Storm Dumps Snow On Bowl

MOUNT SHASTA — A storm dumped an additional 3 1/2 feet of snow at Mt. Shasta Ski Bowl Monday night, adding substantially to a heavy pack of five feet.

The new snow virtually assured a ski season virtually assured, said local residents.

Weather in the Mount Shasta area was clearing Tuesday morning.

Among those present were Floyd Dill, president of Yreka Rotary; Wilson Graizer, president of the Montague club; Mrs. E. S. Carlson, director of public relations at International House, and wives of the two club presidents.

William S. Butcher from Australia was master of ceremonies while students entertained with native songs and dances.

Students came from England, Scotland, Wales, France, China, Japan, India, Russia, Israel, Korea, Greece, Kenya, East Africa, Finland, Austria, Italy, Norway and the Netherlands.

All students are guests at homes of the members of the two Rotary clubs.

The annual visit provides opportunity for students to experience American home life. Hosts provide entertainment, including sightseeing trips in the area.

Students toured the sheriff's office Saturday morning, the Pacific Telephone Company main dial office on Pine Street in Yreka and Siskiyou County Museum.

Members of the joint committee in charge of arrangements were Tom Dickinson and Bruce Rohrer of the Montague club, and Gene Gray and Harry Crebbin of Yreka.

The students left on their chartered bus for Berkeley Monday.

Filing Open
