# California Briefs

**Tulelake**

**Mr. and Mrs. John Bowman** and family of Modesto have been recent guests at the home of Mrs. Hildur Larson. The visitors were here for the hunting.

**ETNA**

**Mrs. Luneta Thelen** of Big Sur visited several days last week at the home of Mr. and Mrs. Frank Eames, Sugar Creek. She had been to the Eastern seaboard for a visit.

**Mr. and Mrs. Harry Fowler,** Anchorage, Alaska, are visiting Fowler's brothers and their families here for a while.

**Robert Quigley** and his son, Dick, Oakland, returned to their home from a hunting trip and visit with Quigley's mother, Mrs. Alma Evans, and his brothers here recently.

**Mr. and Mrs. Orel Edwards** returned to their home here after spending several weeks in Los Angeles and San Francisco visiting relatives.

**Johnny Aitkin,** Carson City, Nev., has been visiting his aunt and uncle, Mr. and Mrs. Glen Grinnell, here for the past two weeks.

**Mr. and Mrs. Albert Simmons,** Stockton, visited relatives here over the weekend. They attended the barbecue dinner at Callahan Catholic Church Sunday.

**Mr. and Mrs. Jon Minney,** Long Beach, visited Mr. and Mrs. W. T. Young here a week ago Friday. Mr. and Mrs. Minney are former Etna area residents.

**The Rev. Donald L. Sager** went to San Francisco last week, where he attended a meeting for several days at Glide School. He returned Sunday.

**Mr. and Mrs. Harry Burcell** drove to Redding last week. They transacted business and visited their son and his family at Central Valley.

**Mrs. Helen Burkhardt** returned to Etna recently after spending some time in Hickman with her sister and brother-in-law, Mr. and Mrs. H. Hawkins.

**Mr. and Mrs. Leonard Powers** visited friends in Scott Valley recently. They attended a barbecue at Callahan—a benefit function for the Callahan Catholic Church restoration fund—Nov. 6. She is the former Harriet Snyder.

**Mr. and Mrs. W. H. Palmer,** Greenview, moved last week into the home they purchased on Harrison Street here.

## Bus Strike Strands 400,000

LOS ANGELES (UPI)—Approximately 400,000 Southern Californians who daily ride buses and trolleys had to depend on other means of transportation today when mechanics defied a court order and went on strike against the Metropolitan Transit Authority.

The MTA, a public utility, operates the only major public transportation system serving Los Angeles and 140 other communities here and in the surrounding counties of Riverside, Orange and San Bernardino.

## Cattlemen's Fall Event Is Friday

MONTAGUE—D. J. Kuck of Montague, president of the Siskiyou County Cattlemen's Association, has announced that the association's annual fall banquet has been scheduled for Friday evening, Nov. 18, at the new Winema Hall, Siskiyou County Fairgrounds, starting at 7 o'clock with a social hour. Dinner will be served at 8 o'clock.

Featured guest speaker for the evening will be Louis Rochford, whose subject will be "Beef of the Future."

Rochford is a native of Kansas and a graduate of Kansas State University. He spent 22 years with the Agricultural Extension Service—12 as a livestock specialist at the University of California.

In 1943, Rochford resigned to accept resident managership of the Tejon Ranch near Bakersfield. He became president of the Tejon Ranch Company in 1948. In August, Rochford assumed his present position as chairman of the board of directors, Tejon Ranch Company.

Another highlight of the evening, according to D. J. Kuck, will be presentation of a government bond to the winner of the 4-H Club economical feeding contest. Plaques will also be awarded to county fair winners of feeder cattle competition.

Remarks on the coming cattlemen's convention will be made by Director Ed Hart of Little Shasta.

All cattlemen and their families and interested persons are invited to attend. Kuck states that roast beef or fish will be served, according to preference.

In order to facilitate arrangements, the association members would like to know in advance how many persons plan to attend. They suggest calling one of the following by Wednesday, Nov. 16, for reservations:

Gene Selby, Fort Jones; Blair Smith, Etna; Stuart Hammond, Weed; Norman Sears, Grenada; Edson Foulke, Gazelle; William Valentine, Montague; farm adviser's office, Yreka; and Howard Beck, Butte Valley.

## Order Halt

SALEM (AP)—The state Department of Agriculture today ordered bakers to stop baking one-pound loaves of bread in 1½-pound size pans.

The baking practice is known as ballooning. The order is effective Nov. 23.

## Turner Rite Conducted

MOUNT SHASTA—Funeral services were held in Mount Shasta Community Methodist Church Tuesday, Nov. 15, at 2 p.m. for Mrs. Flora Ruby Turner, who died in Mount Shasta Friday. The Rev. Harold Engdahl conducted final rites.

She was born in Lawrence, Kans., July 24, 1882. Her maiden name was Fora Ruby Deay. Her home had been in California since 1911, and in Mount Shasta since 1927.

Survivors include a daughter, Mrs. Ruth Salinas of Mount Shasta, and son, Lester Lea, also residing here. Mrs. Hazle Lagerway of Palo Alto, and Mrs. Elsie Tood of Lamar, Mo., are her sisters. There are six grandchildren and 16 great-grandchildren.

Interment followed in Mount Shasta Memorial Park.

## Main Aqueduct Seen In 1962

SACRAMENTO (UPI) — Water Resources Director Harvey O. Banks promised today that construction on the main aqueduct to take water to Southern California and on Oroville Dam will begin "probably sometime in 1962."

He hailed approval of a $1.75 billion bond issue to pay for the water program as an indication that "most Californians are aware of the urgent need for water development" and said the voters now have given the Department of Water Resources the financial tools needed to go ahead.

"We share the desire of our potential water customers to start the dirt flying without delay," said Banks. "At the same time, however, we must continue to plan our program so that efficiency, economy and financial responsibility are kept in mind every step of the way."

## Grange Sponsors Card Party

TULELAKE—Tulelake grangers will sponsor a public card party at the grange hall Thursday night, Nov. 17, starting at 8 o'clock. Pinochle and bridge will be in play with prizes and refreshments.

During the last meeting, Jess Saunders was acting master in the absence of Clarence Moore and Mr. and Mrs. Charley Jones and Mrs. Al Hardman were obligated.

Mrs. Howard Moore, grange home economics chairman, was appointed to be in charge of refreshments for the card party: Mrs. N. B. Macken and Mrs. Howard Moore, posters; Mrs. A. R. Heckman, prizes and cards; Mrs. Elmer Scott, Mrs. Pat Kirby, posters.

During the business meeting Mrs. H. T. Street read a letter from Secretary of the Interior Fred Sealon on homesteading which is urged by the grange.

It was announced that Siskiyou County Grange will meet in Gazelle Nov. 19.

The Tulelake Grange Christmas party Dec. 8 will start with a 6:30 p.m. turkey dinner followed by a gift exchange for the children and a program by youth of the grange. Parents are asked to take gifts for their own children.

Members answered roll call with "What Would You Do For One Day."

Officers of the Tulelake and Dorris granges were installed at Dorris. Attending were Mr. and Mrs. Jess Saunders, Mr. and Mrs. Albert Scott, Mr. and Mrs. Elmer Scott, Mr. and Mrs. H. T. Street, Mr. and Mrs. N. D. Macken and daughter Doris, Mr. and Mrs. Herman Pendergraft, Mr. and Mrs. W. H. Weitkamp, Dan Schwab, Clarence Moore and Mrs. Roy Urback.

**THE PLAY'S THE THING** in Mount Shasta these days. The Starmakers, the city's little theater group, are polishing their production of "You Can't Take it With You" for presentation to the public Nov. 18 and 19 in the Mount Shasta High School gym. These women are painting scenery. They are, from left, Mrs. Olivia Thebolt, Mrs. Irene Otis and Mrs. June O'Brien. — Photo by J. O. McKinney

## Van Norman Rite Is Held

ALTURAS — Funeral services were conducted in Sacramento Wednesday, Nov. 9, for Conrad Van Norman, 71, a native of California. He died in Colfax Nov. 7.

Van Norman is a brother of Ottie Van Norman, former Alturas resident, and retired Modoc County cattleman. The latter was a member of the posse composed of Modoc County and Washoe County, Nevada, men who in 1911 set out to find some long overdue livestock raisers only to find their bodies in Little High Rock Canyon where they were massacred by Shoshone Mike and his renegade band of Indians.

Van Norman is also survived by two nephews, Peachee and Charles Van Norman, Nevada.

## Government Fails In Case Against Worker

SAN FRANCISCO (UPI)— The U.S. government has failed in an attempt to prosecute a longshoreman on charges he pilfered a 57-cent pineapple.

Wiley Nisby, 46, was accused of taking the pineapple while working on the waterfront. In an effort to convict him, the government called in the FBI and seven witnesses during the two-day trial.

U.S. Commissioner Joseph Karesh Tuesday said the evidence was not sufficient to meet the high standards required for a conviction and ordered the defendant acquitted.

The government had said it was pressing the case as an example to other would-be pilferers among waterfront workers.

Nisby, who had faced a possible six months jail sentence, claimed that the pineapple was given him by a sailor named "Jones."

## 200 Permits Out For Deer

ALTURAS—Fish and Game Department officials have indicated that 200 permits were issued to hunters to take either bucks or does in the "Yankee Jim hunt" in Modoc County which opened Nov. 7 and closes Nov. 20.

The antlerless deer hunts arranged in Modoc and Alpine counties will wind up the special hunting in Superior California to keep the herds in balance with their ranges.

In Superior California, 4,915 permits were issued for 11 other antlerless and either - sex deer hunts earlier this fall. In all, 13,835 permits were issued this year for a total of 29 special hunts.

## California Men Face Charges In German City

FRANKFURT, Germany (UPI) —Two teen-aged California soldiers were charged today with the "unpremeditated murder" of a German girl during a drunken drive through the streets of nearby Hanau.

Pvt. Floyd A. Kennedy, 18, Rosemead, and Pfc. William D. Jones, 18, Richmond, will go before a general court martial in Frankfurt Nov. 21, a spokesman for the 3rd Armored Division said.

The spokesman said they will be charged with unpremeditated murder, stealing a government vehicle, unauthorized absence from duty, willful disobedience and resisting arrest.

Kennedy, in addition, will be charged with reckless driving and leaving the scene of an accident.

The charges arose from a wild drive through the streets of Hanau, 20 miles west of here, Nov. 4. The two soldiers, the prosecution alleges, got drunk in a German bar after going AWOL and stole an armored personnel carrier from the Army's Hanau motor pool.

**OILY OPERATION**

The United States has more than 569,000 producing oil wells. Located in 30 states, these wells produce an average of 12.8 barrels of oil a day.

## Board Warned Of Tries To Divert Forest Revenue

DUNSMUIR—Legislation affecting the allocation of forest reserve funds to counties with large proportions of national forest land might adversely affect Siskiyou County, Roger Ellis, principal, told the Dunsmuir Elementary School Board of Trustees Tuesday night.

State education policies cannot keep federal funds from coming to these counties but legislation is being considered whereby state funds would be withheld in proportion to federal funds received, Ellis warned the board.

This would place an additional tax burden on privately-owned lands, as the federal allotment is in effect representative of county funds that would be raised if property taxes could be applied to national forest land. At present half of the federal forest reserve fund is applied to schools and half to road systems.

The board decided to call the matter to the attention of the Siskiyou County Trustees Association and to watch progress of the proposed legislation. Alternate legislation and possible countermeasures will be studied.

Harold Baughman, board member, gave a report of a possible school site study underway. Plans for subdividing the Brown estate in North Dunsmuir include a school site. In response to a request by Howard Jones, attorney for the development corporation owning the property, board members toured the area. No school construction is contemplated immediately and no decision was made, Baughman reported.

In other business, the board approved use of the school gymnasium twice a week for "town team" basketball practice, heard the new automatic fire alarm system is now complete, heard the school audit is completed, approved Roger Ellis' serving as vice president of the Northern California School Administrators Association, and learned the deed to the proposed school bus garage site is still being processed by the state Division of Highways.

## Siskiyou Education Days Continue Through Friday

YREKA—The fifth annual Siskiyou County Education Days program began Nov. 14 and will continue through Nov. 18, said Ken Young, director of curriculum for Siskiyou County schools.

A number of representatives from several colleges will visit county high schools during the week. Participants will include instructors Jack Criqui and Don Stensaas, and several students from College of the Siskiyous; Dr. Marvin Dillon, counselor, Chico State College, representing all state colleges; Mrs. Katharine Walker, assistant director of relations with schools, UCLA, representing all campuses of the University of California; John Scudder, director of admissions, St. Mary's College, representing Catholic colleges and universities; Dr. Alvin Feller, director of student affairs, Southern Oregon College; and representatives from Oregon Technial Institute, Klamath Falls, and possibly from Armstrong Business College, Berkeley.

Representatives talk with students—primarily upper classmen—about entrance requirements, programs, costs and other pertinent factors at their schools.

Three special programs for parents and others interested have been planned. Under the leadership of President Florence Meline, the 25th District, California Congress of Parents and Teachers was host to college representatives and school administrators of both elementary and secondary schools Monday evening.

A dinner was served at Weed Elementary School. Music was furnished by students from College of the Siskiyous.

A public meeting was held at Weed Elementary School Auditorium. Dunsmuir's "Mother Singers" performed.

College representatives were introduced and parents were given opportunity to discuss questions with them.

A similar meeting for parents in northwestern Siskiyou County was held at 7:30 p.m. Tuesday in the old Yreka High School gymnasium.

A meeting for eighth graders from the area served by Yreka High School was held in Jackson Street Elementary School Tuesday afternoon. Special invitations were sent to parents of eighth graders in Yreka and adjacent schools.

## Southern California Tries For Bigger Share Of Funds

SAN FRANCISCO (UPI) — Southern California officials made a plea Monday to get a bigger portion of state highway funds allocated to the 13 counties below the Tehachapis.

A joint interim committee of legislators met to hear testimony on a bill that would give Southern California 60 per cent of the funds and Northern California 40 per cent.

Present distribution gives 55 per cent to Southern California and 45 per cent to Northern California.

N. H. Templin, Los Angeles County road commissioner, said there is an urgent need for more funds for his area because of growing population and an increasing number of autos.

Assemblyman Tom Bane, Los Angeles, said he thought the southern part of the state was financing the northern highway projects.

Assemblyman Charles E. Chapel, Inglewood, also argued for the increased portion for the south but he indicated he did not think there was much chance of obtaining the entire proposed split.

Assemblyman Edwin M. Gaffney, San Francisco, said the north needed the money as much as the south—especially in the Redwood Empire region. He said the proposed bill would make most northern counties "orphans" of the state highway system.

Gaffney said rapid transit, not more freeways, was the answer to the Los Angeles transportation problem.

## Site For Big Sign Okayed

MOUNT SHASTA—A site just north of Cottonwood for a huge display sign advertising Mount Shasta was approved by Mount Shasta Chamber of Commerce at a luncheon meeting recently.

Bob Rogers was asked to contact an outdoor advertising company and have a contract drawn up for the sign.

Rogers was also given chamber encouragement in his attempt to provide group entertainment for skiers visiting the area.

Rogers reported hotel and motel managers are trying to find a meeting place for dancing, games and movies to augment evening recreation. Use of Mount Shasta Armory is being sought.

The chamber voted to sponsor a Christmas decoration contest and will ask members of the Business and Professional Women's Club to serve as judges. California Oregon Power Company is donating $150 prize money.

**HEARTBREAKERS**

## Crash Suit Total Now At $150,000

SAN FRANCISCO (UPI) —Attorneys for Cal Poly football players injured in an airplane crash that killed 16 of their teammates Oct. 29, today sued for $75,000 damages for each of two players.

The firm of Belli, Ashe and Gerry said it had filed for the damages in a San Luis Obispo court asking $75,000 each for Robert Johnson and Carl Bowser, both hurt in the crash at Toledo, Ohio. Named as defendants in the accident were Trans-Air, Arctic Pacific and other concerns, including the manufacturer of the plane.

"We anticipate filing damage suits for at least five others injured in the crash," said Richard Gerry. "And the relatives of some of those killed also have been talking to us."

Gerry said that when all the suits are filed that the damages asked would total more than $500,000.

"We understand that the airline had $50,000 insurance per seat," said Gerry. "And possibly more than that.

"It probably will take at least six months for the cases to come to trial."

Melvin Belli said that his firm also is going to sponsor a bill for federal and state legislation that would require any airline carrying school students on charter service to have a special permit.

## Federation Meets Friday

TULELAKE—The district meeting of California Scholarship Federation will be conducted at Tulelake High School Friday.

The conference is planned mainly to discuss business. A program of music, skits and a speaking contest will be presented by various CSF chapters in the district.

Delegates will be served lunch at noon in the school cafeteria. CSF is a statewide organization for honor students in high school.

## Chamber Picks Linton To Lead

DUNSMUIR — Les Linton has been nominated to serve as president of Dunsmuir Chamber of Commerce for the 1961 term.

Others nominated at a breakfast meeting of the board of directors Wednesday morning were Bill Starkey, vice president; Gary Girdler, secretary, and Don Warner, treasurer.

These men plus Ted Fay, outgoing president, and J. Bud Lachenmyer, Vic Petrovic, Marjory Young, Leo Huddle, James Lambert, Sigue Gilson, Helen Hutaff, Bill Febrero and Bob Kenoyer were nominated to serve on the board of directors.

The chamber election will be held during a dinner-meeting at Travelers Hotel Tuesday evening, Dec. 6.

Linton, owner of a local motel, has been active in chamber of commerce and other civic organizations and projects since he came to Dunsmuir about a year ago.

Starkey, also a newcomer, is manager of a catalog store here. Girdler is an insurance man and Warner is district accountant for California-Oregon Power Company.

## Randolph Buys Medford Bakery

YREKA—Bob Randolph, owner-operator of the Rolling Pin Bakery here, announces that he completed negotiations for purchase of Patterson Bakery at Medford, and assumed full ownership Nov. 11.

Randolph stated his current plans are to produce products at the plant in Medford, and supply smaller shops, with a managing owner at each. Besides his shop here, he is establishing four more stores, with three trucks operating from each shop. That would put 15 trucks into operation delivering bakery products in Southern Oregon and Siskiyou County.

Randolph also said he plans to call the new plant "Randolph's Bakeries—The Home of Buttercrust Bread."

The man-made brontosaur in Dinosaur Park, near Rapid City, S.D., is visible for 10 miles.

# Northern Californians Gain 2 Representatives

SACRAMENTO (UPI) — Southern California will gain six congressional seats and Northern California will get an additional two as a result of rapid growth during the past 10 years, an official source said today.

The Department of Commerce in Washington announced final census figures and said California would get eight additional congressional seats to raise its total to 38.

Lou Angelo, consultant for the Assembly Elections and Reapportionment Committee, gave this rundown of the likely realignment of the congressional delegation and legislature:

—Southern California will gain six congressmen and Northern California two. No area will lose congressmen.

—San Francisco will lose two assemblymen and Alameda County will lose one.

—Santa Clara, Orange and San Diego counties will each gain one Assembly seat.

—There will be no change in the make-up and district alignment of the Senate.

Angelo said that despite spectacular growth in Los Angeles County, the growth on a percentage basis has been trailing Santa Clara, Orange and San Diego areas and as a result no additional assemblymen will be granted to the state's largest county.

The state Constitution allows redistricting of the state Senate on the basis of the census but in 1961 only "slight modifications" were made as a result of the population growth.

Under California law, the Assembly membership is set at 80 and the Senate at 40. As a result, any changes made involve reshuffling districts—not adding members to the legislature.

The Assembly committee, under Assemblyman Robert Crown, D-Oakland, has held 10 hearings this year on proposals to reapportion the lower chamber and distribute congressmen.

Crown announced today that the final Northern California hearing would be held Nov. 22 in San Francisco. Two more are planned for Southern California in December.

The lawmaker, although charging that Republicans gerrymandered with legislative districts in 1951, has repeatedly promised that the Democratic legislature of 1961 won't do the same. It will be the first Democratic legislature of the 20th century to have control of reapportionment.

**HEADS AFRICAN NATION**

LAGOS, Nigeria (UPI)—Nnamdi Azikiwe, 56, American-educated Nigerian leader, today became the first African governor general in the British Commonwealth. An alumnus of Howard University, Washington, D.C., and the University of Pennsylvania, Azikiwe succeeds Sir James Robertson as the representative of the British throne in this newly independent Commonwealth nation.
