Klamath Dog Fanciers Await Approval Of Obedience Tests

Approval of its first sanctioned obedience match from the American Kennel Club is awaited by by Klamath Dog Fanciers, Inc. After approval is received, a date will be set for the second sanctioned match required by AKC rules before the club can include obedience trials along with the annual Labor Day weekend all-breed dog show next year.

The second match will be held, probably, in late May or early June as six months must elapse between matches.

More than 50 spectators turned out recently to watch Mrs. Margaret Jones of Medford judge the novice and open classes at the Klamath County Fairgrounds.

A German Shepherd, which won high honors in the local dog club's obedience training course last summer, scored 194 points out of a possible 200 to win high points in the Novice A Class. The dog's owner is Bob Embree of Klamath Falls. Second place went to a Pomeranian owned by David Penny.

A Collie, owned by Mrs. Robert F. Starbuck, wife of the club's president, won high points in the Novice B Class with 188 points.

Both Open A and B classes were won by Medford entries. May Brown, with a Shetland sheep dog, took the former with 189½ points, and Kathryn Nelson's Collie was high point winner of the match with 196½ points.

Mrs. Vernon Reitan of Klamath Falls was show chairman. A total of 170 points, which must include 50 per cent of every exercise, is required as a passing score, according to Mrs. Reitan.

Klamath Dog Fanciers plan to sponsor another course of obedience training, open to the public, starting in April next year. Mrs. Reitan will instruct again this year. Dogs entered may be registered or non-registered as the ratings earned in obedience trials are Companion Dog and Companion Dog Excellent or utility class ratings.

Members of the local dog club held a judges' dinner following the match.

YMCA Arranges Vacation Activities

The Klamath County YMCA has arranged some special activities for school youngsters during the Christmas vacation. The schedule is as follows:

Monday, Dec. 26 — ping pong tournament, 10 a.m. Basketball shooting contest, 1 p.m. Contestants will be sorted into age groups.

Wednesday — tour of Great Northern Railway and a ride on an engine. The group will meet at 9 a.m. at Y headquarters, 722 Pine Street. Film concerning YMCA world service program, 11 a.m. Boys' swim period at the Klamath Union High School natatorium, 1:30 to 3:30 p.m.

Thursday—tour of Weyerhaeuser Company facilities. The group will assemble again at headquarters at 9 a.m. The film will be shown at headquarters at 11 a.m. A swim will be offered at the same time in the afternoon.

Friday — tour through Crater Lake Creamery. Participants will gather at headquarters at 9 a.m. The film will follow. And an afternoon swim will be offered.

Those activities are for boys nine years of age through high school age, except for swimming periods, during which boys six years of age through high school age will be welcome.

In addition, the Y's regularly-scheduled events will continue unchanged. Headquarters will be closed, however, Dec. 26 and Jan. 2.

FOOT MAN IS HEADMAN

PITTSBURG, Kan. (AP) — The Ben Fuller post of the American Legion has gone from head to foot in commanders. Dr. Frank E. Hourriez, a chiropodist, has been elected commander succeeding Dr. L. L. Stumfoll, an eye doctor.

Accused Women Scheduled For Hearing Today

Two young women accused of stealing $84 from an OTI student last Thursday night are scheduled for a hearing in district court Wednesday afternoon.

Linda Joyce David, 20, 707 Washington Street, and Rebecca Peggy Barrerra, 21, 1232 Pine Street, will give their version of an episode in which Norman Priest, 33, 134 North Third Street, was robbed. Priest said he accepted an invitation by the two women to buy some beer and have a party. He said the women saw the money, which was partially concealed in an address book.

Priest said the women denied the theft but police officers reported that the two suspects admitted the crime. Both women have been charged with grand larceny.

At the base, each side of the Washington Monument shaft measures 55 feet 1⅛ inches; at the top, 34 feet 5½ inches.

NON-SWIMMING DIVER

SAN DIEGO, Calif. (AP)—In 25 years as a Navy diver, Morris Hoffman, 71, recovered 450 bodies from ships and planes that went down at sea, most of them during World War II. But in all the 25 years, there was one thing that Hoffman didn't do. He never learned to swim, he observed in recalling his experiences.

TARDINESS EXCUSED

SAN DIEGO, Calif. (AP)—Two desperate telephone pleas for permission to register late reached San Diego State College on the final day of registration.

One was from a student in jail on a traffic violation. The other was from Colorado, where a student was trapped by a snow bank. Permission was granted to both.

Police Seek Wounded Man In Area Of Ashland

ASHLAND, Ore. (AP) — Police searched the Ashland area today for a man believed wounded after state patrolman Donald Cain was shot three times in a struggle Tuesday night.

Cain underwent emergency surgery at the Ashland General Hospital, where it was reported the three bullets lodged in his left leg. He was reported in good condition.

Cain said he was wounded in a struggle in his car with a man who drew a gun while Cain was questioning him. Cain said he believed he wounded the man as the man fled the scene. A bloody topcoat was found nearby.

Capt. Paul E. Morgan of the state police reported:

Cain stopped to question a hitch-hiker he saw on Highway 66 at the east edge of Ashland about 5 p.m. He had the man get in his patrol car, but when he reached over to examine some tools the man had, the hitch-hiker drew a gun. Cain wrestled the gun away from him, but the man then drew another. While they struggled for it, the gun was fired several times and Cain was hit three times in the leg. When the man fled, Cain fired at him.

State police, city police and sheriff's deputies began an immediate search. They warned residents of the area the man was on the loose. About 11 p.m. tracking dogs from Lakeview were added to the search.

Police said they found what they believed to be blood drops leading from the scene and started the dogs on the trail there.

Oldest permanent settlement in South America is Santa Marta, Colombia, founded in 1525.

EVENSONG ALONE

ROSS-ON-WYE, England (UPI) — The Ross-On-Wye rural deanery magazine, in discussing Christmas Day services, announced today:

"The rector will say evensong at 12:40, but does not expect anyone else to be present."

Soroptimists Will Have Program

Soroptimist Club members of Klamath Falls will meet Thursday, Dec. 22, at noon for luncheon at the Winema Hotel and the club's traditional Christmas program. Doris Fredrick will be chairman.

Other December meetings included an illustrated travelogue by club president Rhoda Harnden on her trip to Japan, with Delight Hicks as chairman, Dec. 1; business meeting Dec. 8 when Margaret Larkin, member of the local club and director of District 2, paid her official visit to the club, and the baked food and book sale Dec. 15 with Norma Miller and Lucile O'Neill chairmen.

CARD FROM STRANGER

POINT REYES, Calif. (UPI) — Bank teller Betty Adams received a Christmas card Monday from a stranger named William Williams, but she had no trouble remembering him.

Williams took $14,300 from her during the holdup of a Bank of America branch here last August. He later was captured and confessed.

The card came from Prisoner 1423 at Alcatraz Federal Prison.

Blustery, Cold Weather Hits Nation

By THE ASSOCIATED PRESS

Blustery, snowy and cold weather ushered in the winter season today from the eastern Rockies into the Northeast.

The snowstorm which buffeted the Midwest, with foot-high falls in some areas, spread into the Ohio Valley during the night, dumping heavy snow in many areas.

Powered by strong winds, the storm headed eastward into western and central parts of the mid-Atlantic seaboard states and extended eastward over the Great Lakes region and southwestward through the Ohio Valley.

At least nine deaths were attributed to the stormy weather, which erupted in the Plains and spread eastward rapidly. The storm deaths included five in Ohio, three in Illinois and one in Missouri.

The broad blanket of snow in the Midwest, plus strong shifting winds and sharp drops in temperatures, made it look and feel like midwinter before the official arrival of winter at 3:27 p.m. EST today.

Numbing cold gripped the north central region as the mercury plunged below zero across the snow-covered sections of the midlands. The cold air dipped southward into Texas and the Gulf Coast.

It was 13 below zero in Aberdeen, S. D., and the subzero sting was felt in northern Illinois with 2 below in Rockford. Chicago, covered with a record prewinter snow carpet of 12½ inches, shivered in near-zero readings.

The heavy snow covering appeared to guarantee many areas a white Christmas on Sunday. No general immediate break in the cold weather was indicated.

Travel, both by motor and air, was sharply curtailed throughout the snowbelt. Snow diminished to flurries in most Midwest areas, and clean-up crews were on 24-hour schedules clearing streets and highways.

Chicago's Midway Airport, called the world's busiest, was closed for more than 12 hours as workers cleared the runways of the heavy snow. Airports in Cincinnati also were closed.

Ohio and Pennsylvania battled the storm. Falls of 8 to 14 inches were expected in western Pennsylvania, with 7 to 10 inches in Pittsburgh. A half foot of snow fell in a four-hour period in the small town of Somerset, Pa.

In Ohio, more than 8 inches of snow snarled traffic in Columbus and a 10-inch fall was expected in Cleveland. Falls of 3 to 6 inches were reported in most northern areas, with lesser falls in the southern part of the state.

Snow mixed with rain and sleet pelted areas in New Jersey, Maryland, West Virginia and western North Carolina, with snow on the way in some areas. The snow-sleet mixture in Newark and Trenton changed to heavy rains. New York City, hit by heavy snow last week, was in the path of the storm.

In contrast to the cold and wintry weather, unseasonably mild weather prevailed in the extreme Southeast and Southwestern sections of the country. The mercury soared to 81 degrees in both Los Angeles and San Diego Tuesday.

Plea Of Guilty Finally Spoken

Robert Allen Woodford finally took an attorney's advice Tuesday and entered a plea of guilty to the burglary of the Klamath Falls Army Store, 320 South Sixth Street. Woodford, 21, San Jose, Monday said he was "not satisfied" with court appointed attorney P. K. Puckett. Circuit Judge David R. Vandenberg Tuesday granted a motion by Puckett that he be replaced. Donald A. W. Piper was appointed to defend Woodford.

The young burglar returned to court Tuesday afternoon and admitted breaking into the store and stealing a pistol and a pair of binoculars. He will be sentenced Friday morning.

Cantata Slated For Thursday

CHILOQUIN—A Christmas cantata, "Music In Bethlehem," is to be presented by the Chiloquin High School Girls chorus assisted by adult vocalists of the community Thursday, Dec. 22, in the high school.

C. A. Samples, principal, in announcing plans for the presentation, gave an invitation to the public to attend. Time will be 7:30 p.m. Pretoria Bell is directing.

Waive Hearing On Theft Count

Two men accused of the burglary of an Odell Lake summer home waived preliminary hearing Monday in district court and were bound over to the grand jury.

Donald Eugene Hergenrider, 21, Belfry, Mont., and Armin Wille Bork, 24, Bowler, Wis., were captured Friday by state police at the summer home of Clyde Plants Jr. of Corvallis. The two men said they had been staying in the cabin since last Tuesday.

Investigating officers said the pair apparently tore a window screen to gain entry to the cabin. Hergenrider and Bork are accused of stealing some food and a raincoat.

The burglary suspects were lodged in the county jail in lieu of $2,500 bail.

Boy Finds How To Get Engines

SAN FRANCISCO (AP)—Jackie Rose, 3, wanted a fire engine for Christmas.

Other youngsters in his neighborhood suggested how he might get one. Jackie tried it.

He hauled a stool from his home, climbed up to the red box on the corner and, with a screech of sirens, along came two fire engines.

Jackie was puzzled. He couldn't decide which one he wanted.

His grandfather, Superior Court Judge Edward Molkenbuhr, told him he could have neither and added that the next time he wanted to contact Santa Claus, he should let him know.

SOMEONE CARES

BALTIMORE (AP)—A six-year, $2 mystery is still going strong at the Baltimore office of CARE (Cooperative for American Relief Everywhere).

Every week since the fall of 1954, as regularly as clockwork, an envelope without return address has arrived containing two $1 bills but no identification.

It's unusual for a small donor but CARE officials aren't kicking. So far, the anonymous donor has paid for 624 packages of food—13,728 pounds of it—for distribution to the needy overseas.

School News

KENO SCHOOL

KENO—Keno School's Christmas program will be conducted the afternoon of Thursday, Dec. 22. Students of each room will sing Christmas songs and Principal Fred Taylor will show a film.

The football season is over and basketball has replaced it as the No. 1 sport. In the school's physical education intramural football league, Bill Heryford and his team won the six-man football crown.

His teammates were Billy Hedquist, Larry Nauta, John Crossline, Randy Riggs and Joe Samplauski. Other teams were captained by Chuck Clark, Karl Kerns and Rick Trullinger.

Ruth Dempewolf's team won intramural volleyball competition. Volleyball teams included both boys and girls in from fifth through eighth grades. Miss Dempewolf's team won eight games and lost none.

Students are looking forward to the basketball season, but fear a weak season, since the team lacks depth. Just five eighth-grade boys are playing.

The school competes against Dorris, Tulelake, Macdoel, Newell and Fairhaven elementary schools.

The eighth graders played a team composed of fathers of Keno School students Friday. The Parent Teacher Association sponsored a dance and box social after the game.

The school Christmas card sale was successful. Students cleared enough money for student body expenses for the year. Leading salesmen were Linda White, Janet Heryford, Rick Trullinger, and Mary Ellen Hess.

Students wish to thank the community for cooperation. They also wish everyone in the community a merry Christmas.

Judge Is Harsh In Bomb Scare

TAMPA, Fla. (AP) — A lanky, 17-year-old Tampa youth who telephoned a bomb scare message to an elementary school last month "just to see what would happen," found out when a judge sentenced him to two years in prison.

David Warren Kitchen was sentenced Monday by criminal court judge L. A. Grayson.

It is believed Kitchen is the first person to be sentenced under a new state law which makes bomb scare calls a felony with punishment up to 10 years in prison.

Grayson, admitting the term was stiff, said if he let Kitchen go, others would "get the idea they can scare the fire out of their teachers by doing the same thing."
