ALWAYS A BUTCHER TO SERVE YOU!

- * Yes, Market Basket's courteous butchers are always ready to serve you by helping you select just the right cut of meat. If the cut you want isn't in sight, just ask them and they will gladly cut it for you.
- * When you buy meats from Market Basket's "personal service butchers," you see both sides of the cut, not just the "sunny side."
- * Market Basket sells only USDA "Good" and "Choice" government graded and inspected beef. It's all locally grown and processed, and specially selected by our own butchers from Klamath's finest!
- * Look for and demand to see the grade marks on the meats you buy. They are there for your protection and dining enjoyment.
