

ALL BANKS IN OREGON TO CLOSE SATURDAYS BEGINNING JANUARY 21, 1961

*Five-day week to be observed by
Banks throughout State*

Beginning with Saturday, January 21, 1961, all banks in Oregon will observe a five-day banking week, Monday through Friday. The new five-day banking policy is in keeping with the prevailing practice of banks nationally, and is virtually universal in the Western states.

Additional hours of banking service on Fridays or other week days will be provided by many of the undersigned banks to fit the needs of their communities.

Perhaps the main consideration in establishing a regular five-day week was the wishes of bank employees. Under present conditions many fam-

ilies with both husband and wife employed find it impossible to spend their weekends together. Then, too, a system of staggered days off during the week has made it difficult to maintain the continuity of service you should expect.

In addition to extended Friday hours, such other services as bank-by-mail, 24-hour depositories, speedy bank-from-your-car facilities, etc., are available to make five-day banking suit your requirements.

Your bank will appreciate having you discuss with them any special problems you feel that you might have in connection with the Saturday closing.
