

### Grange Gets New Member

NEW PINE CREEK—Sherline Aldridge was accepted into membership during a meeting of East Side Grange here Saturday night.

Dinner was served at 7 o'clock. Thirty five members were present. Mrs. Stanley Logan reported business conducted at the Home Economics Club meeting Thursday.

Garland Cundiff reported concerning a meeting in Alturas last week in which renewed efforts to promote the Susanville-Adin cut-off road were discussed.

The road is proposed as a link to the Alcan Highway. He said the expected \$800,000 expenditure might detract rather than add to traffic on Highway 395.

He said a petition will soon sample taxpayer opinion concerning the road.

Members voted to conduct a March of Dimes dance Feb. 25. Master Claude Noble state he is in favor of grange backing for a proposal under discussion in Lake County for establishment of an obnoxious weed control district.

Maury Morton, president of Goose Lake Sportsmen's Club, announced that the club's card party series will be conducted the first and second Saturday evening of each month, rather than every two weeks as was reported last week.

Carroll Mulkey was reported to be confined to Lakeview Hospital where his condition is unchanged. Members signed a greeting card for him.

A card was also sent to Mrs. Mildred Gentry, longtime granger, expressing condolences in the loss of her home to fire.

Mrs. Amy Cloud served as secretary, replacing Mrs. Alice Allen, who, with her husband, Bill, left Friday for a month's vacation near Santa Rosa.

The meeting adjourned after a short lecturer's program. Dancing followed.

### YANKEE HERO

CHARLESTON, S.C. (AP)—Even re-staged history can have its heroes.

When a replica of the old Union supply ship, the Star of the West, sailed into Charleston harbor Monday, "Confederate" cannons began firing at her as part of the nation's observance of the 100th anniversary of the Civil War.

Suddenly, a fire broke out in one of the batteries manned by cadets from The Citadel, South Carolina's military college. One of the cadets quickly doused the blaze. The hero?

A Yankee, Robert Theobald of Union City, N.J.
