

CAR SAVER

Remember when your car or truck was new? Ran like a clock, stopped on a dime—steered like it was on tracks. Let us restore this new-car feeling for you. See your General Motors Dealer for his Quality Guardian Maintenance Service. You can be certain that factory-trained servicemen will do the job right . . . because they have the factory-engineered parts designed and built for your car or truck. See what a wonderful difference the right kind of service makes! You'll discover it's the next best thing to a new car!
