

Corbett Calls Proposed 1 Per Cent Hike Unfair

SALEM (AP)—Sen. Alfred H. Corbett, D-Portland, Tuesday said a proposal of the Legislative Interim Tax Committee for a 1 per cent tax on all income would be unfair to low income groups. Corbett commented when the proposal was brought up at a legislative fiscal conference. Rep. Clarence Barton, D-Coquille, chairman of the interim committee, said the committee's analysis. "You're taxing those least able to pay while reducing the overall tax collection by \$10 million a year," Corbett said. The tobacco industry probably would petition for the referral, he said. Ken Bragg, legislative fiscal officer, presented the legislators with guides for legislative budget gram offices. Many low priority items have been screened from the budget, but there are alternatives, he said. "It should be remembered," he said, "that generally the larger departments have more highly developed public relations and program offices."

Boy With Wish That Touched Many Is Dead

SAVANNAH, Ga. (AP)—The plucky boy with cancer whose wish for fresh watermelons touched thousands of hearts is dead. Little Danny McDougald, 6, of Bluffton, S. C., took a turn for the worse at home Tuesday and was taken to Savannah's Memorial Hospital, where he died about an hour after arrival. Danny had been in and out of hospitals since September when just as he did the Christmas presents that were given him ahead of time. Early this month the youngster told his parents, Mr. and Mrs. Daniel McDougald, that he would like to have some watermelon. His request reached as far as Miami, Fla., where Mayor Robert King ordered a watermelon flown from Honduras. Danny enjoyed the watermelon three-by-twelve foot back porch.

Former Diplomat Pleads Guilty To Drug Charges

NEW YORK (AP)—A former Guatemalan diplomat pleaded guilty today to charges of conspiring to transport and possess 116 pounds of pure heroin — worth more than \$20 million on the illicit narcotics market. The plea was entered by Mauricio Rosal, 47, former Guatemalan ambassador to Belgium and the Netherlands. A codefendant, Nicholas Calamari, 47, of New York, also pleaded guilty before U.S. District Judge Archie O. Dawson. Two other defendants had pleaded guilty Tuesday. They are Etienne Tarditi, 56, a French citizen with an electronics business in Paris, and Charles Bourbonnais, 39, of New York. The four men were seized Oct. 3. Rosal's government dismissed him from the diplomatic service a day later. They will be sentenced Jan. 11. Oldest American college abroad is Robert College, Istanbul, Turkey, founded in 1863.
