## 26" rotary tiller

16 FORGED STEEL TINES...GUARANTEED AGAINST BREAKAGE FOR LIFE OF TILLER

**122<sup>88</sup>**  
REG. 144.50

- Improved engine filter can be cleaned and used again
- Wider tread wheels provide greater stability
- Largest tine width tills a 26" path to 9" deep.

**\$5 DOWN**  
holds purchase till May 15

Throttle and clutch controls located on handle for ease of operation.

Get push-button starting ease, fast maneuvering and plenty of power to till, cultivate or aerate soil. Self-sharpening bola tines can be removed or adjusted for 12, 20 and 26" widths; belt-type drive lessens engine shock if tines hit solid object in soil. Controls are mounted right at your fingertips; handle can be adjusted to suit the tall or short operator.

3 1/2-HP tiller; reg. 169.50 ... **147.88**    4 1/2-HP tiller; reg. 209.50 ... **194.88**
