. Harry Goeller on Dec. 5. Mrs. Jack Nixon will present a program on "Revolutionary Christmas" and Mrs. H. A. Pedersen is arranging for special music that evening.
