

Married women are sharing this secret

... the new, easier, surer protection
for those most intimate marriage problems

What a blessing to be able to trust in the wonderful *germicidal protection* Norforms can give you. Norforms have a highly perfected new formula that releases antiseptic and germicidal ingredients with long-lasting action. The exclusive new base melts at body temperature, forming a powerful protective film that *guards* (but will not harm) the delicate tissues.

And Norforms' *deodorant protection* has been tested in a hospital clinic and found to be more effective than

anything it had ever used. Norforms *eliminate* (rather than cover up) embarrassing odors, yet have no "medicine" or "disinfectant" odor themselves.

And what *convenience*! These small feminine suppositories are so easy and convenient to use. Just insert—no apparatus, mixing or measuring. They're greaseless and they keep in any climate.

Now available in new packages of 6, as well as 12 and 24. Also available in Canada.

Quips and Quotes

Sinus Saga

The office hypochondriac
Is back at work this morning.
A week ago he caught a cold
Which "hit me without warning."

"No one has suffered such a siege...
"It has laughed off each prescription..."
Which quotes are merely excerpts of
His blow-by-blow description.
—Francis O. Walsh

This is the time of year every neighborhood discovers it has its own Abominable Snowman—the guy who won't shovel his sidewalk.—Al Spong

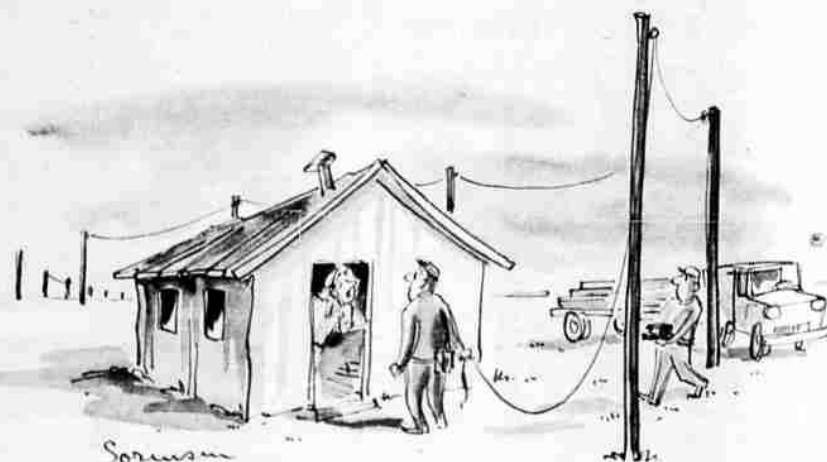

An elderly couple appeared at the office of a wealthy executive whose hobby was collecting antique cars. "We understand," said the old man, "that you might be interested in buying a 1907 Cadillac."

The collector's heart skipped a beat in anticipation, but he played it eagerly. "Well, I might," he said. "Does it still run?"

"I'll have to ask my son about that," the old-timer replied. "My wife and I always use the old car."
—Ben Cassell

"Good day, madam," the cheery voice said over the telephone. "I am conducting a television-audience survey. Could you tell me, please, what's on your TV set right now?"

In the background there were screams and shouts of several youngsters. Then came the tired voice of a mother. "The last time I looked the only things on my TV set were two apple cores, one banana skin, and a couple of hundred fingerprints."
—Frank Hughes

"No, I didn't order a telephone. Why?"

Five-year-old Linda had been thoroughly disobedient, and her mother lost patience. Linda was spanked and sent to her room. Later in the evening, she was heard saying her prayers:

"Please, God, help me be a good girl. And take care of Daddy and Brother. Don't worry about Mother, though—she can take care of herself."
—Avis Demmitt

Change of Mind

No doubt the sage who once opined
That "Out of sight is out of mind,"
Has changed his, if his children are
Old enough to drive a car.

—Virginia Isaacs

Communism would never work in this country—try telling an American wife that her husband's first duty is to the state.—Dan Bennett
