## Walker, Noel Appointed To KU Budget Committee

Steve Walker, an auto salesman, and Dr. Don Noel, a dentist, were appointed to three-year terms on the Klamath Union High School District Budget Committee, during a meeting of the KUHS Board of Education Monday evening.

## Auxiliary Sets Plan

MERRILL—The "whole child" will be the primary concern of the American Legion Auxiliary in its child welfare work during 1961, according to Mrs. Paul Lewis, child welfare chairman of Merrill No. 80 unit of the auxiliary. "Children of veterans, in whom the auxiliary has special interest, now number more than half of all children in the United States," Mrs. Lewis said. She explained that the auxiliary's program is now concerned with welfare of all children.

"In our child welfare work we now must concern ourselves with emotional, intellectual and spiritual needs," explained Mrs. Lewis. "It is not enough to meet only the physical needs for food, shelter and clothing. If we are going to help the child become a successful person, we must equip him with good character and morals, with reverence for God and loyalty to his country. We must be concerned with the 'whole child.'"

The auxiliary's child welfare work is carried out in cooperation with other organizations, and in support of organizations specializing in certain phases of the child welfare field.

## OSC To Begin New Program

CORVALLIS (AP) — Oregon State College next summer will begin a new program that might lead to classes the year around. The college will conduct its usual eight-week summer school session from June 19 to Aug. 11, and then add a new four-week session, running from Aug. 14 to Sept. 8.

"By putting the eight and four week programs together, a student may earn 18 credit hours, or a full term's work plus," an OSC announcement said. Oregon State for some time has been considering a plan similar to those adopted by a few eastern colleges, which have four-quarter schedules that run through the summer. Students who study the year around on that basis can graduate in three instead of four years.

## KHRUSHCHEV STOP

MOSCOW (AP) — Nikita Khrushchev has added the Togo Republic to the itinerary of the West African tour he plans to make some time. Tass, the Soviet news agency, announced today that Khrushchev and Togo Premier S. Olympio had agreed to exchange visits.

## Recovering

MEDFORD (AP) — Mack Richard Griffin, 44, Jacksonville, was recovering Tuesday from a bullet wound in his chest, suffered when his hunting rifle discharged accidentally at his home Monday. He was able to telephone for help, and an ambulance got him to a hospital here.
