NEW CARS & TRUCKS 54

See The Lively-Lovely 1961 LARK 6 or V-8 By STUDEBAKER For Real PERFORMANCE! The chin marks on my knees turn blue! I clutch and sway, but almost double in mid-air! The rider who is not a midget is in trouble.
★ YOU'LL FIND MUCH MORE ROOM IN THE NEW LARK THAN ANY OTHER COMPACT! ★

The owner, shifting countless gears. Whips wildly round the cars past. And glazes the while he maddly steers. On how this baby saves the gas. YOU'LL FIND REAL ECONOMY, AND SAFETY, TOO IN THE NEW LARK!
Besides saving on gas, tires, repair costs, etc., the many safety features on the LARK may even SAVE YOUR LIFE!

★ ★ ★
And hanging on with teeth and talon. A view of midget cars is strong. What if they get more miles per gallon. When every mile is twice as long. YOU'LL FIND 15 INCH TIRES ONLY ON LARK!
DON'T GET CAUGHT IN THE SPIN — The 13 inch tire makes 100 more revolutions per mile than does Lark's 15 inch tire. This amounts to over 30,000 extra "spins" between Klamath Falls and Portland!

★ CHRISTMAS SPECIAL ★
1961 LARK 6 4-DOOR SEDAN
All new 112 h.p. Six engine gives superior performance. Dual head lights, unadorned. Climatizer, accessory kit, electric windows, padded dash, directional signals, anti-freeze.
