Crossing the Stream

By Quentin R. Howard

Any number of players can take part in this game, which can be played indoors or outside. Give each player two pages of an old newspaper. At the *Go* signal, he puts one of the sheets (a "steppingstone") on the floor, steps on it, places the second sheet as far ahead as he can reach, and steps on it.

Now standing on the second sheet, he must reach back, pick up the first sheet, and put it down again ahead of him. In this way, the player must race to the goal line and back to the starting point. If a player falls in the space between papers, he "gets wet" and must start over again.

Let's Draw a Wasp

By Ann Davidow

This lovely shape will shortly be
in lots of handsome company.

Its closest friend comes to its side.
(It has no wish to run and hide.)

Now others join, two at one time.
They stand together in a line.

Then from all sides, at crazy tilt,
Come shapes and lines—a wasp is built.

Special "decongestant-action" cough syrup
breaks up congestion
at night while it
quiets racking cough

Science has developed a cough syrup that relieves two most annoying symptoms of colds or flu—it breaks up congestion as it quiets bronchial coughing.

Creomulsion Cough Syrup contains a special decongestant that loosens and helps expel germ-laden phlegm, thus breaking up chest congestion. It soothes the irritated bronchial membranes to quiet even those

nighttime racking coughs...without codeine or other habit-forming narcotics...thus helping you get a good night of restful sleep.

Next time a cold strikes be sure to get Creomulsion Cough Syrup, the special cough syrup with this decongestant action.

• Parents will find safe, pleasant-tasting Creomulsion for Children just as effective.
