

GOP Support Given Plan For Reapportionment

SALEM (AP)—Republican support for a plan whereby Eastern Oregon would lose little in reapportioning the legislature was indicated Monday.

Rep. George Annala, D-Hood River, chairman of the House Elections and Reapportionment Committee, proposed a plan in which Eastern Oregon would lose no senators and only two representatives.

Rep. F. F. Montgomery, Eugene, House Republican leader, said he believes the Republicans would go along with Annala's plan.

Annala would combine his own Hood River County district with Multnomah County.

The district comprising Gilliam, Morrow, Sherman and Wheeler counties also would be abolished by combining those counties with other districts.

Lane County would gain one representative, while Polk and Yamhill counties—now each having a senator—would be combined into a single district.

SALEM (AP)—Legislation to make insurance companies pay corporation excise taxes, as well as other taxes that might apply to them.

Insurance companies now pay a special tax on their premiums. Mahoney would abolish this tax.

SALEM (AP)—Legislation to require the superintendents of the state's mental institutions to tell local health boards when the institutions discharge persons with homicidal tendencies was introduced Monday by Rep. Ed Elder, R-Eugene.

Elder said the local health agencies then would help the discharged patient make his adjustment.

He also introduced a bill to make it illegal for anybody to loiter where children under 18 years of age are employed. He said his purpose is to prevent undesirable persons from loitering near harvest fields where children work.

SALEM (AP)—A proposal to have legislators run by numbered positions in districts or sub-districts where there are more than one seat will be introduced by Rep. Edward N. Fadeley, D-

enforcement against certain unfair labor and management practices, has the support of employers, but is opposed by labor. The committee will hold hearings on this one late this month.

Both bills are copies of federal law, which does not apply to small employers.

Eugene, he said Monday. Fadeley introduced a resolution to have high school students try to draft plans for legislative reapportionment.

He would have the House speaker and chairmen of the Elections committees select three high schools in each of the state's four congressional districts for this purpose.

Gov. Mark Hatfield has recommended that the aid be increased from \$105 per child per year to \$115, but he is opposed to a cigarette tax. Heider's bill would make the same increase.

SALEM (AP)—The Senate State and Federal Affairs Committee Monday voted to introduce a bill to transfer the tax collection

SALEM (AP)—A memorial asking Congress to repeal part of the National Defense Education Act was introduced Monday by Rep. Edward N. Fadeley, R-Eugene.

He wants repeal of that part which requires student applicants for financial aid to swear that they have not belonged to organizations on the subversive list of the attorney general.

Fadeley said he does favor requiring the student applicants to declare their allegiance, but he said the negative part of the oath is in opposition to the principle that a man is innocent until proven guilty.

He said former President Eisenhower, President Kennedy, the state Board of Higher Education and League of Women's Voters and

SALEM (AP)—A bill to increase state aid to local school districts to a 3-cent per package cigarette tax was introduced Monday by Rep. Doug Heider, R-Salem.

SALEM (AP)—The Senate State and Federal Affairs Committee Monday unanimously recommended passage of a bill to set up state-sponsored bargaining agency elections.

The bill is supported by employers. The Oregon AFL-CIO said the bill is not necessary, but that it has no objection to it.

CUTTING -- Second Of The Four C's Of Diamond Value

Proper cutting and polishing contributes more to the beauty of a diamond than perfection of flawless or the absence of slight tinges of body color. Diamonds may be improperly cut in order to save carat weight, or to give the APPEARANCE of a larger stone. Whatever the reason, value, beauty, and brilliance is always sacrificed when a diamond is improperly cut or poorly polished. Let J. C. Renie, Jeweler, explain the difference before you buy.
