## Cotton Scramble, A Happy-New-Year Game

By Bob Besch

Here's an hilarious game designed to "mix-up" the guests at your New Year's party. You'll need cotton balls, teaspoons, drinking glasses, blindfolds, and a whistle or horn. Seat players in a circle on the floor, and dump 20 or 30 cotton balls in the center of the ring so everyone can see them. Each player gets a glass and a spoon. The object is to see who can spoon the most cotton balls into a glass within a time limit—a minute or more. Blindfold the players, blow the starting whistle, and watch the fun. If you're short on prizes, give the winner a box of cotton balls!
