

Sure Sign Of Progress **PACIFIC SUPPLY COOPERATIVES**

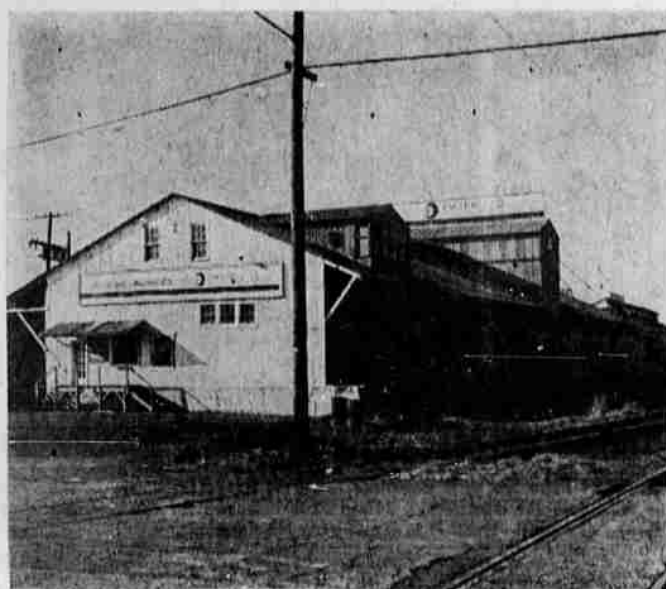

Serving The Farmers Of The KLAMATH BASIN For 17 Years

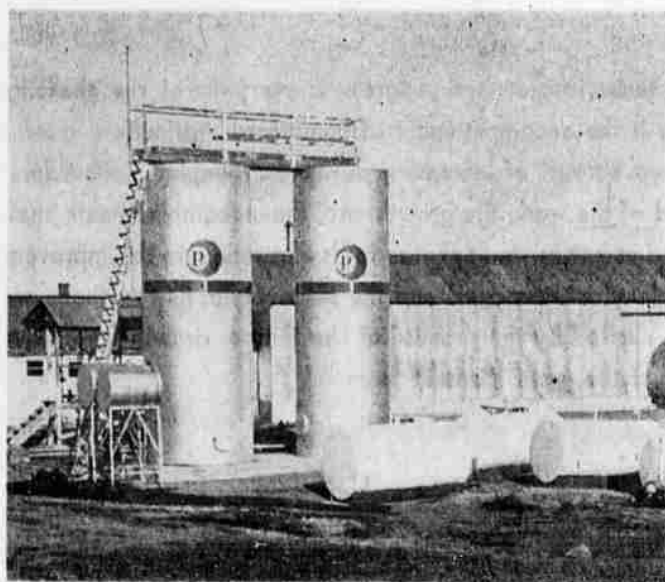

Pacific Supply Cooperatives are the farmer's best friend. They offer helpful service and know-how in getting the most from the land year after year. They help him with his market problems to be sure that he gets the best prices for his crops. They handle his milling and grinding needs for livestock feeds. The Pacific Supply Cooperative in Klamath Falls carries a complete line of Fertilizers, Insecticides, Seeds, Grains, Feeds, Heavy Hardware items, Animal Health Supplies and the Famous Line of PURINA PRODUCTS. A cooperative organization offers the farmer the finest products at the lowest prices possible. THE CIRCLE P IS YOUR SIGN OF KNOW HOW, QUALITY AND SERVICE! Serving the farmers of the Northwest for the past 27 years.

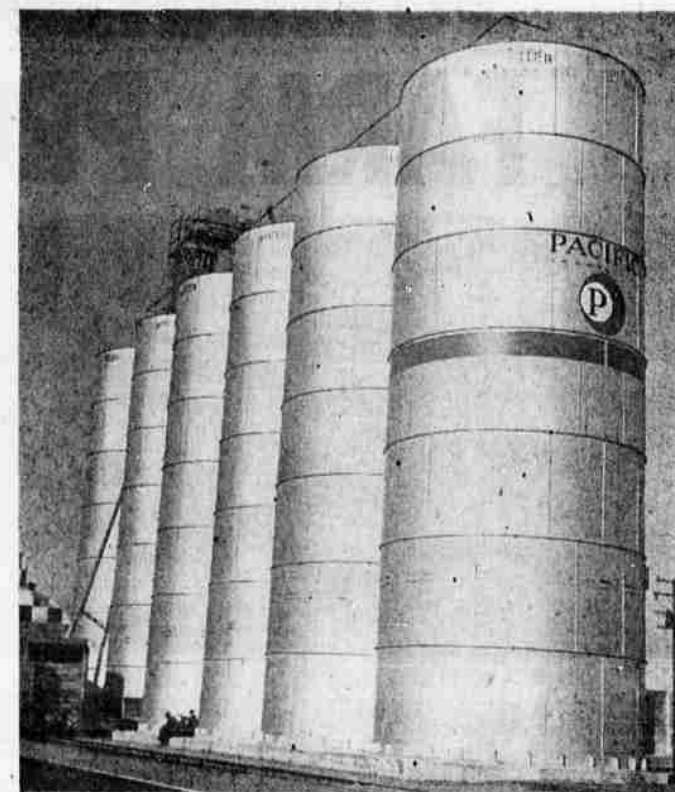

Our Large Plant in Klamath Falls Serves The Entire Klamath Basin With Progressive Products And Services.

A. D. Salyers is the manager of our Tulelake Branch Plant. They have been supplying the farmers of this area since 1944 with a complete line of grains, seeds, fertilizers and chemicals and Retail Feeds.

Lionel (Ole) Olsen is the manager of our Hatfield plant. From this station the entire area is serviced for Petroleum products, tires, batteries, Liquid Fertilizers and Hardware Items. This branch plant has been in operation since February of 1955.

Our elevator at Henley has been in operation for the past 4 years. All the facilities for grain handling, buying, selling and storage are conveniently located in this area to help the farmers.
