

SISKIYOU COUNTY SUPERVISOR and Mrs. Earl Ager who live in an attractive ranch-type home on State Highway 139 near Tulelake, have seen the community grow from its infancy. Ager, member of the pioneer Ager family for whom the California town is named, was the first man to buy a lot in the townsite, and the first businessman. Ager unloaded the first piece of farm equipment, a plow, for his Siskiyou Tractor and Implement Company. He installed the first telephone and bought the first money order at the new post office in the corner of the Fred Taylor Lumber Company office. Here, they look over the register of old Ager Hotel containing many Klamath Falls names.

ONE OF THE HIGHLIGHTS of the year at Tulelake is the Tulelake-Butte Valley Fair held in one of the most modern, spacious fairgrounds on the West Coast. Fairs must have a queen so each year pretty, popular girls compete for the crown and rule over the September fete. The 1960 queen was Faye Adams, rear, with her bevy of princesses, seated left, back to front, DeAnn Van Nortwick, Sharon Allison and Claudia Cushman. Right, same order, Ona Lee Terry, Susan Crawford and Helen Hundley.

THE TULELAKE CHURCH of Jesus Christ of Latter Day Saints, a handsome building in a well-landscaped setting, was built largely with missionary labor under the direction of a full-time missionary schooled in architecture and construction. The membership of 140 which has increased from a much smaller beginning has the present structure "bursting at the seams," reports George Pickup, bishop of the Tulelake Branch. The church was dedicated in Jan., 1949.

Fremont National Forest Has Record Timber Cut In 1959

Highlighting 1959 activity in Two principal causes brought on one of the most critical times. Fremont National Forest was a about the increased timber cut-fire seasons in many years, with record timber cut of 130 million board feet, according to the annual report of Forest Supervisor Clayton N. Weaver. Statistical in a deficit caused by liquidation of a new fire retardant (sodium borate) was not available when material was being and 12 million board feet of timber up at the Lakeview airport to prepared for this edition. However were killed in two serious mix the borate powder with water, ever, officials said that 1960 ac-fires and had to be salvaged in-bomber for transporting the slurr-activities closely paralleled those of 1959.

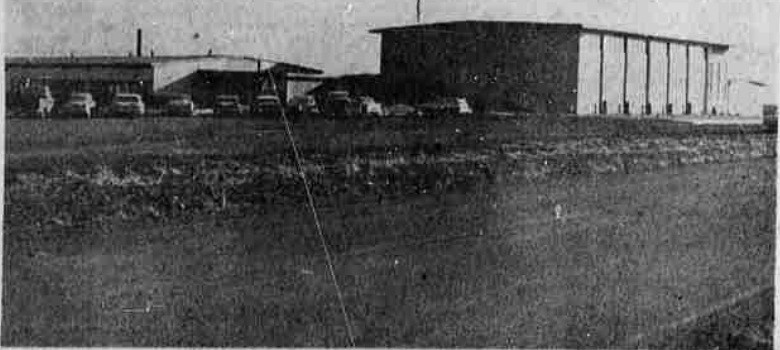

Personnel inventories 1,237 acres of potential recreational sites on the forest. Included were classification and evaluating the sites, inventorying recreational roads, and mapping big game and fishing areas. Deer numbers on the forest were estimated at 80,000, which was an all-time high. Wildlife turn parts or come get balance of range analysis revealed that spreader." browse on most winter and some summer ranges is in poor condition and that use is heavy. The report called for more effective harvesting of animals if the watershed is to be protected.

RETURN OR ELSE

STERLING, Colo. (AP)—Farmer Harry Boston ran this advertisement in the Journal-Advocate: "Party who borrowed parts from my manure spreader, please return parts or come get balance of spreader."

HEFTY THEFT

ARDMORE, Okla. (AP)—All that was taken in a book store robbery, apparently by a thief who likes to read, was a \$40 dictionary weighing 25 pounds.

E. L. COYNER, principal of Tulelake High School, anticipates a big upswing in the number of students enrolling in classes for the 1962 - 1963 school year, sons and daughters of the 1948-1949 homesteaders. A school enrollment of 275 to 300 will be probable. This is the new high school completed at a cost of \$855,000. The school provides the most modern facilities. Tulelake Elementary School has a registration of 397, kindergarten through the eighth grade, an increase of about 35 this year due to influx of natural gas pipeline workers. New addition was completed six years ago. Arnold G. Torrigno is principal.

Growing With The Basin Since 1941

We've come a long way since starting in the insurance business back in '41. The only interruption in this 20 years of service was 3 1/2 years during World War 2. In February of 1958 we were able to build and move into this modern new building which also houses Hyde's Jewelers, Ace Mimeo Service and Silani-Fisher, Realtors. This new building features a drive-in window, as well as free parking in our lot.
