### Club Stages Yule Party

YREKA—The annual Christmas luncheon party of the Yreka Federated Women's Club was held Tuesday afternoon in the social hall of the Methodist Church, with Mrs. Harold Dexter presenting the Christmas program after the 12:30 p.m. luncheon.

A brief business session was also conducted by the president of the club, Mrs. Roy Pruett.

A carol opened the program followed with Mrs. Desey Sullivan reading "The Light of the World." Several Christmas carols were played at the piano by Mrs. Nathan McNames, and the origin of carols and their development over the centuries were described by Mrs. George Luttrell.

A reading was then given by Mrs. Harold Dexter on old Christmas customs and the tradition of Christmas cards.

The first Christmas greeting card, Mrs. Dexter said, was a crude woodcut, made in 1450 in the Rhine Valley, Germany. It was in 1946 in England that the sending of cards on a large scale to friends was first started.

The first commercial Christmas card in America was created and drawn by the artist, Forbes, for R. H. Pease, who operated a dry goods store in Albany, N.Y., from 1834 to 1856, and who sent the greetings to his customers.

The afternoon's program was concluded with the gift exchange with Mrs. Dexter serving in the role of Santa Claus.

In addition to those named, others present included Mrs. A. A. Burgess, Mrs. Mary Lemos, Mrs. Mary Truphemus, Mrs. Rosamond Westover, Jessie Conrod, Mrs. Helen Soule and Mrs. Kate Bickel.

Guests present were Mrs. Carrie LeMay, Mrs. Lillian Musson, Mrs. Albert Parrott, Mrs. Lucille Townley and Mrs. O. Fiock.

#### RECEIVE BOXES

DUNSMUIR—Cedric Kessler of Castella and Mrs. Robert Stanley of Dunsmuir were presented with "mystery boxes" laden with gaily wrapped Christmas gifts last week. These two were among the donors to the Women's Club annual project, some community service yet to be selected.

AN OLD PROVERB says, "There are three things for which thanks are due: an invitation, a gift, a warning." At the end of this gay holiday season of invitations and gift-giving, writing thank you notes will be in vogue. Small boxes of note paper, beautifully decorated in Christmas patterns, are excellent "stuffers" for Christmas stocking, or for that small gift.

### Youngsters Like Gifts Of Books

There are books for all the family, but none will be more appreciated at Christmas than books given to youngsters who are just beginning to read.

"Look, ma," becomes a familiar phrase as Junior or Sis point with pride to words they recognize in their new books. A mother with foresight will purchase these beginner readers for her 6 or 7 year old. The small fry may need help with some words, but once they begin to know the joys of reading, a new world will have opened to them.

Green Eggs and Ham by Dr. Seuss (Random House), author of the hilarious "Cat in the Hat" books (still wonderful), is another adventurous tale for those learning to read. Instead of the 200 words Seuss has been playing with in his beginner readers, this new adventure uses only 50 different words. The story is about Sam-I-Am and a shaggy friend on whom he tries to foist green eggs and ham.

Air Around Us (Grosset and Dunlap) tells the story of wind, hurricanes, lightning, thunder, snow, rain and helps to answer the small child's questions in the same easy-to-read formula that marks other books in the series that include stories of insects, reptile, birds, time, sounds, airports, rocks and minerals, dinosaurs.

My Hopping Bunny by Robert Bright (Doubleday) is the story of a little boy's purchase of a bunny who turned out to be very unusual. He could hop over the tallest church steeples, but then one day he hopped too high and must be saved by his young master.

For 7 and Older: The "how and why" books (Wonder Books.) These include the how and why of rocks and minerals, electricity, stars, rockets and missiles, weather.

For 8 to 14 Years: The Planet We Live On by Felix Sulton (Grosset and Dunlap) is a fascinating treasury of information about the earth. It describes our glaciers, minerals, deserts, caverns, animals. There is an interesting chapter on primitive cave men and illustrations of cave paintings from the ice age.

Over 12 Years: Gods and Heroes adapted by Morris Schreiber (Grosset and Dunlap) are the stories of famous myths and legends of the world. A book for a youngster who'd like to read about King Arthur and his Knights and the wonderful legends of other lands. The colorful myths of Greece and Rome are included.

Greek Gods and Heroes by Robert Graves (Doubleday) recounts the rise and fall of the Olympians, and tells stories of the magnificent Greek gods in a new narrative approach.

Low prizes went to Mrs. Sidney Terwilliger of Montague and Mrs. Edna Muzall of Yreka. ### Bank Staff Attends Dinner

WEED—Staff members of the First Western Bank and Trust Company, Weed Branch, and their guests enjoyed the annual holiday bank dinner party Saturday night, Dec. 9, at the Y-Cafe.

The party tables were centered with a replica of snow-covered Mt. Shasta with miniature skiers interspersed with the seasonal greenery and snowflaked arrangement made by Jose Scalise.

Humorous gifts were exchanged by those present and highlighted the evening entertainment.

Bank manager Harold W. Campbell and Mrs. Campbell headed the party slate and others enjoying the festive evening were Mrs. Rolland Riley, Mr. and Mrs. John McCoy, Mr. and Mrs. Melvin Soletti, Mr. and Mrs. John Kersey, Mr. and Mrs. George Linville Jr., Mr. and Mrs. Frank Aquila, Maudie Bianconi, Jose Scalise, Gilbert Tosarti and Claudie Leon.

### Czechs Meet For Yule Party
