Sugar Cane Field near Kekaha, Hawaii

Pure sugar cane...
so sweet and clean
little Hawaiians eat it raw
(Grown-ups make it into Cand H)

The pure cane sugar from Hawaii
...America's 50th State

The life of Hawaiian children is crowded with good things. A warm sun to play under... white beaches to scamper along... and a candy store run by Mother Nature that's big as a sugar cane field!

The tall sugar cane you see in the picture above, grows so pure, sweet and clean, our little Hawaiian children eat it raw. We grown-ups, of course, make it into sugar... for you. C and H Sugar. World's finest, we believe.

Hawaii! Surely no other place on earth is more abundantly blessed with brilliant sunshine, soft rains and rich, fertile soil. This must be the place where sugar was meant to grow.

Wouldn't it be nice if everyone... everywhere... could enjoy C and H Sugar? As you can.
